**Decision and Order**

Hospital Energy, LLC filed an application on November 13, 2015 with the Ontario Energy Board (OEB), under section 50 of the *Ontario Energy Board Act, 1998* for a Gas Marketer Licence as an Agent Only. The licence would allow the applicant to act as an agent or broker with respect to the sale of natural gas to low volume consumers in Ontario.

A Notice of Application and Written Hearing was posted on the OEB's website on November 23, 2015. The Notice provided time for submissions on the application evidence, as well as responses from the applicant. No parties responded to the Notice.

This Decision and Order is being issued by Delegated Authority, pursuant to Section 6 of the Act.

After considering the evidence, I find it to be in the public interest to issue a Gas Marketer Licence as an Agent Only to Hospital Energy, LLC.

**IT IS ORDERED THAT:**

1. The application for an Agent Only Gas Marketer licence is granted, on such conditions as are contained in the attached licence.
