Proceeding ID No. 1330**Record amendment application**

ATCO Gas and Pipelines Ltd. (South) (ATCO), by Application No. 1607468 registered on July 6, 2011 (the application), filed an application with the Alberta Utilities Commission (AUC or the Commission) under Section 12 of the *Pipeline Act* and Section 4.1 of the *Gas Utilities Act* to delete Line 8 from Permit and Licence No. 4464. Pipeline 8 is 0.04 kilometres of 60.3 millimetre pipe, located in Township 029, Range 22, west of the Fourth Meridian. Since pipeline 8 is wholly contained on a surface lease, a licence is not required for this pipeline. The proposed amendment is related to facilities previously constructed and operating in accordance with approvals granted in Permit and Licence No. 4464.

The Commission notes that ATCO has provided information respecting the need, nature and extent of the pipeline record amendment. Since the record amendment does not involve a ground disturbance, there will be no environmental impact.

Based upon the information provided, ATCO has demonstrated that the proposal is of a minor nature, no other person will be directly affected by the proposal and no adverse environmental impact will be caused by the proposed record amendment.

The Commission approves the application. The amended permit and licence is attached.
