2016 capital tracker true-up application

Proceeding 22710 AltaGas Utilities Inc.

The Alberta Utilities Commission, the independent utilities regulator, will be considering the application for AltaGas Utilities Inc.'s 2016 capital tracker true-up to ensure that the delivery of Alberta's utility service takes place in a manner that is fair, responsible and in the public interest. If you feel you may be affected by this application, you can provide input to the AUC to review before it makes its decision.

Written submissions are due June 13, 2017.

To register your concerns, or your support for the application, please visit the AUC website and log in to the eFiling System to file your submission for Proceeding 22710. If you do not have access to the Internet, send your name, address, phone number, organization you are representing, description of your interest in the proceeding, position including information in support of the position and reasons why the AUC should decide in the manner recommended, and whether further process is required. If no written submissions are received, the Commission may make its decision without further notice or process.

To learn more about the application and review process, contact:
Paul Howard at 403-592-4365 or email your questions to paul.howard@auc.ab.ca.

The application, and any associated documents being reviewed, are publicly available on our website. Alternatively, you may contact the applicant's representative, AUI Regulatory Affairs at 780-986-5215 or by email at regulatory@agutl.com for further details about what is being applied for, or for a copy of the application.

Privacy

To support an open and transparent process, information you send to the AUC will be publicly available through the AUC's eFiling System. If there is confidential information you would like to file, a request must be made in advance of filing your submission.
