I. BACKGROUND

[1] On September 22, 2004, the Director, Northern Region, Regional Services, Alberta Environment (the “Director”), issued Approval No. 00200318-00-00 (the “Approval”) to Ducks Unlimited Canada (the “Approval Holder”) authorizing the construction of a wetland stabilization project on an unnamed water body at SW 05-078-25-W5, near Eaglesham, Alberta.

[2] On September 27, 2004 the Environmental Appeals Board (the “Board”) received a Notice of Appeal from Mr. Doug Emerson (the “Appellant”), dated September 26, 2004, appealing the Approval.

[3] On September 28, 2004 the Board wrote to the Appellant, the Approval Holder and the Director (collectively the “Parties”) acknowledging receipt of the Notice of Appeal and notifying the Approval Holder and the Director of the appeal. The Board also requested the Director provide the Board with a copy of the records (the “Record”) relating to this appeal, and that the Parties provide available dates for a mediation meeting or hearing.

[4] According to standard practice, the Board wrote to the Natural Resources Conservation Board and the Alberta Energy and Utilities Board asking whether this matter had been the subject of a hearing or review under their respective legislation. Both boards responded in the negative.

[5] On October 15, 2004, the Board received a copy of the Record from the Director, and a letter advising that the Director was attempting to set up a meeting between the Parties for the last week of October.

[6] On October 19, 2004, the Board acknowledged the letter and Record from the Director and forwarded a copy to the Appellant and the Approval Holder. The Board requested that the Parties provide a status report, with respect to their meeting, to the Board by November 3, 2004.

[7] On November 2, 2004 the Board received correspondence from both the Director and the Appellant. The Director advised that the Parties had met at the proposed project site and that the proposed project was explained to the Appellant in detail. The Appellant's letter stated:

"I wish to withdraw my appeal of Ducks Unlimited Canada/Water Act Approval No. 00200318-00-00 File No: EAB 04-055".
