FILE 1991-10

*Correction to the publication of the statement of royalties to be paid for the retransmission of distant television and radio signals in Canada during 1992, 1993 and 1994*

In accordance with section 70.63 of the *Copyright Act*, the Copyright Board approved and published the above-noted statement of royalties in the *Canada Gazette* on January 16, 1993.

As a result of an error, the publication failed to include Appendix A to each tariff - the list and addresses of the collecting bodies to which retransmitters must make payments. To remedy this error, the Board hereby publishes Appendix A to each tariff.
