**Record amendment application**

ATCO Gas and Pipelines Ltd. (South) (ATCO), by Application No. 1609599 registered on May 16, 2013, filed an application with the Alberta Utilities Commission (AUC or the Commission) under Section 12 of the *Pipeline Act* and Section 4.1 of the *Gas Utilities Act* to amend the pipe specifications for Line 3 in Township 52, Range 25, west of the Fourth Meridian. The proposed amendment is related to facilities previously constructed and operating in accordance with approvals granted in Permit and Licence No. 7317.

ATCO stated that, after reviewing its as-built information, it was determined that the pipe specifications for Line 3 of Licence 7317 were incorrect.

ATCO provided information respecting the need, nature and extent of the pipeline record amendment. Since the record amendment does not involve a ground disturbance, there will be no environmental impact.

Based upon the information provided, ATCO has demonstrated that the proposal is of a minor nature, no other person will be directly affected by the proposal and no adverse environmental impact will be caused by the proposed record amendment.

The Commission approves the application. The amended permit and licence is attached.
