## **DECISION AND ORDER**

**January 16, 2014**

On October 28, 2013, Amerex Brokers LLC filed a complete application with the Ontario Energy Board under section 50 of the *Ontario Energy Board Act, 1998* for a gas marketer licence, and a complete application for an electricity retailer licence under section 60 of the Act. The Board assigned the applications file numbers EB-2013-0329 and EB-2013-0330, respectively. Due to their similar nature, the applications were combined into one proceeding pursuant to section 21(5) of the Act.

The Board's combined Notice of Application and Written Hearing for a gas marketer licence and electricity retailer licence was posted on November 15, 2013. No parties responded to the Notice of Application and Written Hearing.

After considering the applications, I find that it is in the public interest to grant a gas marketer licence and an electricity retailer licence under Parts IV and V of the Act.

**IT IS THEREFORE ORDERED THAT:**

1. The application for a gas marketer licence is granted, on such conditions as are contained in the attached licence.
2. The application for an electricity retailer licence is granted, on such conditions as are contained in the attached licence.
