Professional Relations Tribunal

Tribunal canadien des relations  
professionnelles artistes-producteurs

CANADA

## CERTIFICATION ORDER

The Canadian Artists and Producers Professional Relations Tribunal hereby grants  
to

**la Société professionnelle des auteurs et des compositeurs  
du Québec (SPACQ)**

a sector composed of all independent contractors engaged in a production in Québec, by a producer subject to the *Status of the Artist Act*, with the exception of a national private English-language broadcaster, to perform the function of lyricist, composer and lyricist-composer, including the work required for those positions for delivering the music and/or songs commissioned by the producer. In the case of the National Film Board of Canada (“NFB”), a “production in Québec” shall mean a production initiated by an NFB production centre located in Québec. In the case of the Canadian Broadcasting Corporation, a “production in Québec” shall mean a production initiated by one of its establishments located in Québec.
