Dear Mr. Poch :

Re: RP-2002-0120 - Eligibility for Cost Award

The Board has reviewed your letter of July 29, 2002 and finds that the Green Energy Coalition ("GEC"), the Canadian Institute of Environmental Law and Policy ("CIELA") and Ontario Sustainable Energy Association ("OSEA") are eligible for an award of costs according to section 3 of the Board's Practice Direction on Cost Awards.

GEC, CIELAP and OSEA are requested to file by December 5, 2003, your cost submissions for Phase I in the Board approved format, and to serve a copy on Hydro One.

Hydro One should file any objections to the cost submission, and serve it on the intervenor, by Dec 14, 2003.

The Board will review the submissions and any objections and issue its order in due course.

Yours truly,

10
