**CONSENT ORDER**

- [1] The Applicant, HiLevel International Corp., and the Respondent, Toronto Standard Condominium Corporation No. 1858 (TSCC 1858), have reached an agreement to settle this case and have requested that their agreement be incorporated into a Consent Order from the Tribunal. The Applicant and the Respondent acknowledge that with issuance of this Consent Order, the case before the Tribunal will be closed.
- [2] Therefore, the Tribunal issues this Order, on the terms consented to by the Applicant and Respondent as follows:
1. The Applicant agrees to pay the Respondent a labour fee of \$30/hour for 30 hours of labour to produce the records requested in this case. These records are: the advertising expenses, social & recreation expenses and miscellaneous expenses for the period of January 1, 2017 to December 31, 2018. If the fee of \$30 includes HST, then TSCC 1858 must provide HiLevel International Corp. an invoice showing the HST number and the HST amount.

the Applicant for the actual number of labour hours it takes to compile the records. The Respondent will refund the Applicant the difference should it take less time to produce the records than the 30 hours estimated.

5. The Respondent will not attempt to collect any additional fees beyond the requested \$30/hour for the production of the examination of the request records, including but not limited to legal fees in relation to this case.
