**ATCO GAS AND PIPELINES LTD. (SOUTH)
RECORD CORRECTION
AMENDMENT TO REFLECT ACCURATE
INFORMATION ON THE PIPELINE LICENCE**

**Decision 2010-617
Application No. 1606849
Proceeding ID. 1003**

1 INTRODUCTION

1. ATCO Gas and Pipelines Ltd. (South) (ATCO) filed an application with the Alberta Utilities Commission (Commission) seeking approval of an amendment to Permit and Licence No. 1950 as follows:

- Re-instate a portion of Line 119;

(Proposed Amendment).

2 BACKGROUND

2. The application was registered on December 15, 2010 as Application No. 1606849 (Application).

3. ATCO stated that after reviewing the 'As Built' information it was determined that a portion of Line 119 could not safely be removed from the rock face. It was therefore decided, at the time of construction, to only remove the exposed portions of pipeline and leave the remaining 110 meters abandoned in place.

4. ATCO stated that a participant involvement program was conducted and that there were no outstanding public or industry objections or concerns.

5. ATCO stated that the proposed amendment was necessary to reflect accurate information on the pipeline licence.

3 DISCUSSION

6. The Commission has reviewed the Application and has determined that it meets the requirements as stipulated in *AUC Rule 020*.

7. The Commission considers the Proposed Amendment to be in the public interest because it is necessary to reflect accurate information on the pipeline licence.

4 DECISION

8. Pursuant to section 11 of the *Pipeline Act* and section 4.1 of the *Gas Utilities Act*, the Commission approves the amendment to Permit and Licence No. 1950 and grants the Applicant the amended Permit and Licence as set out in Appendix 1 – Gas Utility Pipeline - Record Correction – Permit and Licence No. 1950 – December 22, 2010 (Appendix 1 will be distributed separately).

Dated on December 22, 2010.
