

EB-2012-0449

IN THE MATTER OF the *Ontario Energy Board Act*,
1998, S.O.1998, c.15, Schedule B;

AND IN THE MATTER OF an application by Atomic
Energy of Canada for an electricity wholesaler
licence.

By delegation, before: Adrian Pye

DECISION AND ORDER
December 6, 2012

Atomic Energy of Canada Limited filed an application on November 20, 2012 with the Ontario Energy Board under section 60 of the Ontario Energy Board Act, 1998 for an electricity wholesaler licence. The Board has assigned the application file number EB-2012-0449.

In order to purchase electricity in the IESO administered markets to support its operations, the applicant requires an electricity wholesaler licence.

I have proceeded to decide the application without a hearing pursuant to section 21(4)(b) of the Act since no other parties are adversely affected in a material way by the outcome of the proceeding, and the applicant has consented to disposing of the application without a hearing. This approach is consistent with the one adopted by the Board in the applicant's previous wholesaler licence renewal application, EB-2007-0830.

After considering the application, it has been found to be in the public interest to issue the electricity wholesaler licence under Part V of the Act.

IT IS THEREFORE ORDERED THAT:

The application for an electricity wholesaler licence is granted, on such conditions as are contained in the attached licence.

DATED at Toronto, December 6, 2012.
