**Record Amendment in the City of Edmonton**  
**Licence 7231**  
**Proceeding 23432**  
**Application 23432-A001**

**Record amendment**

1. ATCO Gas and Pipelines Ltd. (ATCO), by Application 23432-A001 registered on March 21, 2018, filed an application with the Alberta Utilities Commission under Section 12 of the *Pipeline Act* and Section 4.1 of the *Gas Utilities Act* for the following in the city of Edmonton:

- pipe status amendment of line 8 from operating to abandoned
- mapping amendment of line 8

2. The proposed amendment is related to facilities previously constructed in accordance with approvals granted in Licence 7231.

3. ATCO stated that, after reviewing its records, it was determined that line 8 of Licence 7231 was abandoned in 2006, and therefore has missed the 90-day notification window allowed by the AUC. Therefore, ATCO has applied to amend the pipeline licence to accurately reflect the record of this pipeline.

4. ATCO provided information respecting the need, nature and extent of the pipeline record amendment. Since the record amendment does not involve a ground disturbance, there will be no environmental impact.

5. Based upon the information provided, ATCO has demonstrated that the proposal is of a minor nature, no other person will be directly affected by the proposal and no adverse environmental impact will be caused by the proposed record amendment.

6. The Commission approves the application. The amended licence is attached.
