Proceeding 20741
Application 20741-A001**

Record amendment application

1. ATCO Gas and Pipelines Ltd. (South) (ATCO), by Application 20741-A001 registered on August 14, 2015, filed an application with the Alberta Utilities Commission under Section 12 of the *Pipeline Act* and Section 4.1 of the *Gas Utilities Act* for the addition of an unlicensed pipeline (Line 35 – 0.19 kilometres of 60.3-millimetre outside-diameter pipeline) in Township 82, Range 25, west of the Fifth Meridian. The proposed amendment is related to facilities previously constructed and operating in accordance with approvals granted in Licence 4732.
2. ATCO stated that after reviewing its records, it was determined that Line 13 of Licence 4732 was missing from the pipeline licence. ATCO has applied to correct this omission and re-license the missing Line 13 as Line 35 on Licence 4732.
3. ATCO provided information respecting the need, nature and extent of the pipeline record amendment. Since the record amendment does not involve a ground disturbance, there will be no environmental impact.
4. Based upon the information provided, ATCO has demonstrated that the proposal is of a minor nature, no other person will be directly affected by the proposal and no adverse environmental impact will be caused by the proposed record amendment.
5. The Commission approves the application. The amended licence is attached.
