(Delivered from the Bench at St. John's, Newfoundland and Labrador, on October 2, 2018).

NADON J.A.

[1] We are all agreed that the evidence which the appellant seeks to introduce in this appeal does not meet the applicable test. More particularly, it is our view that the evidence is not relevant to the question to be determined in the appeal.

[2] Consequently, the appellant's motion will be dismissed with costs.
