

MADE at the City of Calgary, in the Province of Alberta, on 18th day of April 2008.	 ALBERTA UTILITIES COMMISSION
AltaGas Ltd. Parkland Gas Power Plant	Application No.1551820

AltaGas Ltd. (the Operator), by Application No. 1551820 (the Application), registered on December 17, 2007, applied to the Alberta Energy and Utilities Board for an order to connect its 7.2-MW Parkland Gas power plant (the Power Plant) to the electric distribution system of FortisAlberta Inc. (the Distribution System). On January 1, 2008, the Application became an Alberta Utilities Commission (the Commission) matter.

The Commission, pursuant to section 18 of the *Hydro and Electric Energy Act* (the Act), being chapter H-16 of the Revised Statutes of Alberta, 2000 grants to the Operator an Order to connect its Power Plant to the Distribution System, subject to the provisions of the Act, the Regulations, the Rules, Orders made pursuant thereto, and to the following terms and conditions:

1. The Operator may connect the Power Plant to the Distribution System in LSD 6, Section 11, Township 15, Range 27, West of the 4th Meridian, as indicated in the Application.
2. The specifications of the connection shall be as set out in the Application.
3. The connection shall be operated so that, except under short-term emergency conditions,
 - (a) the flows of real and reactive power are those for which the connection is designed and which it is intended to carry on a continuous basis; and
 - (b) no excessive surges of 60-Hz power or excessive exchange of power frequency harmonics shall occur between the systems connected.
4. This Order is not transferable unless approved by the Commission.
5. The Commission may cancel, suspend, or amend this Order upon its own motion, an application of an interested person, or failure of the operator to comply with any of the provisions of the Act, the Regulations, the Rules, or this Order.
