RE: *Application for Review of the Certification Order of the American Federation of Musicians of the United States and Canada*

Dear Mr. Lebi :

A panel of the Canadian Artists and Producers Professional Relations Tribunal convened on September 22, 2010 to consider the request from the American Federation of Musicians of the United States and Canada to amend their certifications orders to reflect the change of name.

The Tribunal has requested that I inform you that it has granted the American Federation of Musicians of the United States and Canada's request to amend its certification orders issued by the Tribunal, to reflect their new operating name. The amended certification orders have not altered the scope, substance or timeframe of the certification orders. Attached are the French and English versions of the amended certification orders.

Sincerely,

Diane Chartrand
Executive Director and General Counsel
