Record Amendment in the Fort McMurray Area
Licence 6733
Proceeding 21449
Application 21449-A001

Record amendment application

1. ATCO Gas and Pipelines Ltd. (South) (ATCO), by Application 21449-A001 registered on March 22, 2016, filed an application with the Alberta Utilities Commission under Section 12 of the *Pipeline Act* and Section 4.1 of the *Gas Utilities Act* for the following in the Fort McMurray area:

- length amendment of line 14 from 0.22 kilometres to 0.28 kilometres
- “To Location” LSD amendment of line 14 from “4” to “5”
- mapping amendment of line 14

2. The proposed amendment is related to facilities previously abandoned in accordance with approvals granted in Licence 6733.

3. ATCO stated that the base map and record require updating since they do not reflect the correct length and location of abandoned line 14.

4. ATCO provided information respecting the need, nature and extent of the pipeline record amendment. Since the record amendment does not involve a ground disturbance, there will be no environmental impact.

5. Based upon the information provided, ATCO has demonstrated that the proposal is of a minor nature, no other person will be directly affected by the proposal and no adverse environmental impact will be caused by the proposed record amendment.

6. The Commission approves the application. The amended licence is attached.
