**Record Amendment in the Innisfail Area**  
**Licence 11286**  
**Proceeding 20387**  
**Application 20387-A001**

**Record amendment application**

1. ATCO Gas and Pipelines Ltd. (South) (ATCO), by Application 20387-A001 registered on April 28, 2015, filed an application with the Alberta Utilities Commission under Section 12 of the *Pipeline Act* and Section 4.1 of the *Gas Utilities Act* to reinstate Line 5, which was previously approved to be removed, as abandoned Line 8. The proposed amendment in the Innisfail area is related to facilities previously constructed in accordance with approvals granted in Licence 11286.
2. ATCO stated that it applied to remove Line 5 under EUB File No. 09-0562. Upon review of the 'as built' information, ATCO determined that Line 5 could not be removed at the time of construction and was instead abandoned in place. ATCO has therefore applied to amend the record to reinstate Line 5 as abandoned Line 8 on Licence 11286.
3. ATCO provided information respecting the need, nature and extent of the pipeline record amendment. Since the record amendment does not involve a ground disturbance, there will be no environmental impact.
4. Based upon the information provided, ATCO has demonstrated that the proposal is of a minor nature, no other person will be directly affected by the proposal and no adverse environmental impact will be caused by the proposed record amendment.

5. The Commission approves the application. The amended licence is attached.
