Dear Mr. Sondergard, Mr. Leung and Ms. Scott:

TransCanada PipeLines Limited (TransCanada) – Application for approval of Amended Interim Tolls for the TransCanada Mainline effective 1 June 2008

The National Energy Board has examined TransCanada's application dated 9 May 2008 for approval of amended Mainline Interim Tolls to be effective 1 June 2008. This application is supported by Unopposed Tolls Task Force (TTF) Resolution 05.2008.

The Board has decided to approve the amended interim tolls as filed and directs that they be made effective 1 June 2008, pending a final order by the Board concerning TransCanada's 2008 Mainline Tolls.

The Board notes that TTF Resolution 05.2008 contemplates the establishment of a final 2008 revenue requirement and final tolls effective 1 July 2008 in addition to the interim toll amendment. The Board will consider these matters upon receiving TransCanada's final tolls application and may establish a comment period prior to issuing a final toll order.

TransCanada is directed to serve forthwith a copy of this letter and Order AO-04-TGI-01-2007 on all of its Mainline shippers and TTF Members.

Yours truly,

Claudine Dutil-Berry
Secretary of the Board
