1 Introduction

1. ATCO Gas and Pipelines Ltd. (South) (ATCO) filed an application with the Alberta Utilities Commission (AUC or the Commission) seeking approval for an amendment to Permit and Licence No. 5359 pursuant to Section 11 of the *Pipeline Act* and Section 4.1 of the *Gas Utilities Act* for the following:

- amend “To Location” LSD from 12 to 13 on Line 10

(the amendment).

2. The application was registered on May 5, 2011, as Application No. 1607297.

3. ATCO stated that the “To Location” LSD was amended to reflect accurate information on the pipeline licence.

2 Findings

4. The Commission finds that amending the “To Location” LSD from 12 to 13 on Line 10 is necessary to reflect the actual operation in the pipeline database.

5. The Commission has reviewed the application and determined that it meets the requirements as stipulated in AUC Rule 020: *Rules Respecting Gas Utility Pipelines*.

6. Based on the foregoing, the Commission considers the amendment to be in the public interest in accordance with Section 17 of the *Alberta Utilities Commission Act*.

3 Decision

7. Pursuant to Section 11 of the *Pipeline Act* and Section 4.1 of the *Gas Utilities Act*, the Commission approves the amendment to Permit and Licence No. 5359 and grants ATCO the amended permit and licence as set out in Appendix 1 – Permit and Licence No. 5359 – May 17, 2011 (Appendix 1 will be distributed separately).

Dated on May 17, 2011.
