IN THE MATTER OF the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, (Schedule B);

AND IN THE MATTER OF an application under section 60 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, Schedule B to renew Energhx Green Energy Corporation's electricity retailer licence;

AND IN THE MATTER OF an application under section 50 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, Schedule B to renew Energhx Green Energy Corporation's gas marketer licence.

DECISION AND PROCEDURAL ORDER No. 1

Energhx Green Energy Corporation, carrying on business as Energhx Consulting ("Energhx") filed an application with the Ontario Energy Board, received on June 8, 2010, under section 60 of the *Ontario Energy Board Act, 1998* ("The Act"), S.O. 1998, c. 15, Schedule B to renew its electricity retailer licence. Energhx also filed an application under section 50 of the Act to renew its gas marketer licence. The Board has assigned the applications file numbers EB-2010-0236 and EB-2010-0237, respectively.

The licences that are the subject of the renewal applications were issued to the applicant on October 22, 2009 and remain in force until October 21, 2010. The current licenses will expire prior to final determination of the renewal applications. The licences provide that the term may be extended by the Board.

Considering the time required to process an application in accordance with the Board's established practice and procedures, I find that it is in the public interest to make an order extending the term of licence ER-2009-0189 and the term of licence GM-2009-0188 until such time as the renewal application is determined or December 31, 2010,

whichever is earlier. The applicant should note that this decision does not constitute a final decision on the applications.

The Board issued Notice of Application and Hearing for both proceedings on September 7, 2010. No parties responded to the Notice.

The Board has decided to proceed by way of written hearing and considers it necessary to make provision for the following procedural matters. Please note that this Procedural Order may be amended, and further procedural orders may be issued from time to time.

THE BOARD ORDERS THAT:

1. The term of the electricity retailer licence ER-2009-0189 is extended until the final determination of the renewal application or December 31, 2010 whichever is earlier.
2. The term of the gas marketer licence GM-2009-0188 is extended until the final determination of the renewal application or December 31, 2010 whichever is earlier.
3. If Board staff wishes to receive information and material from Energhx that is in addition to information filed by Energhx with the Board, and that is relevant to the hearing, Board staff shall request it by written interrogatories filed with the Board and delivered to Energhx on or before **October 6, 2010**.
4. Energhx shall file with the Board complete responses to the interrogatories no later than **October 20, 2010**.
5. If Board staff wishes to make a submission, Board staff must file that submission with the Board, and deliver it to the applicant by **November 3, 2010**.
6. If Energhx wishes to file a response to a submission, the response must be filed with the Board by **November 17, 2010**.

All filings to the Board must quote file numbers EB-2010-0236 and EB-2010-0237, be made through the Board's web portal at www.errr.oeb.gov.on.ca, and consist of two paper copies and one electronic copy in searchable/unrestricted PDF format. Filings must clearly state the sender's name, postal address and telephone number, fax number

and e-mail address. Please use the document naming conventions and document submission standards outlined in the RESS Document Guideline found at www.oeb.gov.on.ca. If the web portal is not available you may email your document to the address below.
