**Southeast Calgary Connector Pipeline
Licence 18438
Proceeding 24238
Application 24238-A001**

Record amendment

1. ATCO Gas and Pipelines Ltd. (ATCO), by Application 24238-A001, registered on January 14, 2019, filed an application with the Alberta Utilities Commission under Section 12 of the *Pipeline Act* and Section 4.1 of the *Gas Utilities Act* to amend the length of lines 19, 20, 21, 22, 23, 24, 25, 27, 28, 29, 30, 31, 33, 35 and 36 in the city of Calgary.
2. The proposed amendment relates to facilities previously constructed in accordance with approvals granted in Licence 18438. ATCO stated that after reviewing its as-built information, it determined that Licence 18438 did not reflect the correct length of lines 19, 20, 21, 22, 23, 24, 25, 27, 28, 29, 30, 31, 33, 35 and 36. Therefore, ATCO applied to amend the pipeline licence to accurately reflect the record of these pipelines.
3. ATCO provided information respecting the need, nature and extent of the pipeline record amendment. Since the record amendment does not involve a ground disturbance, there will be no environmental impact.
4. Based upon the information provided, the Commission is satisfied that the proposal is of a minor nature, no other person will be directly and adversely affected by the proposal and no adverse environmental impact will be caused by the proposed record amendment.

5. The Commission approves the application. The amended licence is attached.
