Application 22955-A001

Record amendment application

1. ATCO Gas and Pipelines Ltd. (ATCO), by Application 22955-A001 registered on September 19, 2017, filed an application with the Alberta Utilities Commission under Section 12 of the *Pipeline Act* and Section 4.1 of the *Gas Utilities Act* to amend the “From Location” facility code of line 72 from compressor station, CS, to meter regulating station, MR, in the Lethbridge area. The proposed amendment is related to facilities previously constructed and operating in accordance with approvals granted in Licence 2027. The compressor installation at this site was removed under approvals granted in Decision 22627-D01-2017.¹
2. ATCO provided information respecting the need, nature and extent of the pipeline record amendment. Since the record amendment does not involve a ground disturbance, there will be no environmental impact.
3. Based upon the information provided, ATCO has demonstrated that the proposal is of a minor nature, no other person will be directly affected by the proposal and no adverse environmental impact will be caused by the proposed record amendment.
