Proceeding ID No. 2590**Record amendment application**

ATCO Gas and Pipelines Ltd. (South) (ATCO), by Application No. 1609574, registered on May 7, 2013, filed an application with the Alberta Utilities Commission (AUC or the Commission) under Section 12 of the *Pipeline Act* and Section 4.1 of the *Gas Utilities Act* to amend the status code for Line 15 from abandoned to removed in Township 6, Range 19, west of the Fourth Meridian. The proposed amendment is related to facilities previously constructed and operating in accordance with approvals granted in Permit and Licence No. 2354.

ATCO stated that it determined, after reviewing its 'As Built' information, that Line 15 on Permit and Licence No. 2354 was removed in 1989.

ATCO provided information respecting the need, nature and extent of the pipeline record amendment. Since the record amendment does not involve a ground disturbance, there will be no environmental impact.

Based upon the information provided, ATCO has demonstrated that the proposal is of a minor nature, no other person will be directly affected by the proposal and no adverse environmental impact will be caused by the proposed record amendment.

The Commission approves the application. The amended permit and licence is attached.
