**Statement of Royalties to be collected by ERCC from educational institutions in Canada,
for the reproduction and performance of works or other subject-matters communicated to
the public by telecommunication for the years 2007 to 2011**

Reasons for decision

[1] Pursuant to subsection 71(1) of the *Copyright Act*, the Educational Rights Collective of Canada (ERCC) filed on March 30, 2006, its statement of proposed royalties to be collected from educational institutions in Canada, for the reproduction and performance of works or other subject-matters communicated to the public by telecommunication for the years 2007 to 2011. The statement was published in the *Canada Gazette* on April 15, 2006. Educational institutions or their representatives were informed of their right to object to it.

[2] No one objected to the statement, which essentially is identical to the tariff certified by the Board for the years 2003-2006. The Board therefore certifies the 2007-2011 tariff as filed by ERCC.
