Dear Mr Dyble:

**TransCanada PipeLines Limited (TransCanada)  
Application for the Greater Golden Horseshoe Facilities Project (Project)  
under section 58 of the *National Energy Board Act* (NEB Act)  
Legislated Time Limit and Decision on Process**

On 25 February 2015, the National Energy Board (Board or NEB) received an application from TransCanada (the Application) for the Project.

Following its review of the Application, on 19 March 2015, the Board determined that the Application was complete, and may proceed through the assessment process. The Application has been assigned a Category B designation. The Chair has specified that the time limit for the Board to issue an order or dismiss the Application under subsection 58(4) is 210 days. The time limit represents the maximum time in which the Board will complete its assessment from today's date, subject to any modifications allowed under the NEB Act.

If you have any questions about this letter, please contact Susan Baker, Acting Director, at 403-299-3727, or through the Board's toll-free number at 1-800-899-1265.

Yours truly,
