

MADE at the City of Calgary, in the Province of Alberta, on 21st day of July 2004.	 ALBERTA ENERGY AND UTILITIES BOARD
AltaGas Utilities Inc. Amendment to Rider A and B with respect to the Town of Calmar.	Application No. 1345045 File No. 6675 – C2 - 1

AltaGas, a division of AltaGas Utilities Inc. (AltaGas) applied to the Alberta Energy and Utilities Board (the EUB) for an Order approving an amendment to Rate Rider “A” (surcharge for a franchise fee). This allows the franchise fee in the Town of Calmar (the Town) to be changed from 3.1 per cent of the gross revenue of AltaGas derived from the sale of natural gas within the Town to 20 per cent of the revenue of AltaGas from the delivery of natural gas within the Town, but excluding revenue derived from the cost of gas.

AltaGas has also applied for a change to Rate Rider “B” which recovers municipal taxes. AltaGas will provide an estimate of the municipal taxes to be collected for the Town after the Town completes the third reading of its by-law.

Notice of the application was published in conjunction with the Notice for the Town’s application for renewal of its franchise agreement with AltaGas Utilities Inc. and no objections were received. AltaGas has given the EUB consent to proceed with the application without a hearing.

The Board notes that these changes in rates result from the provisions included in the franchise agreement between the Town of Calmar and AltaGas, which was approved in Order U2004-240 issued in conjunction with this order. The franchise fee provisions included in the Agreement allow the Town to change the level of the franchise fee once annually within a cap of 35 per cent. Clause 4.c) of the Franchise Agreement includes a requirement for the Town to publish notice prior to any change in the level of the fee.

The Alberta Energy and Utilities Board, pursuant to the *Gas Utilities Act*, R.S.A. 2000, c. G-5, hereby orders as follows:

1. Application No. 1345045 by AltaGas dated May 7, 2004, is approved, subject to the terms and conditions herein contained.
