Record Amendment in the City of Calgary
Licence 106
Proceeding 24318
Application 24318-A001

Record amendment application

1. ATCO Gas and Pipelines Ltd. (ATCO), by Application 24318-A001 registered on February 12, 2019, filed an application with the Alberta Utilities Commission under Section 12 of the *Pipeline Act* and Section 4.1 of the *Gas Utilities Act* to amend the “wall thickness” of line 120 in the city of Calgary from 9.52 millimetres to 9.5 millimetres.
2. The proposed amendment is related to facilities previously constructed and operating in accordance with approvals granted in Licence 106.
3. ATCO stated that upon review of the pipeline material reports as well as the specifications outlined in *CSA Z245.1* it was determined that the wall thickness for line 120 requires amendment.
4. ATCO provided information respecting the need, nature and extent of the pipeline record amendment. Since the record amendment does not involve a ground disturbance, there will be no environmental impact.
5. Based upon the information provided, ATCO has demonstrated that the proposal is of a minor nature, no other person will be directly affected by the proposal and no adverse environmental impact will be caused by the proposed record amendment.

6. The Commission approves the application. The amended licence is attached.
