WHEREAS:

- A. On December 19, 2012, FortisBC Energy Inc. (FEI) filed an application with the British Columbia Utilities Commission (Commission) seeking approvals for the continuation of the Biomethane Program on a permanent basis with certain modifications (the 2012 Biomethane Application);
- B. On July 11, 2013, FEI requested an extension to the following deadlines established in the Revised Regulatory Timetable issued by Order G-53-13 on April 10, 2013: FEI's Final Argument, Intervener Final Arguments, and FEI's Reply Argument each by three business days.
- C. FEI's July 11, 2013 submissions indicated that consultation with the Interveners in the proceeding occurred and confirmed that all Interveners support the request to extend the Regulatory Timetable by three business days;
- D. The Commission reviewed the request and the noted support of all Interveners and considers revision of the Regulatory Timetable is warranted for the review of the 2012 Biomethane Application.
