**IN THE MATTER OF** the *Ontario Energy Board Act*,  
1998, S.O.1998, c.15, Schedule B;

**AND IN THE MATTER OF** an application pursuant to  
section 74 by Innisfil Hydro Distribution Systems  
Limited to amend electricity distribution licence ED-  
2002-0520.

By delegation, before: Peter Fraser

## **DECISION AND ORDER**

**December 4, 2014**

On September 17, 2014, Innisfil Hydro Distribution Systems Limited (“Innisfil”) filed an application with the Board pursuant to section 74 of the *Ontario Energy Board Act, 1998* (the “Act”) to amend electricity distribution licence ED-2002-0520. The Board assigned the application file number EB-2014-0297.

The current name that appears on electricity distribution licence ED-2002-0520 is Innisfil Hydro Distribution Systems Limited. The applicant requested a name change from Innisfil Hydro Distribution Systems Limited to Innpower Corporation to reflect a change in the legal name of the licensee. The applicant provided executed articles of amendment in support of the name change which occurred on November 4, 2014. The name change is part of a rebranding process reflecting Innisfil being a multi-municipal power company (servicing Innisfil and South Barrie) and the applicant’s move to the new Corporate Headquarters.

The applicant stated that there will be no change in the company information apart from the name change and the company address. The applicant indicated that it is in the process of notifying its customers and stakeholders of the name change.

I have proceeded to decide the application without a hearing pursuant to section 21(4)(b) of the Act since no other parties are adversely affected in a material way by the outcome of the proceeding, and the applicant has consented to disposing of the application without a hearing.

I find that it is in the public interest to grant the requested amendment to the licence.

**IT IS THEREFORE ORDERED THAT:**

1. The name on electricity distribution licence ED-2002-0520 is amended to be Innpower Corporation. The amended licence is attached to this Order.
