#### **ORDER**

#### **WHEREAS:**

- A. On March 31, 2011, FortisBC Energy Inc. and FortisBC Energy (Vancouver Island) Inc. (FEI/FEVI, the Companies) submitted their Energy Efficiency and Conservation (EEC) Program 2010 Annual Report as a compliance filing in accordance with British Columbia Utilities Commission (Commission) Order G-36-09. In the cover letter to the Report, FEI/FEVI request the Commission address the Companies' use of EEC funds as incentives for Natural Gas Vehicles (NGVs) at the earliest possible date;
- B. On April 18, 2011, the Commission issued Letter L-30-11 which indicated the Commission would initiate a regulatory process to review the Companies' use of EEC funds as NGV incentives (the Review Proceeding);
- C. By Order G-70-11 dated April 20, 2011, the Commission established a Regulatory Timetable for the written hearing of the Review Proceeding;
- D. The written process for the Review Proceeding concluded with the filing of the Companies' Reply Submission on June 16, 2011;
- E. On August 15, 2011, the Commission Panel issued Order G-145-11 with Reasons for Decision regarding the Companies' use of EEC funds as incentives for Natural Gas Vehicles;
- F. On June 24, 2011, the Commercial Energy Consumers Association of British Columbia (CEC) applied for Participant Assistance/Cost Award (PACA) funding with respect to its participation in the proceeding;
- G. On July 13, 2011, the BC Sustainable Energy Association (BCSEA) applied for PACA funding with respect to its participation in the proceeding;
- H. By letter dated September 27, 2011, FEI/FEVI advised the Commission that in their view, the PACA applications are not unreasonable and they have no objection to the amounts sought therein;
