Application No. 1607783
Proceeding ID No. 1512****Record amendment application**

ATCO Gas and Pipelines Ltd. (South) (ATCO), by Application No. 1607783 registered on October 19, 2011, filed an application with the Alberta Utilities Commission (AUC or the Commission) under Section 12 of the *Pipeline Act* and Section 4.1 of the *Gas Utilities Act* to add an existing pipeline to Permit and Licence No. 3861.

ATCO stated that, after reviewing their records, it was determined that a small lateral pipeline was installed in 1976 and was not licenced at the time of construction.

ATCO provided information respecting the need, nature and extent of the pipeline record amendment. Since the record amendment does not involve a ground disturbance, there will be no environmental impact.

Based upon the information provided, ATCO has demonstrated that the proposal is of a minor nature, no other person will be directly affected by the proposal and no adverse environmental impact will be caused by the proposed record amendment.

The Commission approves the application. The amended permit and licence is attached.
