### **ORDER**

#### **WHEREAS:**

- A. On March 29, 2011, FortisBC Energy Inc. (FEI) filed an application with the British Columbia Utilities Commission (Commission) for the approval of the FEI – Revelstoke Service Area Price Risk Management Plan 2011-2012 (the Revelstoke 2011/12 PRMP);
- B. FEI indicated that the compliance filing directed by Commission Order E-22-10 and related to the financial results of the 2010-2011 Price Risk Management Plan for the Revelstoke Service Area (the Compliance Filing) would be filed by June 30, 2011;
- C. On April 4, 2011, FEI filed an application indicating the Compliance Filing would be filed with the Commission by mid-April 2011 and, in the interim, requesting expedited limited acceptance of the Revelstoke 2011/12 PRMP to allow FEI to purchase its 2011-2012 propane storage capacity, and the May 2011 propane commodity for storage and the May forward fixed price propane purchase;
- D. FEI requests that the documents associated with the Revelstoke 2011/12 PRMP remain confidential;
- E. The Commission reviewed the FEI filing and is satisfied that the requested expedited limited acceptance of the Revelstoke 2011/12 PRMP, except for the May forward fixed price propane purchase, is appropriate and in the public interest.
