Dear Mr. Sondergard:

**TransCanada PipeLines Limited (TransCanada)
Application for approval of Amendments to Interim Tolls for the TransCanada
Mainline effective 1 January 2008**

The Board has examined TransCanada's application dated 8 February 2008 for approval of amendments to the interim tolls for service on its Mainline gas transmission system effective 1 January 2008, to correct for minor errors made in calculating the interim tolls that were approved by the Board through Order TGI-01-2007 dated 3 December 2007, and subsequently varied by the Board through Order AO-01-TGI-01-2007 dated 12 February 2008.

The Board has decided to approve the proposed amended interim tolls as filed and directs that they be made effective 1 January 2008. Please find enclosed a copy of Order AO-02-TGI-01-2007 which gives effect to this decision.

TransCanada is directed to serve a copy of this letter and the enclosed Order on its Mainline shippers and TTF Members.

Yours truly,
