(TMUS) filed for a rate change for natural gas service to customers in the Sun Rivers Resort Community near Kamloops, BC (Sun Rivers) to reflect changes in the natural gas delivery tariff from its supplier, FortisBC Energy Inc. (FEI) effective June 1, 2012. In the Application, Corix requests a decrease in the natural gas delivery charge of 4.3 percent for residential customers and 4.2 percent for commercial customers in Natural Gas Tariff Rate Schedules of Sun Rivers;

This flow-through rate adjustment mechanism for Sun Rivers amends the natural gas basic charge, delivery charges and gas cost recovery charge in order to maintain customer rates at levels equivalent to those of FEI, adjacent to Sun Rivers, subject to the filing of the amended rates with the Commission within 10 business days of the effective date of the changes to FEI rates, and subject to review by the Commission in the event of a complaint by an interested party within 60 days of the effective date of the amended rates;
- D. Corix updated natural gas tariffs for Sun Rivers on June 18, 2012, with an effective date of June 1, 2012;
- E. The Corix filing does not comply with the flow-through rate adjustment mechanisms approved by Order G-68-05.
