

MADE at the City of Calgary, in the Province of Alberta, on 1st day of June 2005.	 ALBERTA ENERGY AND UTILITIES BOARD
AltaGas Utilities Inc. 2003-2004 GRA Phase 2 - Compliance Filing	Application No. 1399882

1 INTRODUCTION

On May 9, 2005, AltaGas Utilities Inc. (AltaGas or AUI) filed its Compliance Filing (Application No. 1399882) to Decision 2005-029 dated April 12, 2005, regarding AUI's Phase II portion of its 2003/2004 General Rate Application (GRA). In Decision 2005-029 the Board directed AUI to re-file a complete package of its Terms and Conditions of Service, including blacklined and clean copy versions of its:

- Natural Gas Service Rules;
- General Conditions of Service;
- Buy/Sell Contract and Regulations;
- Transportation Regulations; and
- Retailer Transportation Service Contract and Regulation.

On May 17, 2005, the Board issued a Notice of Application to all interested parties to AUI's GRA inviting them to register any objections by 2:00 p.m. on **May 27, 2005**. If the Board received no objections to AUI's compliance filing, the Board indicated that it would proceed to process the application without further notice.

On May 27, 2005, the Board received a letter from the Consumer Group and the Utility Consumers Advocate which indicated that they had no objections to AUI's compliance filing. No other parties filed submissions on the application.

2 BOARD FINDINGS

The Board has reviewed AUI's compliance filing and is satisfied that it has appropriately followed the Board's directions from Decision 2005-029, with one required revision. In Decision 2005-029, AUI was directed to amend its Terms and Conditions of Service to improve the readability of the documents and to use the correct legal names for "ATCO", "TCPL", and specific "Acts". The Board notes that AUI incorrectly defined ATCO Gas and ATCO Pipelines as incorporated entities, since both are simply divisions of ATCO Gas and Pipelines Ltd. (ATCO). The Board directs AUI to revise its Terms and Conditions of Service to reflect the correct legal names for ATCO divisions; ATCO Gas and ATCO Pipelines.

The Board sees little merit in further process to effect this minor correction. Therefore, the Board approves AUI's Terms and Conditions of Service as filed, subject to AUI including the Board's directed revision in all relevant and future documentation.

3 ORDER

THEREFORE IT IS ORDERED THAT:

- (1) AltaGas Utilities Inc.'s compliance filing to Decision 2005-029 and its Terms and Conditions of Service are approved.
