Dear Mr. Bowman:

**TransCanada PipeLines Limited (TransCanada)  
New Delivery Point on Mainline System**

On 5 October 2006, TransCanada filed an application with the National Energy Board requesting approval to add the Montreal East delivery point to the Société en commandite Gaz Métro (GMi) Eastern Delivery Area.

By letter dated 13 October 2006, the Board sought comments on TransCanada's application. Comments in support of the application were received from the Industrial Gas Users Association, Enbridge Gas Distribution Inc. and Société en commandite Gaz Métro. There were no letters of comment filed in opposition to the application. TransCanada, in a letter dated 19 October 2006, recommended that the Board approve the application as filed.

The Board has decided to approve the addition of the Montreal East delivery point to the GMi Eastern Delivery Area. TransCanada is directed to serve a copy of this letter and Order TG-07-2006 on its Tolls and Task Force (TTF) Members and its Mainline shippers.

Yours truly,
