ORDER

WHEREAS:

- A. By Order G-88-11, the British Columbia Utilities Commission (Commission) approved for FortisBC Energy Inc. (FEI) (then Terasen Gas Inc.) market-based commodity rates for the 2011/12 gas contract year;
- B. In Order G-88-11, the Commission ordered that in the event FEI applies in the future to continue Rate Schedule 14A beyond the 2011/12 gas contract year, it will address whether the Rate Schedule should be approved in a form that permits it to continue in effect from year to year;
- C. On August 16, 2012, FEI filed an application regarding Rate Schedule 14A (Application) for approval of the continuation of market-based commodity rates and the continuation of Rate Schedule 14A tariff in a form that permits it to continue to be in effect from year to year without the requirement to file an annual Application;
- D. On October 12, 2012, FEI filed further revisions to the proposed Rate Schedule 14A tariff (Revised Rate Schedule 14A Tariff) in response to comments raised by Commission staff;
- E. The Commission has considered the Application as revised in the October 12, 2012 filing and is satisfied that the Revised Rate Schedule 14A should be approved.
