UNLOCATABLE COPYRIGHT OWNER

Non-exclusive licence issued to Birch Kuch, Wells, British Columbia, authorizing the recording and mechanical reproduction of a musical work

Pursuant to the provisions of subsection 77(1) of the *Copyright Act*, the Copyright Board grants a licence to Birch Kuch as follows:

- (1) The licence authorizes the recording and mechanical reproduction of the musical work entitled Four String Polka by Graham Townsend.

No more than 1000 copies of the work will be reproduced on CD.

The issuance of the licence does not release the applicant from the obligation to obtain permission for any other use not covered by this licence.

- (2) The licence is valid as of January 1, 2018, and expires January 1, 2023. The authorized uses must therefore be completed by that date.
- (3) The licence is non-exclusive and valid only in Canada. For other countries, it is the law of the country that applies.
- (4) The licensee will pay the sum of \$83.00 to the Canadian Musical Reproduction Rights Agency (CMRRA) who may dispose of this amount as it sees fit for the general benefit of its members. CMRRA undertakes, however, to reimburse the amount to any person who establishes, before January 1, 2028, ownership of copyright of the work covered by this licence.
- (5) The coming into force of this licence is conditional on CMRRA filing with the Board the Notice of Receipt of Payment and Undertaking which confirms that the royalties, as specified in paragraph (4) have been received and that CMRRA undertakes to comply with the conditions set out in same.
