DECISION AND ORDER

EB-2016-0026

EN-POWERED INC.

Application for a Gas Marketer Licence

BY DELEGATION, BEFORE: **Peter Fraser**
Vice President, Industry Operations & Performance

June 9, 2016

Decision and Order

En-Powered Inc. filed an application on January 25, 2016 with the Ontario Energy Board (OEB), under section 50 of the *Ontario Energy Board Act, 1998* for a Gas Marketer Licence. The licence would allow the applicant to market natural gas to low volume consumers in Ontario.

A Notice of Application and Written Hearing was posted on the OEB's website on April 19, 2016. The Notice provided time for interrogatories and submissions on the application evidence, as well as responses from the applicant. No parties responded to the Notice and the Written Hearing.

This Decision and Order is being issued by Delegated Authority, pursuant to Section 6 of the Act.

After considering the application, I find it to be in the public interest to issue a Gas Marketer Licence to En-Powered Inc. I am issuing this Gas Marketer Licence for a period of two years. As a new entrant to the market, the applicant should use the next two years to demonstrate that it is a reliable participant in the natural gas market.

IT IS ORDERED THAT:

1. The application for a Gas Marketer Licence is granted, on such conditions as are contained in the attached Licence.

DATED at Toronto, June 9, 2016
