**The 2003 amendment,** effective April 4, 2003, substituted "22 NMSA 1978" for "77 NMSA 1953" following "Chapter" at the beginning of the section.

**Compiler's notes.** — Laws 2003, ch. 143, § 3 would have repealed Article 1 of Chapter 22 NMSA 1978 effective July 1, 2004. The repeal of this article of Chapter 22 was contingent upon the adoption of an amendment to Article 12, Section 6 of the constitution which was approved at a special election held September 23, 2003. However, the repeal of Article 1 did not take effect, as prior to the July 1, 2004 effective date of the repeal of this article, Laws 2004, ch. 27, § 29, effective May 19, 2004, repealed Laws 2003, ch. 143, § 3.

**Public School Code.** — This section, as it appeared in 1953 Comp., provided that "Chapter 77 NMSA 1953 may be cited as the 'Public School Code.'" When the New Mexico Statutes Annotated were recompiled in 1978, sections in former Chapter 77 were renumbered as present Chapter 22 (excluding 22-4-16, 22-9-7 to 22-9-16 and Articles 13A and 18A NMSA 1978) and present 11-8-1 to 11-8-11 NMSA 1978.

## **22-1-1.1. Legislative findings and purpose.**

A. The legislature finds that, although New Mexico has been in the forefront of educational reforms in many areas, additional improvements are necessary to enhance and upgrade the delivery of quality education in New Mexico.

B. The legislature further finds that enhancement of the educational system in New Mexico requires a renewed emphasis on the primary grades, recognizing especially the importance of the first grade to a child's future educational career.

C. The legislature further finds that teachers and administrators play a key role in any reform efforts and acknowledges their importance in the educational process.

D. The legislature further finds that the smorgasbord curriculum offered in many schools fails to provide students with the basic educational background necessary to provide them with indispensable life skills.

E. The legislature further finds that discipline in the schools is essential to provide an atmosphere conducive to effective learning.

F. It is the purpose of this reform legislation, among other things, to stress the importance of substantive academic subjects, provide for a greater emphasis on the primary grades, upgrade curriculum and graduation requirements, systematically evaluate instructional improvement and student progress, increase parental involvement

in the public schools and recognize that teachers should be treated like other professionals.

History: Laws 1986, ch. 33, § 1.

## **ANNOTATIONS**

**Compiler's notes.** — Laws 2003, ch. 143, § 3 would have repealed Articles 1, 2, 13, 13A and 15 of Chapter 22 NMSA 1978 effective July 1, 2004. The repeal of these articles of Chapter 22 was contingent upon the adoption of an amendment to Article 12, Section 6 of the constitution which was approved at a special election held September 23, 2003. However, the repeal of Articles 1, 2, 13, 13A and 15 of ch. 22 did not take effect, as prior to the July 1, 2004 effective date of the repeal of these articles, Laws 2004, ch. 27, § 29, effective May 19, 2004, repealed Laws 2003, ch. 143, § 3.

### **22-1-1.2. Legislative findings and purpose.**

A. The legislature finds that no education system can be sufficient for the education of all children unless it is founded on the sound principle that every child can learn and succeed, and the system must meet the needs of all children by recognizing that student success for every child is the fundamental goal.

B. The legislature finds further that the key to student success in New Mexico is to have a multicultural education system that:

(1) attracts and retains quality and diverse teachers to teach New Mexico's multicultural student population;

(2) holds teachers, students, schools, school districts and the state accountable;

(3) integrates the cultural strengths of its diverse student population into the curriculum with high expectations for all students;

(4) recognizes that cultural diversity in the state presents special challenges for policymakers, administrators, teachers and students; and

(5) elevates the importance of public education in the state by clarifying the governance structure at different levels.

C. The legislature finds further that the teacher shortage in this country has affected the ability of New Mexico to compete for the best teachers, and that unless the state and school districts find ways to mentor beginning teachers, intervene with teachers while they still show promise, improve the job satisfaction of quality teachers and elevate the teaching profession by shifting to a professional educator licensing and

salary system, public schools will be unable to recruit and retain the highest quality teachers in the teaching profession in New Mexico.

D. The legislature finds further that a well-designed, well-implemented and well-maintained assessment and accountability system is the linchpin of public school reform and must ensure that:

(1) students who do not meet or exceed expectations will be given individual attention and assistance through extended learning programs and individualized tutoring;

(2) teachers who do not meet performance standards must improve their skills or they will not continue to be employed as teachers;

(3) public schools make adequate yearly progress toward educational excellence; and

(4) school districts and the state are prepared to actively intervene and improve failing public schools.

E. The legislature finds further that improving children's reading and writing abilities and literacy must remain a priority of the state.

F. The legislature finds further that the public school governance structure needs to change to provide accountability from the bottom up instead of from the top down. Each school principal, with the help of school councils made up of parents and teachers, must be the instructional leader in the public school, motivating and holding accountable both teachers and students. Each local superintendent must function as the school district's chief executive officer and have responsibility for the day-to-day operations of the school district, including personnel and student disciplinary decisions.

G. It is the purpose of this 2003 public school reform legislation to provide the framework to implement the legislative findings to ensure student success in New Mexico.

History: 1978 Comp., § 22-1-2.1, enacted by Laws 1985, ch. 21, § 2; 1993, ch. 62, § 2; 1993, ch. 226, § 1; 2001, ch. 62, § 1.

### **ANNOTATIONS**

**Emergency clauses.** — Laws 2003, ch. 153, § 74 makes the act effective immediately. Approved April 4, 2003.

**Temporary provisions.** — Laws 2003, ch. 153, § 70, effective April 4, 2003, provides that the commission on higher education and the state department of public education shall inventory the current distance learning capability of public post-secondary

educational institutions and prepare a statewide plan for the delivery by public post-secondary educational institutions of distance education courses for teachers and other licensed school employees in reading instruction for kindergarten through third grade and multilingual instruction in elementary and secondary schools. The inventory plan, including funding recommendations, shall be submitted to the legislative education study committee by October 1, 2004.

**Compiler's notes.** — Laws 2003, ch. 143, § 3 would have repealed Article 1 of Chapter 22 NMSA 1978 effective July 1, 2004. The repeal of Article 1 of Chapter 22 was contingent upon the adoption of an amendment to Article 12, Section 6 of the constitution which was approved at a special election held September 23, 2003. However, the repeal of Article 1 of Chapter 22 did not take effect, as prior to the July 1, 2004 effective date of the repeal of these articles, Laws 2004, ch. 27, § 29, effective May 19, 2004, repealed Laws 2003, ch. 143, § 3.

second or third priority, the public school shall establish a waiting list. As classroom space becomes available, persons highest on the waiting list within the highest priority on the list shall be notified and given the opportunity to enroll."

Because Laws 2001, ch. 239 was approved earlier on April 4, 2001, this section is set out as amended by Laws 2001, ch. 244, § 1. See 12-1-8 NMSA 1978.

**The 2003 amendment**, effective April 4, 2003, substituted "assessment and accountability system" for "and local school district testing programs as determined by the state superintendent or both" at the end of Subsection D; substituted "students" for "persons" following "first," near the beginning of Subsection E(3)(a); rewrote former Subsections E(3)(b) and E(3)(c) to create present Subsections E(3)(b), E(3)(c) and E(3)(d); in Subsection F deleted "second and" preceding "third" near the middle, inserted "and fourth" following "third" near the middle, deleted "(b) and" following "Subparagraphs" near the end and inserted "and (d)" following "(c)" near the end; and in Subsection G substituted "first- and second-priority" for "first-priority" near the beginning and substituted "through fourth" for "or third" following "in the second" near the middle.

**Compiler's notes.** — Laws 2003, ch. 143, § 3 would have repealed Article 1 of Chapter 22 NMSA 1978 effective July 1, 2004. The repeal of Article 1 of Chapter 22 was contingent upon the adoption of an amendment to Article 12, Section 6 of the constitution which was approved at a special election held September 23, 2003. However, the repeal of Article 1 of Chapter 22 did not take effect, as prior to the July 1, 2004 effective date of the repeal of these articles, Laws 2004, ch. 27, § 29, effective May 19, 2004, repealed Laws 2003, ch. 143, § 3.

## ARTICLE 2

### State Department and Commission

#### 22-2-1. Secretary and department; general powers.

A. The secretary is the governing authority and shall have control, management and direction of all public schools, except as otherwise provided by law.

B. The department may:

- (1) adopt, promulgate and enforce rules to exercise its authority and the authority of the secretary;
- (2) enter into contracts to carry out its duties;
- (3) apply to the district court for an injunction, writ of mandamus or other appropriate relief to enforce the provisions of the Public School Code or rules promulgated pursuant to the Public School Code; and
- (4) waive provisions of the Public School Code as authorized by law.

History: 1978 Comp., § 22-2-1, enacted by Laws 1990 (1st S.S.), ch. 9, § 10; 1992, ch. 77, § 1; 1993, ch. 226, § 2; 2003, ch. 143, § 2; 2004, ch. 27, § 14.

## ANNOTATIONS

**Cross references.** — For constitutional provision relating to state board of education, see N.M. Const., art. XII, § 6.

**Repeals and reenactments.** — Laws 1990 (1st S.S.), ch. 9, § 10 repeals former 22-2-1 NMSA 1978, as amended by Laws 1990, ch. 52, § 1, and enacts the above section, effective June 18, 1990. For provisions of former section, see 1990 Session Laws.

**The 1992 amendment,** effective May 20, 1992, inserted "or the purchase of instructional materials" in the first sentence of Subsection D and near the middle of Subsection E; and made minor stylistic changes throughout the section.

**The 1993 amendment,** effective July 1, 1993, deleted former Subsection D, pertaining to approval by the state board of a local school board's request to waive provisions of the Public School Code relating to length of school day, staffing patterns, subject areas or the purchase of instructional materials; redesignated former Subsection E as Subsection D; and rewrote present Subsection D, which formerly authorized the state board to waive provisions of the Public School Code relating to staffing patterns, class and teaching leads, subject areas, curriculum, testing, instructional time or the purchase of instructional materials.

**The 2004 amendments,** effective May 19, 2004, amended Subsection A to change "state board" to "secretary", amended Subsection B to change "state board" to "department", added a new Subparagraph (2) providing for the power of the enter into contracts and redesignated former Subsection C and D as Paragraph (3) and (4) Subsection B.

**Legislative power as to duties of state board.** — The authority granted the state board for the "control, management and direction of all public schools" under N.M. Const., art. XII, § 6 must be specifically defined by the legislature. And, if the state board's constitutional authority is so limited, then it would necessarily follow that the legislature may also divest the state board of duties previously defined. As the courts have construed it, N.M. Const., art. XII, § 6 does not, in itself, vest the state board with any particular duties and the legislature is empowered to determine the scope of the board's authority. 1977 Op. Att'y Gen. No. 77-6.

**State board has powers implied from statute.** — The authority of the state board in the rule- or regulation-making context is not limited to those powers expressly granted by statute, but includes all powers that may be fairly implied therefrom. *Redman v. Board of Regents*, 102 N.M. 234, 693 P.2d 1266 (Ct. App. 1984).

**Board may determine action not "good cause" for firing.** — It is within the province of the state board to decide that a private affair between consenting adults, an assistant principal and a school secretary, is not "good and just cause" to fire an employee. Board of Educ. v. Jennings, 98 N.M. 602, 651 P.2d 1037 (Ct. App. 1982).

**Compiler's notes.** — Laws 2003, ch. 143, § 3 would have repealed Section 22-2-2 NMSA 1978 effective July 1, 2004. The repeal of Section 22-2-2 was contingent upon the adoption an amendment to Article 12, Section 6 of the constitution which was approved at a special election held September 23, 2003. However, the July 1, 2004 repeal of Section 22-2-2 did not take effect, as prior to the July 1, 2004 effective date of the repeal of Article 2, Laws 2004, ch. 27, § 29, effective May 19, 2004, repealed Laws 2003, ch. 143, § 3.

#### **22-2-20. Kindergarten plus; pilot project; eligibility; application; reporting and evacuation [evaluation]; creating a fund.**

A. The "kindergarten plus" pilot project is created as a three-year study that extends the kindergarten year by four months for participating students and measures the effect of additional time on literacy, numeracy and social skills development. The purpose of

kindergarten plus is to demonstrate that increased time in kindergarten narrows the achievement gap between disadvantaged students and other students and increases cognitive skills and leads to higher test scores for all participants.

B. The pilot project shall be administered by the department of education and shall provide the funding for approved full-day kindergarten programs to be extended by forty instructional days, beginning approximately two months earlier and ending approximately two months later than other classes. For the first year, the pilot project shall begin July 1 and run two hundred twenty instructional days; in the second and third years, kindergarten plus may begin or end at any time that provides for the same number of instructional days.

C. Kindergarten plus shall be conducted in the Albuquerque, Gallup-McKinley, Gadsden and Las Cruces school districts. Full-day kindergarten programs in high-poverty public schools in those school districts are eligible to apply for kindergarten plus. For the purposes of kindergarten plus, "high-poverty school" means a public school in which eighty-five percent or more of the students are eligible for free or reduced lunch. If enough eligible high-poverty schools in those school districts do not qualify for the pilot project for the amount of funding available, the department of education may extend eligibility to high-poverty schools in other school districts.

D. The department of education shall determine application requirements and procedures and criteria for evaluating applications. An applicant must demonstrate that its kindergarten plus program will meet all state board standards and employ only qualified teachers and other staff. The department shall provide additional professional development for kindergarten plus teachers in how young children learn to read. Teachers shall be paid at the same rate and under the same terms for kindergarten plus as teachers are paid for regular full-day kindergarten programs.

E. Students participating in kindergarten plus shall be evaluated at the beginning of kindergarten plus and their progress in literacy, numeracy and cognitive and social skills shall be measured through standardized assessments in kindergarten and in first grade. The department of education shall provide additional professional development for kindergarten plus teachers in how young children learn to read.

F. The department of education shall establish reporting and evaluation requirements for participating schools, including student and program assessments. The department shall provide interim and final reports annually to the legislature and the governor on the efficacy of the pilot project.

G. In addition to legislative appropriations for the pilot project, the department of education shall seek public and private grants and donations. Grants and donations shall be deposited in the "kindergarten plus fund" created in the state treasury. Income from investment of the fund shall be deposited in the fund. The department shall administer the fund and money in the fund is appropriated to the department to carry out the purposes of the pilot project. Money shall be expended in accordance with the terms

of the grants and donations. Unless otherwise specified by the terms of a grant or donation, money in the fund at the end of the pilot project shall revert to the general fund. Expenditures from the fund shall be by warrants of the secretary of finance and administration drawn pursuant to vouchers signed by the state superintendent or his authorized representative.

A parent shall be notified no later than the end of the second grading period that his child is failing to make adequate yearly progress, and a conference consisting of the parent and the teacher shall be held to discuss possible remediation programs available to assist the student in attaining adequate yearly progress. In this case, the parent shall sign a waiver indicating his desire that the student be promoted to the next higher grade with an academic improvement plan designed to address specific academic deficiencies. The academic improvement plan shall be developed by the student assistance team outlining timelines and monitoring activities to ensure progress toward overcoming those academic deficiencies. Students failing to make adequate yearly progress at the end of that year shall then be retained in the same grade for no more than one year in order to have additional time to master the required content standards.

G. At the end of the eighth grade, a student who fails to make adequate yearly progress shall be retained in the eighth grade for no more than one school year to make adequate yearly progress or if the student assistance team determines that retention of the student in the eighth grade will not assist the student make adequate yearly progress, the team shall design a high school graduation plan to meet the student's needs for entry into the work force or a post-secondary educational institution. If a student is retained in the eighth grade, the student assistance team shall develop a specific academic improvement plan that clearly delineates the student's academic deficiencies and prescribes a specific remediation plan to address those academic deficiencies.

H. A student who fails to make adequate yearly progress for two successive school years shall be referred to the student assistance team for placement in an alternative program designed by the school district. Alternative program plans shall be filed with the department.

The result of the vote shall be advisory only as a statement of public opinion on the proposed creation of a new school district and shall not constitute any election required by law pertaining to the creation of a district. The results of the referendum may be used by the voters of the existing and proposed district encompassed within the boundaries of the municipality or of another school district to better determine desirability and feasibility of forming the new public school district.

C. The election for the advisory referendum shall be conducted and canvassed substantially in the same manner as special school district elections are conducted and canvassed.

**The 1990 amendment**, effective May 16, 1990, added present Subsection E, redesignated former Subsections E to P as present Subsections F to Q, substituted "Procurement Code" for "Public Purchasers Act" at the end of present Subsection N, and, in present Subsection Q, deleted "local" preceding "school district property" at the end of the first sentence and "of the public school finance division" at the end of the second sentence.

**The 1992 amendment**, effective May 20, 1992, inserted "or the purchase of instructional materials" in Subsection E; substituted "department of education" for "director" in the second sentence of Subsection Q; and made minor stylistic changes throughout the section.

**The 1993 amendment**, effective July 1, 1993, added the proviso at the end of the first sentence of Subsection D.

**The 2003 amendment**, effective April 4, 2003, rewrote Subsection A to the extent that a detailed comparison is impracticable; in Subsection B, inserted "local" following "employ a" near the beginning and deleted "of schools" following "superintendent" near the beginning; deleted former Subsections C, D, E, F, and G; inserted present Subsection C and redesignated the subsequent paragraphs accordingly; inserted "provide for the" at the beginning of present Subsection H; substituted "rules" for "regulations" near the beginning of present Subsection K; and in present Subsection M substituted "rules" for "regulations that shall be" following "in accordance with" near the end and substituted "state board" for "department of education" at the end.

**The 2004 amendment**, effective May 19, 2004, changed "state board" to "department" in Subsections A and M and added Subsection N.

**Section makes local board's supervision and control of public school in district "subject to the regulations of state board."** *Morgan v. New Mexico State Bd. of Educ.*, 83 N.M. 106, 488 P.2d 1210 (Ct. App.), cert. denied, 83 N.M. 105, 488 P.2d 1209 (1971).

**Authority of local board over personnel.** — A local board is the only entity with power to terminate employees; the purpose of former Subsection D is to require input of a superintendent before a personnel decision is made, and not to render a board powerless to act except in accordance with the recommendation of its superintendent. *Daddow v. Carlsbad Mun. Sch. Dist.*, 120 N.M. 97, 898 P.2d 1235 (1995).

**School board attendance allocation proper.** — So long as the statutory and constitutional minimum educational standards are satisfied, the local school board may allocate attendance within the district. 1979 Op. Att'y Gen. No. 79-36.

**Conditions under which private group may use facilities.** — A local board of education may permit a particular religious denomination or private group to use public school buildings or facilities after school hours where such use, in the opinion of the school board, will not interfere with normal school activities, but the board may not in any respect sanction or give endorsement to such religious denominational programs. 1963-64 Op. Att'y Gen. No. 63-106 (opinion rendered under former law).

**Include equal treatment of all groups.** — A local school board must, in exercising its discretion as to whether a particular religious denomination may use public school facilities after school hours, either make the use of school facilities available to all religious groups on an equal basis and without preference as to any particular group or not permit such use at all. 1963-64 Op. Att'y Gen. No. 63-106 (opinion rendered under former law).

**And reimbursement of school's actual expenses.** — Since a school district may not in any manner lend its financial or other support to any private religious denominations, it is incumbent upon school authorities to obtain reimbursement for any actual expenses occasioned from a religious group's private use of public school facilities. 1963-64 Op. Att'y Gen. No. 63-106 (opinion rendered under former law).

**Procurement Code exemptions applicable to school boards.** — The provision of Subsection N requires school boards to contract according to all but two sections of the entire Procurement Code; this means that all bidding requirements of the Code, including the exemptions in 13-1-98 NMSA 1978, apply to school district contracts. *Morningstar Water Users Ass'n v. Farmington Mun. Sch. Dist. No. 5*, 120 N.M. 307, 901 P.2d 725 (1995).

**Payment for time spent away from district by district employee.** — A local school district employee who serves on the state board of education may draw salary from the district and per diem and expenses from the state department of education; however, he may not be paid for time spent away from his duties with the district unless he takes authorized leave with pay. 1987 Op. Att'y Gen. No. 87-45.

**Character of private use determines whether state approval required.** — Where a local school board desires to enter into a lease of real property to any private party or religious group and proposes to give exclusive right of possession and occupancy to

school lands or buildings, the state board of finance must give its approval pursuant to 13-6-2 NMSA 1978. Where, however, the use permitted is temporary or brief and limited to hours when the property is not needed for school purposes, the approval of the state board of finance is not necessary, and the local board of education may or may not authorize such usage according to its discretion. 1963-64 Op. Att'y Gen. No. 63-106 (opinion rendered under former law).

**School boards have authority to enact reasonable regulations** relating to the suspension or expulsion of students. 1959-60 Op. Att'y Gen. No. 59-214.

A rule or regulation prohibiting married students from participating in band, glee club, dramatic events, school newspapers, school clubs, school sponsored trips and school athletics is arbitrary and unreasonable and therefore void. 1967 Op. Att'y Gen. No. 67-117.

A rule which would require the withdrawal of a student when it is known that she is pregnant and when the school officials do not believe that such attendance is proper clearly violates the compulsory attendance law; therefore if the girl is physically capable of attending school, the local school board may not prohibit her attendance by rule or regulation merely because she is pregnant. 1967 Op. Att'y Gen. No. 67-117.

**School boards have authority to ban smoking.** — Because local school boards have authority to supervise and control all public schools within their district, they can use that authority to ban smoking by both adults and minors on all public school campuses within their district. 1994 Op. Att'y Gen. No. 94-03.

**Ultra vires acts by school boards.** — Any attempt by a local school board to enter into a contract or formulate a policy that violates the specific statutory provisions governing school boards is ultra vires and void. Thus, any attempt by a school board to enter into a contract or promulgate a termination policy through manuals which give an employee rights in conflict with the School Personnel Act is ultra vires and void. *Swinney v. Deming Bd. of Educ.*, 117 N.M. 492, 873 P.2d 238 (1994).

**Health club memberships for employees.** — A school district may spend public funds to provide its full time employees with membership in a private health club if the membership is provided in return for services rendered to the district. 1989 Op. Att'y Gen. No. 89-20.

**School board's supervision and discharge of superintendent.** — Inherent in the power given to the school board to employ a superintendent is the ability for the board to supervise and discharge a superintendent. *Stanley v. Raton Bd. of Educ.*, 117 N.M. 717, 876 P.2d 232 (1994).

**Employment of administrators.** — The school board effectively terminated the plaintiffs' employment as school administrators by declaring the jobs vacant, and therefore met the obligations under this section. The plaintiffs could reasonably infer

from the board's actions that they were not reemployed for the next year. *Naranjo v. Board of Educ.*, 119 N.M. 401, 891 P.2d 542 (1995).

**School board president's authority.** — A local school board president has authority to deny citizens the right to address the local school board during a meeting of the board, if he is authorized to do so by rules promulgated by the board and he does not exercise that authority arbitrarily or capriciously. 1990 Op. Att'y Gen. No. 90-26.

**Liability of local board under federal civil rights law.** — In an action brought by a school employee against a school district local school board under 42 U.S.C. § 1983, the board was a "person" for purposes of the suit, and the action under such law was not barred by any statutory governmental immunity. *Daddow v. Carlsbad Mun. Sch. Dist.*, 120 N.M. 97, 898 P.2d 1235 (1995).

## ANNOTATIONS

**The 2003 amendment**, effective April 4, 2003, in Subsection A substituted "superintendent" for "school board" following "local" near the beginning and inserted "or the local superintendent. The local school board may waive the nepotism rule for family members of a local superintendent." at the end; and substituted "2003" for "1981" at the end of Subsection B.

**Object of section is to prevent nepotism in initial hiring** of school employees. The hiring of a teacher closely related to a member of the school board justifiably arouses public suspicion that the teacher was hired on the basis of relationship rather than merit. Such suspicions, however, relate only to the initial hiring of the teacher. There is no reason to suspect nepotism in the continued employment of a tenured teacher whose competency has been established by years of service, merely because a family member is elected to the school board at some time during the teacher's career. *New Mexico State Bd. of Educ. v. Board of Educ.*, 95 N.M. 588, 624 P.2d 530 (1981)(decided prior to 1981 amendment).

## ANNOTATIONS

**Voting Rights Act of 1965.** — The federal Voting Rights Act of 1965 appears mainly as 42 U.S.C. §§ 1973 to 1973bb-1.

**Improper motive as component of misfeasance.** — When a public officer has a right to perform an act which is discretionary, the manner in which the discretion is exercised does not rise to the level of misfeasance unless the discretion is exercised with an improper or corrupt motive; therefore where the school board engaged in a site selection process spanning approximately two years, including consideration of 15 sites and a myriad of relevant factors, and nothing in the record indicated that any of the challenged board members acted out of an improper or corrupt motive, there was no misfeasance. *CAPS v. Board Members*, 113 N.M. 729, 832 P.2d 790 (1992).

### **22-7-9. Duties of county clerk.**

A. The county clerk shall perform the following duties:

(1) provide standard face sheet forms to include a place for the mailing address of the petitioner, standard subsequent page forms and standard affidavit forms to the general public upon request;

(2) affix the initiation date to the completed face sheet only after the district court has issued an order permitting the continuation of the recall process after a hearing pursuant to Section 22-7-9.1 NMSA 1978 on the sufficiency of facts supporting the charges of malfeasance or misfeasance in office or violation of oath of office;

(3) send one copy of the completed face sheet to the named member by registered mail, return receipt requested; and

(4) keep one copy of the completed face sheet on file.

B. Upon receipt of completed petitions, the county clerk shall stamp the petitions with the date of closure. All completed petitions for the recall of one or more named members shall be filed with the county clerk on the same day within one hundred ten calendar days from the date of initiation.

C. The county clerk shall verify the signatures on the completed petitions within ten working days.

D. Within five working days of the validation by the county clerk, the county clerk shall determine whether the verified signatures meet the minimum number required by Section 22-7-10 NMSA 1978.

E. If the county clerk determines that sufficient signatures have not been submitted, he shall notify the petitioner at the mailing address listed on the face sheet and the named member by registered mail, return receipt requested, within three working days after the determination.

F. If the county clerk determines that sufficient signatures have been submitted, he shall do the following within three working days after the determination:

(1) notify the petitioner at the mailing address listed on the face sheet and the named member by registered mail, return receipt requested; and

## ANNOTATIONS

**Exclusion of names on list by superintendent.** — Superintendent may exclude those signatures not listing a date, but his exclusion of signatures with names not "printed as registered" or with "city" not listed, as required by 22-7-6 NMSA 1978, was inconsistent with the purpose of 22-7-10D NMSA 1978 and was, therefore, improper. State ex rel. Citizens for Quality Educ. v. Gallagher, 102 N.M. 516, 697 P.2d 935 (1985).

**Name withdrawal petitions valid before final action on petition.** — Where superintendent received name withdrawal petitions after receiving clerk's certification of signatures, but before taking final action on petition, superintendent properly refused to count names to those persons who submitted name withdrawal petitions. State ex rel. Citizens for Quality Educ. v. Gallagher, 102 N.M. 516, 697 P.2d 935 (1985).

### 22-7-9.1. Court hearing.

A. Prior to affixing the date of initiation to the completed face sheet, the county clerk shall file an application with the district court within five days from the date the completed face sheet is presented to the county clerk, requesting a hearing for a determination by the court of whether sufficient facts exist to allow the petitioner to continue with the recall process.

B. Upon the filing of the application, the district court shall set a hearing date on the issue of sufficiency of the facts alleged, which hearing shall be held not more than ten days from the date the application is filed by the county clerk. The court shall notify the petitioner at the mailing address listed on the face sheet of the time and place of the hearing.

C. Upon review of the completed face sheet together with affidavits submitted by the petitioner setting forth specific facts in support of the charges specified on the face sheet, the district court shall make a determination whether sufficient facts exist to allow petitioners to continue with the recall process.

D. Upon entry of an order by the court that sufficient facts exist to allow the petitioner to continue the recall process, the county clerk shall affix the date of initiation to the completed face sheet.

E. The district court's decision is appealable by the petitioner only to the supreme court, and notice of appeal shall be filed within five days after the decision of the district court. The supreme court shall hear and render a decision on the appeal forthwith.

**History:** 1978, Comp., § 22-7-9.1, enacted by Laws 1987, ch. 142, § 2.

## ANNOTATIONS

**When no appeal as of right, statute governs.** — Since the state has no constitutional appeal as of right from a suppression order, the time for filing such an appeal is governed by the ten-day limit set forth in Subsection (B)(2) of 39-3-3 NMSA 1978 and not the thirty-day limit provided for in Paragraph A of Rule 12-201 NMRA. *State v. Alvarez*, 113 N.M. 82, 823 P.2d 324 (Ct. App. 1991).

**Late filing of appeal.** — Because timely filing of an appeal is a mandatory precondition rather than an absolute jurisdictional requirement, a trial court may, under unusual circumstances, use its discretion and entertain an appeal even though it is not timely filed. The decision to dismiss an appeal is extreme and must be determined on a case-by-case basis. *Trujillo v. Serrano*, 117 N.M. 273, 871 P.2d 369 (1994).

**Court error may excuse late appeal.** — One unusual circumstance which would warrant permitting an untimely appeal is if the delay is a result of judicial error. To deny a party the constitutional right to an appeal because of a mistake on the part of the court runs against the most basic precepts of justice and fairness. *Trujillo v. Serrano*, 117 N.M. 273, 871 P.2d 369 (1994).

## 22-7-10. Signatures.

A. No signature may be signed on the petition prior to the initiation date.

B. Signatures are valid for a maximum of one hundred ten calendar days from the date of initiation.

C. Each signer of a recall petition shall sign but one petition unless more than one member is a named member, and in that case not more than the number of recall petitions equal to the number of named members shall be signed.

D. The signature shall not be counted unless the entire line is filled in full and is upon the form prescribed by the Local School Board Member Recall Act [22-7-1 to 22-7-16 NMSA 1978].

E. A signature shall be counted on a recall petition unless there is evidence presented that the person signing:

(1) is not a registered voter of the county and of the school district listed on the face sheet of the petition;

(2) has signed more than one recall petition for one named member or has signed one petition more than once; or

(3) is not the person whose name appears on the recall petition.

F. The minimum number of verified signatures needed to validate a petition is thirty-three and one-third percent of the number of registered voters who voted for the school board position of the named member at the last preceding school board election.

**History:** 1953 Comp., § 77-4A-10, enacted by Laws 1977, ch. 308, § 10; 1985, ch. 169, § 6.

**Effect of incomplete lines on petition.** — Superintendent may exclude those signatures not listing a date, but his exclusion of signatures with names not "printed as registered" or with "city" not listed is inconsistent with the purpose of Subsection D and is, therefore, improper. ## 22-7-11. Repealed.

### ANNOTATIONS

**Repeals.** — Laws 1979, ch. 277, § 4, repeals 22-7-11 NMSA 1978, relating to duties of the attorney general in relation to a petition for a recall of a local school board member. For provisions of former section, see 1978 Original Pamphlet.

## 22-7-12. Recall petition; limitation on appeals of validity of recall petition.

A. Any person filing any court action challenging a recall petition provided for in the Local School Board Member Recall Act [22-7-1 to 22-7-16 NMSA 1978] shall do so within ten days after the determination of the county clerk as set forth in Section 22-7-9 NMSA 1978. Challenges to the recall petition shall be directed to:

- (1) the validity of the signatures on the petitions;
- (2) the determination of the county clerk as to the minimum number of signatures; or
- (3) the sufficiency of the charge.

Within ten days after the filing of the action, the district court shall hear and render a decision on the matter. The decision shall be appealable only to the supreme court, and notice of appeal shall be filed within five days after the decision of the district court. The supreme court shall hear and render a decision on the appeal forthwith.

B. For the purpose of an action challenging a recall petition, each petitioner filing a recall petition under the Local School Board Member Recall Act [22-7-1 NMSA 1978] appoints the proper filing officer as his agent to receive service of process. Immediately upon receipt of process served upon the proper filing officer, that officer shall, by certified mail, return receipt requested, mail the process to the person.

G. Except as otherwise provided in the Local School Board Member Recall Act [22-7-1 to 22-7-16 NMSA 1978], special recall elections in a school district shall be conducted as provided in the Election Code [Chapter 1 NMSA 1978].

where MEM is equal to the membership of an approved elementary or junior high school, including early childhood education full-time-equivalent membership but excluding membership in class C and class D programs and excluding full-time-equivalent membership in three- and four-year-old developmentally disabled programs;

Senior High Units

$$\frac{200 - \text{MEM}}{200} \times 2.0 \times \text{MEM} = \text{Units}$$

or,

Senior High Units

$$\frac{400 - \text{MEM}}{400} \times 1.6 \times \text{MEM} = \text{Units}$$

whichever calculation for senior high units is higher, where MEM is equal to the membership of an approved senior high school excluding membership in class C and class D programs.

B. A school district with total MEM of less than 4,000, including early childhood education full-time-equivalent MEM, is eligible for additional program units. The number of additional program units to which a district is entitled under this subsection is the number of district units computed in the following manner:

District Units

$$\frac{4000 - \text{MEM}}{4000} \times 0.15 \times \text{MEM} = \text{Units}$$

where MEM is equal to the total district membership, including early childhood education full-time-equivalent membership.

C. A school district with over 10,000 MEM with a ratio of MEM to senior high schools less than 4,000:1 is eligible for

additional program units based on the number of approved regular senior high schools that are not eligible for senior high units under Subsection A of this section. The number of additional program units to which an eligible school district is entitled under this subsection is the number of units computed in the following manner:

$$\frac{4000 - \text{MEM}}{\text{Senior High Schools}} \times 0.50 = \text{Units}$$

where MEM is equal to the total district membership, including early childhood education full-time-equivalent membership, and where senior high schools are equal to the number of approved regular senior high schools in the district.

### **22-8-23.1. Enrollment growth program units.**

A. A school district with an increase in MEM equal to or greater than one percent, when compared with the immediately preceding year, is eligible for additional program units. The increase in MEM shall be calculated as follows:

$$\frac{(\text{Current Year MEM} - \text{Previous Year MEM})}{\text{Previous Year MEM}} \times 100 = \text{Percent Increase.}$$

The number of additional program units shall be calculated as follows:

$$(\text{Current Year MEM} - \text{Previous Year MEM}) - (\text{Current Year MEM} \times .01) \times 1.5 = \text{Units.}$$

B. In addition to the units calculated in Subsection A of this section, a school district with an increase in MEM equal to or greater than one percent, when compared with the immediately preceding year, is eligible for additional program units. The increase in MEM shall be calculated in the following manner:

$$\frac{(\text{Current Year MEM} - \text{Previous Year MEM})}{\text{Previous Year MEM}} \times 100 = \text{Percent Increase.}$$

The number of additional program units to which an eligible school district is entitled under this subsection is the number of units computed in the following manner:

$$(\text{Current Year MEM} - \text{Previous Year MEM}) \times .50 = \text{Units.}$$

C. As used in this section:

- (1) "current year MEM" means MEM on the fortieth day of the current year;
- (2) "MEM" means the total school district membership, including early childhood education full-time equivalent membership and special education membership, but excluding full-day kindergarten membership for the first year that full-day kindergarten is implemented in a school pursuant to Subsection D of Section 22-2-19 NMSA 1978 [recompiled]; and
- (3) "previous year MEM" means MEM on the fortieth day of the previous year.

## **22-8-23.2. New district adjustment; additional program units.**

A. A newly created school district is eligible for additional program units. The number of additional program units to which a newly created school district is entitled under this subsection is the number of units computed in the following manner:

$(\text{MEM for current year}) \times .147 = \text{Units}$   
where MEM is equal to the total district membership, including early childhood education full-time equivalent membership and special education membership.

B. A school district whose membership decreases as a result of the establishment of a newly created school district is eligible for additional program units. The number of additional program units to which that district is entitled under this subsection is the number of units computed in the following manner:

$(\text{MEM for prior year} - \text{MEM for current year}) \times .17 = \text{Units}$

where MEM is equal to the total district membership, including early childhood education full-time equivalent membership and special education membership.

C. As used in this section, "newly created school district" means a local school district not in existence during the immediately preceding school year.

**History:** 1978 Comp., § 22-8-23.2, enacted by Laws 1993, ch. 237, § 2.

### **22-8-23.3. At-risk program units.**

A. A school district is eligible for additional program units if it establishes within its state board approved educational plan identified services to assist students to reach their full academic potential. A school district receiving additional at-risk program units shall include a report of specified services in its annual accountability report pursuant to Section 22-1-6 NMSA 1978. The number of additional units to which a school district is entitled under this section is computed in the following manner:

$$\text{At-Risk Index} \times \text{MEM} = \text{Units}$$

where MEM is equal to the total district membership, including early childhood education, full-time-equivalent membership and special education membership and where the at-risk index is calculated in the following manner:

$$\text{Three-Year Average Total Rate} \times 0.0915 = \text{At-Risk Index.}$$

B. To calculate the three-year average total rate, the department shall compute a three-year average of the school district's percentage of membership used to determine its Title I allocation, a three-year average of the percentage of membership classified as English language learners using criteria established by the federal office of civil rights and a three-year average of the percentage of student mobility. The department shall then add the three-year average rates. The number obtained from this calculation is the three-year average total rate.

C. The department shall recalculate the at-risk index for each school district every year. For the 2002-2003, 2003-2004 and 2004-2005 school years, a school district shall not receive less than ninety percent of the at-risk funding generated in fiscal year 2001.

**History:** 1978 Comp., § 22-8-23.3, enacted by Laws 1997, ch. 40, § 7; 2002, ch. 68, § 1.

### **ANNOTATIONS**

**The 2002 amendment**, effective May 15, 2002, substituted "Three-Year Average Total Rate x 0.0915" for "Refined At-Risk Cluster x 0.015" in the formula at the end of Subsection A; rewrote Subsection B by deleting provisions relating to refined at-risk clusters and inserting references to calculations based on three-year average rates; and, in Subsection C, substituted "year" for "two years" at the end of the present first sentence and added the second sentence.

#### **22-8-23.4. National board for professional teaching standards; certified teachers program units.**

The number of program units for teachers certified by the national board for professional teaching standards is determined by multiplying by one and one-half the number of teachers certified by the national board for professional teaching standards employed by the school district on or before the fortieth day of the school year and verified by the department. Department approval of these units shall be contingent on verification by the school district that these teachers are receiving a one-time salary differential equal to or greater than the amount generated by the units multiplied by the program unit value during the fiscal year in which the school district will receive these units.

(1) "instructional staff" means the personnel assigned to the instructional program of the school district, excluding principals, substitute teachers, instructional aides, secretaries and clerks;

(2) the number of instructional staff to be counted in calculating the instructional staff training and experience index is the actual number of full-time equivalent instructional staff on the October payroll;

- (1) multiply the number of full-time equivalent instructional staff in each academic classification by the numerical factor in the appropriate "years of experience" column provided in the table in Subsection B of this section;
- (2) add the products calculated in Paragraph (1) of this subsection; and
- (3) divide the total obtained in Paragraph (2) of this subsection by the total number of full-time equivalent instructional staff.

D. In the event that the result of the calculation of the training and experience index is 1.0 or less, the district's factor shall be no less than 1.0.

### **22-8-25. State equalization guarantee distribution; definitions; determination of amount.**

A. The state equalization guarantee distribution is that amount of money distributed to each school district to ensure that the school district's operating revenue, including its local and federal revenues as defined in this section, is at least equal to the school district's program cost.

B. "Local revenue", as used in this section, means seventy-five percent of receipts to the school district derived from that amount produced by a school district property tax applied at the rate of fifty cents (\$.50) to each one thousand dollars (\$1,000) of net taxable value of property allocated to the school district and to the assessed value of products severed and sold in the school district as determined under the Oil and Gas Ad Valorem Production Tax Act [Chapter 7, Article 32 NMSA 1978] and upon the assessed value of equipment in the school district as determined under the Oil and Gas Production Equipment Ad Valorem Tax Act [Chapter 7, Article 34 NMSA 1978]. The school district shall budget and expend twenty percent of the total revenue receipts for capital outlay.

C. "Federal revenue", as used in this section, means receipts to the school district, excluding amounts that, if taken into account in the computation of the state

equalization guarantee distribution, result, under federal law or regulations, in a reduction in or elimination of federal school funding otherwise receivable by the school district, derived from the following:

(1) seventy-five percent of the school district's share of forest reserve funds distributed in accordance with Section 22-8-33 NMSA 1978. The school district shall budget and expend twenty percent of the total forest reserve receipts for capital outlay; and

(2) seventy-five percent of grants from the federal government as assistance to those areas affected by federal activity authorized in accordance with Title 20 of the United States Code, commonly known as "PL 874 funds" or "impact aid". The school district shall budget and expend twenty percent of the grant receipts for capital outlay.

D. To determine the amount of the state equalization guarantee distribution, the state superintendent shall:

(1) calculate the number of program units to which each school district is entitled using an average of the MEM on the fortieth, eightieth and one hundred twentieth days of the prior year; or

(2) calculate the number of program units to which a school district operating under an approved year-round school calendar is entitled using an average of the MEM on appropriate dates established by the state board; or

(3) calculate the number of program units to which a school district with a MEM of two hundred or less is entitled by using an average of the MEM on the fortieth, eightieth and one hundred twentieth days of the prior year or the fortieth day of the current year, whichever is greater; and

(4) using the results of the calculations in Paragraph (1), (2) or (3) of this subsection and the instructional staff training and experience index from the October report of the prior school year, establish a total program cost of the school district;

(5) calculate the local and federal revenues as defined in this section;

(6) deduct the sum of the calculations made in Paragraph (5) of this subsection from the program cost established in Paragraph (4) of this subsection; and

(7) deduct the total amount of guaranteed energy savings contract payments that the state superintendent determines will be made to the school district from the public school utility conservation fund during the fiscal year for which the state equalization guarantee distribution is being computed.

E. The amount of the state equalization guarantee distribution to which a school district is entitled is the balance remaining after the deductions made in Paragraphs (6) and (7) of Subsection D of this section.

F. The state equalization guarantee distribution shall be distributed prior to June 30 of each fiscal year. The calculation shall be based on the local and federal revenues specified in this section received from June 1 of the previous fiscal year through May 31 of the fiscal year for which the state equalization guarantee distribution is being computed. In the event that a school district has received more state equalization guarantee funds than its entitlement, a refund shall be made by the school district to the state general fund.

### ANNOTATIONS

### **22-8-39. Boards of finance; suspension.**

The state superintendent may at any time suspend a local school board from acting as a board of finance if he reasonably believes there is mismanagement, improper recording or improper reporting of public school funds under its control. When a local school board is suspended from acting as a board of finance, the state superintendent shall:

- F. inform the local school board in writing of his determination as to who is to act as board of finance or fiscal agent for the school district, and also inform the county treasurer in writing if he determines that the county treasurer should act as fiscal agent for the school district.

**History:** 1953 Comp., § 77-6-43, enacted by Laws 1967, ch. 16, § 97; 1988, ch. 64, § 36.

### **ANNOTATIONS**

**The 1988 amendment**, effective May 18, 1988, substituted "state superintendent" for "chief" twice in the introductory paragraph and made a minor stylistic change.

### **22-8-40. Deposit of public school funds; distribution; interest.**

A. All public money in the custody of local school boards which have been designated as boards of finance shall be deposited in qualified depositories in accordance with the terms of this section.

B. Deposits of funds of the local school district may be made in noninterest-bearing checking accounts in one or more banks, savings and loan associations or credit unions as long as the credit union deposits are insured by an agency of the United States, located within the geographical limits of the school district.

C. Deposits of funds of the local school district may be made in interest-bearing checking accounts, commonly known as "NOW" accounts, in one or more banks, savings and loan associations or credit unions as long as the credit union deposits are insured by an agency of the United States, located within the geographical limits of the school district.

D. Public money placed in interest-bearing deposits, in banks and savings and loan associations, other than interest-bearing checking accounts as defined in Subsection C of this section, shall be equitably distributed among all banks and savings and loan associations having their main or manned branch offices within the geographical boundaries of the local school district which have qualified as public depositories by reason of insurance of the account by an agency of the United States or by depositing collateral security or by giving bond as provided by law in the proportion that each such bank's or savings and loan association's net worth bears to the total net worth of all banks and savings and loan associations having their main office or a manned branch office within the geographical boundaries of the school district. The net worth of the main office of a savings and loan association and its manned branch offices within the geographical boundaries of a school district is the total net worth of the association multiplied by the percentage that deposits of the main office and the manned branch offices located within the geographical boundaries of the school district are of the total deposits of the association. The net worth of each manned branch office or aggregate of manned branch offices of a savings and loan association located outside the geographical boundaries of the school district in which the main office is located is the total net worth of the association multiplied by the percentage that deposits of the branch or aggregate of branches located outside the geographical boundaries of the school district in which the main office is located are of the total deposits of the association. The director of the financial institutions division of the regulation and licensing department shall promulgate a formula for determining the net worth of banks' main offices and branches for the purposes of distribution of public money as provided for by this section. "Net worth" means assets less liabilities as reported by such banks and savings and loan associations on their most recent semiannual reports to the state or federal supervisory authority having jurisdiction.

E. Notwithstanding the provisions of Subsection D of this section, public money may be placed in interest-bearing deposits, other than interest-bearing checking accounts as defined in Subsection C of this section, at the discretion of the board of finance, in credit unions having their main or manned branch offices within the geographical boundaries of the local school district to the extent such deposits are insured by an agency of the United States.

F. The rate of interest for all public money deposited in interest-bearing accounts in banks, savings and loan associations and credit unions shall be set by the state board of finance, but in no case shall the rate of interest be less than one hundred percent of the asked price on United States treasury bills of the same maturity on the date of deposit. Any bank or savings and loan association that fails to pay the minimum rate of interest at the time of deposit provided for herein for any respective deposit forfeits its right to an equitable share of that deposit under this section.

If the deposit is part or all of the proceeds of a bond issue and the interest rate prescribed in this subsection materially exceeds the rate of interest of the bonds, the interest rate prescribed by this subsection shall be reduced on the deposit to an amount not materially exceeding the interest rate of the bonds if the bond issue would lose its tax exempt status under Section 103 of the United States Internal Revenue Code of 1954, as amended.

G. Public money in excess of that for which banks and savings and loan associations within the geographical boundaries of the local school district have qualified may be deposited in qualified depositories including credit unions in other areas within the state under the same requirements for payment of interest as if the money were deposited within the geographical boundaries of the local school district.

H. The board of finance of the school district may temporarily invest money held in demand deposits and not immediately needed for the operation of the school district. Such temporary investments shall be made only in securities which are issued by the state or by the United States government, or by their departments or agencies, and which are either direct obligations of the state or the United States or are backed by the full faith and credit of those governments.

I. The department of finance and administration may monitor the deposits of public money by local school boards to assure full compliance with the provisions of this section.

### **22-8-40.1. Deposit of public school funds; providing exception on interest rate limitation for "NOW" accounts.**

Notwithstanding the provisions of Subsection E of Section 22-8-40 NMSA 1978, the requirement for a rate of interest of not less than one hundred percent of the asked price on United States treasury bills of the same maturity on the day of deposit shall not apply to interest-bearing checking accounts.

**History:** 1978 Comp., § 22-8-40.1, enacted by Laws 1981, ch. 341, § 1.

### **22-8-41. Restriction on operational funds; emergency accounts; cash balances.**

A. A school district shall not expend money from its operational fund for the acquisition of a building site or for the construction of a new structure, unless the school district has bonded itself to practical capacity or the secretary determines and certifies to the legislative finance committee that the expending of money from the operational fund for this purpose is necessary for an adequate public educational program and will not unduly hamper the school district's current operations.

B. A school district or charter school may budget out of cash balances carried forward from the previous fiscal year an amount not to exceed five percent of its proposed operational fund expenditures for the ensuing fiscal year as an emergency account. Money in the emergency account shall be used only for unforeseen expenditures incurred after the annual budget was approved and shall not be expended without the prior written approval of the secretary.

C. In addition to the emergency account, school districts or charter schools may also budget operational fund cash balances carried forward from the previous fiscal year for operational expenditures, exclusive of salaries and payroll, upon specific prior approval of the secretary. The secretary shall notify the legislative finance committee in writing of his approval of such proposed expenditures. For fiscal years 2004 and 2005, with the approval of the secretary, a school district or charter school may budget so much of its operational cash balance as is needed for nonrecurring expenditures, including capital outlay.

D. Notwithstanding the provisions of Subsection C of this section, beginning with fiscal year 2006, prior to approval of a school district's or charter school's budget, the secretary shall verify that the reductions from the state equalization guarantee distribution have been taken pursuant to this section.

E. The allowable limit for a school district's or charter school's ending operational cash balance is:

(1) if the current year program cost is less than five million dollars (\$5,000,000), nine percent of the budgeted expenditures;

(2) if the current year program cost is five million dollars (\$5,000,000) but less than ten million dollars (\$10,000,000), seven and one-half percent of the budgeted expenditures;

(3) if the current year program cost is ten million dollars (\$10,000,000) but less than twenty-five million dollars (\$25,000,000), six percent of the budgeted expenditures;

(4) if the current year program cost is twenty-five million dollars (\$25,000,000) but less than two hundred million dollars (\$200,000,000), four and one-half percent of the budgeted expenditures; and

(5) if the current year program cost is two hundred million dollars (\$200,000,000) or more, for fiscal year 2004, two and one-half percent of the budgeted expenditures and, for subsequent fiscal years, three percent of the budgeted expenditures.

F. Except as otherwise provided in this section, for the 2006 and subsequent fiscal years, the secretary shall reduce the state equalization guarantee distribution, calculated pursuant to Section 22-8-25 NMSA 1978, to each school district or charter school by an amount equal to the school district's or charter school's excess cash balance. As used in this section, "excess cash balance" means the difference between a school district's or a charter school's actual operational cash balance and the allowable limit calculated pursuant to Subsection E of this section. Provided, however, that:

(1) for a school district or charter school with a current year program cost that exceeds two hundred million dollars (\$200,000,000), if the excess cash balance is greater than twenty percent of the allowable unrestricted, unreserved operational cash balance and the emergency reserve, then the reduction pursuant to this subsection shall equal twenty percent of the allowable unrestricted, unreserved operational cash balance and the emergency reserve; and

(2) for other school districts and charter schools, if the excess cash balance is greater than eighteen percent of the allowable unrestricted, unreserved operational cash balance and the emergency reserve, then the reduction pursuant to this subsection shall equal eighteen percent of the allowable unrestricted, unreserved operational cash balance and the emergency reserve.

G. In developing budgets, school districts and charter schools shall not budget current year cash balances without the approval of the secretary.

H. A school district or charter school whose enrollment growth exceeds one percent from the prior year and whose facility master plan includes the addition of a new school within two years may request from the secretary a waiver of up to fifty percent of the reduction otherwise required by Subsection F of this section.

I. Notwithstanding the provisions of Subsection F of this section, for fiscal year 2004, the reduction from the state equalization guarantee distribution shall be the greater of the amount calculated pursuant to that subsection or ten dollars (\$10.00) per MEM.

J. For the purposes of this section, "operational cash balance" means the allowable, unrestricted, unreserved operational cash balance and the emergency reserve.

K. For the purposes of this section, "allowable, unrestricted, unreserved operational cash balance and the emergency reserve" means the proportional share not attributable to revenue derived from the school district property tax, forest reserve funds and impact aid for which the state takes credit in determining a school district's or charter school's state equalization guarantee distribution.

**The 1994 amendment**, effective May 18, 1994, substituted the last sentence in Subsection K for the former last two sentences, which read: "For purposes of this subsection, "noninstructional duties" means noon hall duty, cafeteria duty, ground duty and bus duty. It is the intent of the legislature to maintain the provision of this subsection; provided, however, that for the 1993-94 school year, "noninstructional duties" shall mean only noon hall duty, noon ground duty and noon cafeteria duty"; and made minor stylistic changes throughout the section.

**The 2003 amendment**, recompiled former 22-2-8.2 NMSA 1978 as present 22-10A-20 NMSA 1978, effective April 4, 2003, and substituted "educational" for "instructional" following "assistance of an" near the end of Subsection A; substituted "educational" for "instructional" following "assistance of an" near the end of Subsection B; deleted "Effective with the 1994-1995 school year" at the beginning of Subsection C; inserted present Subsection F and redesignated the subsequent paragraphs accordingly; substituted "G" for "F" following "Subsection" near the beginning of present Subsection H; deleted "of education" following "department" near the middle of present Subsection I; deleted "of education" following "department" near the beginning of present Subsection J; in present Subsection K substituted "G" for "F" following "Subsection" near the beginning and deleted "of education" following "department" near the end; and substituted "Teachers" for "Effective with the 1987-88 school year, certified school instructors" at the beginning of present Subsection L.

**Amendments to section made in General Appropriations Act were not proper.** — Amendments to this section made in the General Appropriations Act of 1989 were not proper, where the 1989 appropriations measure changed the effective dates for various actions under the statute and enlarged the authority of the state superintendent to waive class load requirements. The amendments constituted general legislation which, though necessary or desirable, could not constitutionally be included in an appropriations bill. 1989 Op. Att'y Gen. No. 89-26.

**Compiler's notes.** — This section was compiled as Section 22-2-8.2 NMSA 1978 at the time of the enactment of Laws 2003, Chapter 143, Section 2.

## **22-10A-21. Employment contracts; duration.**

A. All employment contracts between local school boards and certified school personnel and between governing authorities of state agencies and certified school instructors shall be in writing on forms approved by the state board. These forms shall contain and specify the term of service, the salary to be paid, the method of payment,

the causes for termination of the contract and other provisions required by the regulations of the state board.

B. All employment contracts between local school boards and certified school personnel and between governing authorities of state agencies and certified school instructors shall be for a period of one school year except:

(1) contracts for less than one school year are permitted to fill personnel vacancies which occur during the school year;

(2) contracts for the remainder of a school year are permitted to staff programs when the availability of funds for the programs is not known until after the beginning of the school year;

(3) contracts for less than one school year are permitted to staff summer school programs and to staff federally funded programs in which the federally approved programs are specified to be conducted for less than one school year;

(4) contracts not to exceed three years are permitted for certified school administrators in public schools who are engaged in administrative functions for more than one-half of their employment time; and

(5) contracts not to exceed three years are permitted at the discretion of the local school board for certified school instructors in public schools who have been employed in the school district for three consecutive school years.

C. Persons employed under contracts for periods of less than one school year as provided in Paragraphs (1) and (2) of Subsection B of this section shall be accorded all the duties, rights and privileges of the Certified School Personnel Act [Chapter 22, Article 10A NMSA 1978].

D. In determination of eligibility for unemployment compensation rights and benefits for certified school instructors where those rights and benefits are claimed to arise from the employment relationship between governing authorities of state agencies or local school boards and certified school instructors, that period of a year not covered by a school year shall not be considered an unemployment period.

E. Except as provided in Section 22-10-12 NMSA 1978, a person employed by contract pursuant to this section has no legitimate objective expectancy of reemployment, and no contract entered into pursuant to this section shall be construed as an implied promise of continued employment pursuant to a subsequent contract.

**Contracts governed by ordinary rules of contract law.** — Contracts for employment made by a school district and its employees are governed by the ordinary rules of contract law, except where expressly restricted by statute. Board of Educ. v. Jennings, 98 N.M. 602, 651 P.2d 1037 (Ct. App. 1982).

**Subsection A is directory only.** — Because Subsection A does not prescribe the result that will follow if a contract is not on a form approved by the state board, it is directory only. Board of Educ. v. Jennings, 98 N.M. 602, 651 P.2d 1037 (Ct. App. 1982).

**Extension of two-year contract.** — A two-year contract between a local school board and a certified school administrator may not be extended for an additional year, in light of this section, which states that a school administrator's contract may not exceed two years. 1988 Op. Att'y Gen. No. 88-55.

### **22-10A-22. Notice of reemployment; termination.**

On or before the last day of the school year of the existing employment contract, the local school board or the governing authority of the state agency shall serve written notice of reemployment or termination on each certified school instructor employed by the school district or state agency. A notice of reemployment shall be an offer of employment for the ensuing school year. A notice of termination shall be a notice of intention not to reemploy for the ensuing school year. Failure of the local school board

or the governing authority of the state agency to serve a written notice of reemployment or termination on a certified school instructor shall be construed to mean that notice of reemployment has been served upon the person for the ensuing school year according to the terms of the existing employment contract but subject to any additional compensation allowed other certified school instructors of like qualifications and experience employed by the school district or state agency. Nothing in this section shall be construed to mean that failure of a local school board or the governing authority of the state agency to serve a written notice of reemployment or termination shall automatically extend a certified school instructor's employment contract for a period in excess of one school year.

**History:** 1953 Comp., § 77-8-9, enacted by Laws 1967, ch. 16, § 114; 1975, ch. 306, § 8; 1986, ch. 33, § 20; 1978 Comp., § 22-10-12, recompiled as 1978 Comp., § 22-10A-22 by Laws 2003, ch. 153, § 72.

**Mandatory construction.** — Statutes requiring giving of notice of reemployment or dismissal are generally construed as mandatory, and in the absence of the giving of such notice reemployment is usually held to be effected. 1961-62 Op. Att'y Gen. No. 62-129.

**Failure to serve required notice upon nontenured teacher.** — Because appeal to the state board was available only to tenured teachers for a local board's failure to serve the required notice, the failure of the local board to give a nontenured teacher the written notice required by the regulation 14 days before the end of the school year did not require that the court order her re-employment for an additional year. *Provoda v. Maxwell*, 111 N.M. 578, 808 P.2d 28 (1991).

A regulation of the state board of education requiring that notice of reemployment or termination be served no later than 14 days before the end of the school year did not give a nontenured teacher an enforceable right to notice before the end of the school year, and therefore the board's notice of intent not to employ, timely served in accordance with this section, complied with the law. *Giangreco v. Murlless*, 1997-NMCA-061, 123 N.M. 498, 943 P.2d 532.

**Reemployment offer to come from school board.** — An official offer to reemploy can come only from the school board; thus, a teacher's purported acceptance of

employment based on a memorandum from his supervisors of their intent to recommend his reemployment did not form an employment contract. *Giangreco v. Murlless*, 1997-NMCA-061, 123 N.M. 498, 943 P.2d 532.

**Administrators have no tenure rights.** — While certified school instructors have procedural due process and certain other rights under the School Personnel Act, administrators have no tenure rights and therefore have no expectation of continued employment. *Swinney v. ## **22-10A-23. Reemployment; acceptance; rejection; binding contract.**

A. Each certified school instructor shall deliver to the local school board of the school district or to the governing authority of the state agency in which the person is employed a written acceptance or rejection of reemployment for the ensuing school year within fifteen days from the following:

- (1) the date written notice of reemployment is served upon the person; or
- (2) the last day of the school year when no written notice of reemployment or termination is served upon the person on or before the last day of the school year.

B. Delivery of the written acceptance of reemployment by a certified school instructor creates a binding employment contract between the certified school instructor and the local school board or the governing authority of the state agency until the parties enter into a formal written employment contract. Written employment contracts between local school boards or governing authorities of state agencies and certified school instructors shall be executed by the parties not later than ten days before the first day of a school year.

**Failure to serve required notice upon nontenured teacher.** — A regulation of the state board of education requiring that notice of reemployment or termination be served no later than 14 days before the end of the school year did not give a nontenured teacher an enforceable right to notice before the end of the school year, and therefore the board's notice of intent not to employ, timely served in accordance with 22-10-12 NMSA 1978, complied with the law. *Giangreco v. Murlless*, 1997-NMCA-061, 123 N.M. 498, 943 P.2d 532.

**Necessity for acceptance.** — Where if teacher did not receive notice of termination of employment, and such would constitute an offer of reemployment, but teacher did not deliver an acceptance to school board within statutory period, there was no binding contract of employment. *Hyde v. Taos Mun. School*, 84 N.M. 206, 501 P.2d 194 (1972).

**Time requirement for acceptance.** — This section does not authorize written acceptance within 15 days of the end of school, but from the end of school; moreover, the entirety of the section indicates that acceptance is contemplated only after school has ended without the teacher having received any notice. *Provoda v. Maxwell*, 111 N.M. 578, 808 P.2d 28 (1991).

## **22-10A-24. Termination decisions; local school board; governing authority of a state agency; procedures.**

A. A local school board or governing authority of a state agency may terminate an employee with fewer than three years of consecutive service for any reason it deems

sufficient. Upon request of the employee, the superintendent or administrator shall provide written reasons for the decision to terminate. The reasons shall be provided within ten working days of the request. The reasons shall not be publicly disclosed by the superintendent, administrator, local school board or governing authority. The reasons shall not provide a basis for contesting the decision under the School Personnel Act [Chapter 22, Article 10A NMSA 1978].

B. Before terminating a non-certified school employee, the local school board or governing authority shall serve the employee with a written notice of termination.

C. An employee who has been employed by a school district or state agency for three consecutive years and who receives a notice of termination pursuant to either Section 22-10-12 NMSA 1978 [recompiled] or this section, may request an opportunity to make a statement to the local school board or governing authority on the decision to terminate him by submitting a written request to the local superintendent or administrator within five working days from the date written notice of termination is served upon him. The employee may also request in writing the reasons for the action to terminate him. The local superintendent or administrator shall provide written reasons for the notice of termination to the employee within five working days from the date the written request for a meeting and the written request for the reasons were received by the local superintendent or administrator. Neither the local superintendent or administrator nor the local school board or governing authority shall publicly disclose its reasons for termination.

D. A local school board or governing authority may not terminate an employee who has been employed by a school district or state agency for three consecutive years without just cause.

E. The employee's request pursuant to Subsection C of this section shall be granted if he responds to the local superintendent's or administrator's written reasons as provided in Subsection C of this section by submitting in writing to the local superintendent or administrator a contention that the decision to terminate him was made without just cause. The written contention shall specify the grounds on which it is contended that the decision was without just cause and shall include a statement of the facts that the employee believes support his contention. This written statement shall be submitted within ten working days from the date the employee receives the written reasons from the local superintendent or administrator. The submission of this statement constitutes a representation on the part of the employee that he can support his contentions and an acknowledgment that the local school board or governing authority may offer the causes for its decision and any relevant data in its possession in rebuttal of his contentions.

F. A local school board or governing authority shall meet to hear the employee's statement in no less than five or more than fifteen working days after the local school board or governing authority receives the statement. The hearing shall be conducted informally in accordance with the provisions of the Open Meetings Act [Chapter 10,

Article 15 NMSA 1978]. The employee and the local superintendent or administrator may each be accompanied by a person of his choice. First, the superintendent shall present the factual basis for his determination that just cause exists for the termination of the employee, limited to those reasons provided to the employee pursuant to Subsection C of this section. Then, the employee shall present his contentions, limited to those grounds specified in Subsection E of this section. The local school board or governing authority may offer such rebuttal testimony as it deems relevant. All witnesses may be questioned by the local school board or governing authority, the employee or his representative and the local superintendent or administrator or his representative. The local school board or governing authority may consider only such evidence as is presented at the hearing and need consider only such evidence as it considers reliable. No record shall be made of the proceeding. The local school board or governing authority shall notify the employee and the local superintendent or administrator of its decision in writing within five working days from the conclusion of the meeting.

## ANNOTATIONS

### I. GENERAL CONSIDERATION.

**The 1990 amendment**, effective May 16, 1990, inserted "governing authority of a state agency" in the catchline and in the first sentence of Subsection A and "or governing authority" following "local school board", "or state agency" following "school district", and "local" before "superintendent" throughout the section; added the final four sentences in Subsection A; in Subsection B, substituted "five working days" for "five calendar days" in two places and deleted "local school board's" preceding "action to terminate him" at the end of the second sentence; in Subsection C, inserted "state agency" in Subparagraph (c) of Paragraph (2); substituted "ten working days" for "five calendar days" in the third sentence of Subsection D; and, in Subsection E, substituted "in no less than five or more than fifteen working days" for "within ten calendar days" in the first sentence and "five working days" for "five calendar days" in the final sentence.

**The 1991 amendment**, effective June 14, 1991, rewrote this section to the extent that a detailed comparison would be impracticable.

**The 1993 amendment**, effective July 1, 1993, substituted "Subsection A" for "Subsection B" in the first sentence and "were received" for "was received" in the third sentence of Subsection B; substituted "Subsection B" for "Subsection C" in two places in the first sentence of Subsection D and in the fourth sentence of Subsection E; and substituted "Subsection D" for "Subsection E" in the fifth sentence of Subsection E.

**The 1994 amendment**, effective May 18, 1994, substituted "employee" for "certified school instructor" throughout the section, rewrote the first sentence of Subsection A, added Subsection B and redesignated former Subsections B through E as Subsections C through F and made related changes, substituted "or this section" for "or Subsection A of this section" in Subsection C, and substituted "terminate" for "refuse to reemploy" in Subsection D.

**Recompilations.** — Laws 2003, ch. 153, § 72 recompiles former 22-10-14 NMSA 1978, as 22-10A-24 NMSA 1978, effective April 4, 2003.

**Compiler's notes.** — Section 22-10-12 NMSA 1978 referred to in Subsection C was recompiled by Laws 2003, ch. 153, § 72 as 22-10A-22 NMSA 1978, effective April 4, 2003.

**Constitutionality.** — The procedures in this section, 22-10-14.1 [now 22-10A-25 NMSA 1978], 22-10-17 [now 22-10A-27 NMSA 1978], and 22-10-17.1 NMSA 1978 [now 22-10A-28 NMSA 1978] satisfy the requirements of the due process clause of the fourteenth amendment to the Constitution of the United States. 1988 Op. Att'y Gen. No. 88-05.

**Effect of 1994 amendment.** — The 1994 amendment to this section and 22-10-14.1 NMSA 1978 [now 22-10A-25 NMSA 1978] does not protect a non-certified public school employee who was terminated a few days after the effective date of the amendment when the termination was authorized by the terms of a contract that predated the effective date of the amendment. *Gadsden Fed'n of Teachers v. ## II. TENURE RIGHTS.

### A. GENERALLY.

**Compiler's notes.** — Most of the cases cited in the notes below were decided under this section as it existed prior to the 1986 reenactment. Prior to the reenactment, the

section provided for tenure rights for certified school instructors employed for three consecutive school years and having entered into an employment contract for a fourth consecutive school year. See now 22-10-11E NMSA 1978 [now 22-10A-21 NMSA 1978], which provides that, except as provided in 22-10-12 NMSA 1978 [now 22-10A-22 NMSA 1978], no person employed by contract pursuant to 22-10-11 NMSA 1978 [now 22-10A-21 NMSA 1978] shall have a legitimate objective expectancy of reemployment, and Subsection F of this section.

**Policy behind tenure statute.** — The legislature recognized the sound public policy of retaining in the public school system teachers who had become increasingly valuable by reason of their experience and had by statute assured these public servants an indefinite tenure of position during satisfactory performance of their duties. 1963-64 Op. Att'y Gen. No. 63-152 (rendered under former law).

**Drawing on facts predating statute not retroactive application.** — The supreme court has held that teacher tenure laws are prospective in application. However, a statute is not applied retroactively merely because it draws upon antecedent facts for its operation. *Lucero v. Board of Regents*, 91 N.M. 770, 581 P.2d 458 (1978).

**Persons to whom applicable.** — Only certified school instructors with three or more years of service are entitled to procedural due process prior to nonrenewal; the statutory scheme does not give similar protection to administrators at the expiration and nonrenewal of their contracts. *Cole v. Ruidoso Mun. Sch.*, 947 F.2d 903 (10th Cir. 1991).

While certified school instructors have procedural due process and certain other rights under the School Personnel Act, administrators have no tenure rights and therefore have no expectation of continued employment. *Swinney v. Deming Bd. of Educ.*, 117 N.M. 492, 873 P.2d 238 (1994).

The legislature purposely excluded school administrators from the protections afforded certified school instructors. *Naranjo v. Board of Educ.*, 119 N.M. 401, 891 P.2d 542 (1995).

**Teacher at state school held entitled to tenure.** — Where a certified teacher seeking recognition as a tenured teacher had been employed for three consecutive years prior to the effective date of the 1975 amendment making this section applicable to state agencies, and had entered into a contract for the fourth consecutive year after the amendment became effective, his years of service prior to that date could be counted towards the required number of years of employment, since a contract had been entered into after the effective date of the amendment. *Lucero v. Board of Regents*, 91 N.M. 770, 581 P.2d 458 (1978).

**Section required only that a certified school instructor be employed by a school district;** it did not limit that employment to teaching positions or to employment in a

single school within that district. *Penasco Indep. School Dist. No. 4 v. Lucero*, 86 N.M. 683, 526 P.2d 825 (Ct. App. 1974)(decided prior to 1983 amendment).

**"Employed"** required that a contract be entered into for four consecutive years and services be rendered. 1968 Op. Att'y Gen. No. 68-70.

**Teacher did not acquire tenure** where the three years of service were not consecutive, being interrupted by a leave of absence for one year. 1968 Op. Att'y Gen. No. 68-70.

**Instructor lost tenure rights upon employment as administrator.** — A certified school instructor who had previously acquired tenure rights as a certified school instructor with a public school district lost those tenure rights as a result of being reemployed for the next consecutive school year as a certified school administrator. *Atencio v. Board of Educ.*, 99 N.M. 168, 655 P.2d 1012 (1982)(decided prior to 1983 amendment adding last sentence of Subsection B).

An individual who voluntarily changed his teacher status to become a certified school administrator did not retain a property interest as a tenured certified school instructor entitled to protection by due process. *Atencio v. Board of Educ.*, 99 N.M. 168, 655 P.2d 1012 (1982)(decided prior to 1983 amendment).

**Reduction in force or staff realignment.** — A tenured teacher subject to termination under a reduction-in-force plan is entitled to bump a non-tenured teacher holding a position for which both are certified, or take priority over a non-tenured teacher in obtaining the necessary certification for a vacant position for which neither is presently certified. However, a tenured teacher can be terminated and a non-tenured teacher retained as an alternative to a staff realignment which would seriously affect the educational program. *New Mexico State Bd. of Educ. v. Abeyta*, 107 N.M. 1, 751 P.2d 685 (1988).

**Reemployment offer to come from school board.** — An official offer to reemploy can come only from the school board; thus, a teacher's purported acceptance of employment based on a memorandum from his supervisors of their intent to recommend his reemployment did not form an employment contract. *Giangreco v. Murlless*, 1997-NMCA-061, 123 N.M. 498, 943 P.2d 532.

## **B. PROCEDURE FOR REFUSAL TO REEMPLOY.**

**Compiler's notes.** — The cases cited in the notes below were decided under former 22-10-15 NMSA 1978, repealed in 1986.

**Sufficiency of notice of termination.** — Where teacher with tenure rights was only given two days notice - excluding the date of service - before the end of the school year, and under the regulations prescribed by the state board she was entitled to no less than 14 days notice before the end of the school year, the conduct of the local board in failing

to follow the regulation amounted to unfairness, and although teacher may have known her principal was going to recommend to the local board that she not be reemployed, this placed no burden upon her to employ an attorney, or to otherwise begin the preparation of her defense, in anticipation of the ruling of the local board. She was entitled, insofar as the section and the rule permitted, to a timely notice, pursuant to the requirements of the rule. *Brininstool v. New Mexico State Bd. of Educ.*, 81 N.M. 319, 466 P.2d 885 (Ct. App. 1970).

Evaluation reports by a school principal and a supervisor addressed "To Whom It May Concern," copies of which were sent to counsel for teacher, did not constitute the written statement of the cause or causes for his dismissal even though the letter by which these evaluation reports were transmitted referred to them as formal charges on file with the local board, and also advised of complaints and observations made against teacher by school patrons and parents. *Belen Mun. Bd. of Educ. v. Sanchez*, 75 N.M. 386, 405 P.2d 229 (1965).

**Grounds for termination.** — Absent grounds personal to a teacher, to terminate his services it is necessary to show affirmatively that there is no position available which he is qualified to teach, and where a local board asserts no grounds personal to the teacher, it is up to them to prove that no position is available for which he is qualified. *Penasco Indep. School Dist. No. 4 v. Lucero*, 86 N.M. 683, 526 P.2d 825 (Ct. App. 1974).

Absent grounds personal to the teacher, to terminate her services it was necessary to show affirmatively that there was no position available which tenured teacher was qualified to teach. *Fort Sumner Mun. School Bd. v. Parsons*, 82 N.M. 610, 485 P.2d 366 (Ct. App.), cert. denied, 82 N.M. 601, 485 P.2d 357 (1971).

### C. HEARINGS.

**Compiler's notes.** — The cases cited in the notes below were decided under former 22-10-19 NMSA 1978, repealed in 1986.

**Hearing prerequisite to appeal.** — It is well settled that a teacher must first seek a hearing before the local board and, if dissatisfied there, appeal from an adverse decision of the local board to the state board of education. *Shepard v. Board of Educ.*, 81 N.M. 585, 470 P.2d 306 (1970).

The right to appeal to the state board, affirmatively authorized, is from a decision of the local board "after a hearing." The negative implication is that where no hearing has been held, an appeal to the state board is not authorized. Absent a hearing before the local board, neither the state board nor the court of appeals has jurisdiction over any matter presented. *Quintana v. State Bd. of Educ.*, 81 N.M. 671, 472 P.2d 385 (Ct. App.), cert. denied, 81 N.M. 668, 472 P.2d 382 (1970).

A teacher whose contract was not renewed and who so desired had an obligation to call for a hearing before the local school board, to be followed by an appeal to state board of education in event decision of the local board was unsatisfactory, before resorting to the courts for relief. *Jones v. Board of School Dirs.*, 55 N.M. 195, 230 P.2d 231 (1951).

**Local board's decision must rest on its conclusion of law** and the conclusion must in turn be supported by one or more findings of fact. *Morgan v. New Mexico State Bd. of Educ.*, 83 N.M. 106, 488 P.2d 1210 (Ct. App.), cert. denied, 83 N.M. 105, 488 P.2d 1209 (1971).

**Admission of hearsay evidence.** — Where discharged school principal, appealing from his discharge for insubordination, complained of the admission of four written exhibits at the local board hearing on the basis that the documents were hearsay and prejudicial to his interest, and where none of the four exhibits contained evidence of insubordination during the term of the current contract, but each tended to establish that principal's insubordination during the current contract was willful, admission of the written hearsay was not error, since it could not have said that principal's right to a fair hearing, or his interests, was substantially prejudiced thereby. *McAlister v. New Mexico State Bd. of Educ.*, 82 N.M. 731, 487 P.2d 159 (Ct. App. 1971).

### III. NON-TENURED EMPLOYERS.

**Due process required.** — Exhaustion of administrative remedies as a precursor to plaintiff's suit for wrongful termination was not required where school district did not inform plaintiff of his right to attend the board meeting where his termination would be discussed, and thereby deprived plaintiff of his due process right to employ the administrative process mandated by this section. *Franco v. Carlsbad Mun. Schs.*, 2001-NMCA-042, 130 N.M. 543, 28 P.3d 531.

### **22-10A-25. Appeals; independent arbitrator; qualifications; procedure; binding decision.**

A. An employee who is still aggrieved by a decision of a local school board or governing authority rendered pursuant to Section 22-10-14 NMSA 1978 [recompiled] may appeal the decision to an arbitrator. A written appeal shall be submitted to the local superintendent or administrator within five working days from the receipt of the local school board's or governing authority's written decision or the refusal of the board or authority to grant a hearing. The appeal shall be accompanied by a statement of particulars specifying the grounds on which it is contended that the decision was impermissible pursuant to Subsection E of Section 22-10-14 NMSA 1978 [recompiled] and including a statement of facts supporting the contentions. Failure of the employee to submit a timely appeal or a statement of particulars with the appeal shall disqualify him for any appeal and render the local school board's or governing authority's decision final.

B. The local school board or governing authority and the employee shall meet within ten working days from the receipt of the request for an appeal and select an independent arbitrator to conduct the appeal. If the parties fail to agree on an independent arbitrator, they shall request the presiding judge in the judicial district in which the employee's public school is located to select one. The presiding judge shall select the independent arbitrator within five working days from the date of the parties' request.

C. A qualified independent arbitrator shall be appointed who is versed in employment practices and school procedures and who preferably has experience in the practice of law. No person shall be appointed to serve as the independent arbitrator who has any direct or indirect financial interest in the outcome of the proceeding, has any relationship to any party in the proceeding, is employed by the local school board or governing authority or is a member of or employed by any professional or labor organization of which the employee is a member.

D. Appeals from the decision of the local school board or governing authority shall be decided after a de novo hearing before the independent arbitrator. The issue to be decided by the independent arbitrator is whether there was just cause for the decision of the local school board or governing authority to terminate the employee.

E. The de novo hearing shall be held within thirty working days from the selection of the independent arbitrator. The arbitrator shall give written notice of the date, time and place of the hearing, and such notice shall be sent to the employee and the local school board or governing authority.

F. Each party has the right to be represented by counsel at the hearing before the independent arbitrator.

G. Discovery shall be limited to depositions and requests for production of documents on a time schedule to be established by the independent arbitrator.

H. The independent arbitrator may issue subpoenas for the attendance of witnesses and for the production of books, records, documents and other evidence and shall have the power to administer oaths. Subpoenas so issued shall be served and enforced in the manner provided by law for the service and enforcement of subpoenas in a civil action.

I. The rules of civil procedure shall not apply to the de novo hearing, but it shall be conducted so that both contentions and responses are amply and fairly presented. To this end, the independent arbitrator shall permit either party to call and examine witnesses, cross-examine witnesses and introduce exhibits. The technical rules of evidence shall not apply, but, in ruling on the admissibility of evidence, the independent arbitrator shall require reasonable substantiation of statements or records tendered, the accuracy or truth of which is in reasonable doubt.

J. The local school board or governing authority has the burden of proof and shall prove by a preponderance of the evidence that, at the time the notice of termination was served on the employee, the local school board or governing authority had just cause to terminate the employee. If the local school board or governing authority proves by a preponderance of the evidence that there was just cause for its action, then the burden shifts to the employee to rebut the evidence presented by the local school board or governing authority.

K. The independent arbitrator shall uphold the local school board's or governing authority's decision only if it proves by a preponderance of the evidence that, at the time the notice of termination was served on the employee, the local school board or governing authority had just cause to terminate the employee. If the local school board or governing authority fails to meet its burden of proof or if the employee rebuts the proof offered by the local school board or governing authority, the arbitrator shall reverse the decision of the local school board or governing authority.

L. No official record shall be made of the hearing. Either party desiring a record of the arbitration proceedings may, at his own expense, record or otherwise provide for a transcript of the proceedings; provided, however, that the record so provided shall not be deemed an official transcript of the proceedings nor shall it imply any right of automatic appeal or review.

M. The independent arbitrator shall render a written decision affirming or reversing the action of the local school board or governing authority. The decision shall contain findings of fact and conclusions of law. The parties shall receive actual written notice of the decision of the independent arbitrator within ten working days from the conclusion of the de novo hearing.

N. The sole remedies available under this section shall be reinstatement or payment of compensation reinstated in full but subject to any additional compensation allowed other employees of like qualifications and experience employed by the school district or state agency and including reimbursement for compensation during the entire period for which compensation was terminated, or both, less an offset for any compensation received by the employee during the period the compensation was terminated.

O. Unless a party can demonstrate prejudice arising from a departure from the procedures established in this section and in Section 22-10-14 NMSA 1978 [recompiled], such departure shall be presumed to be harmless error.

P. The decision of the independent arbitrator shall be binding on both parties and shall be final and nonappealable except where the decision was procured by corruption, fraud, deception or collusion, in which case it shall be appealed to the district court in the judicial district in which the public school or state agency is located.

Q. Each party shall bear its own costs and expenses. The independent arbitrator's fees and other expenses incurred in the conduct of the arbitration shall be assigned at the discretion of the independent arbitrator.

R. Local school districts shall file a record with the department of education of all terminations and all actions arising from terminations annually.

## ANNOTATIONS

**The 1990 amendment**, effective May 16, 1990, inserted "or governing authority" following "local school board" throughout the section; in Subsection A, deleted "who has been employed by a school district for three consecutive years and" following "school instructor" and substituted "may appeal the decision to an arbitrator" for "may request an appeal to an independent arbitrator" in the first sentence, rewrote the second sentence which read "A written request for an appeal shall be submitted to the local superintendent within five calendar days from the receipt of the local school board's written decision or the refusal of the board to grant a hearing", substituted "appeal" and "the appeal" for "request" and "his request" in the third and fourth sentences, and deleted "request for" before "appeal" the first time the word appears in the fourth sentence; in Subsection B, substituted "ten working days" for "ten calendar days" in the first sentence and "five working days" for "five calendar days" in the third sentence; substituted "thirty working days" for "thirty calendar days" in Subsection E; inserted "local school" preceding "board's" in the second sentence of Subsection J and in Subsection K; substituted "ten working days" for "ten calendar days" in the third sentence of Subsection M; inserted "or state agency" following "school district" in two places in Subsection N and following "public school" near the end of Subsection P; and, in Subsection Q, substituted "assigned at the discretion of the arbitrator" for "borne by the school district; provided that if the certified school instructor does not prevail in the proceeding, he shall be responsible for reimbursing the school district for the costs incurred in the conduct of the arbitration proceedings and the arbitrator's fees" at the end thereof.

**The 1991 amendment**, effective June 14, 1991, rewrote this section to the extent that a detailed comparison would be impracticable.

**The 1994 amendment**, effective May 18, 1994, substituted "employee" for "certified school instructor" throughout the section, substituted "Subsection E of Section 22-10-14 NMSa 1978" for "Subsection D of Section 22-10-14 NMSA 1978" in Subsection A, and substituted "professional or labor organization" for "teachers' organization" in Subsection C.

**Recompilations.** — Laws 2003, ch. 153, § 72 recompiles former 22-10-14.1 NMSA 1978, as 22-10A-25 NMSA 1978, effective April 4, 2003.

**Compiler's notes.** — Section 22-10-14 NMSA 1978 referred to in Subsections A and O was recompiled by Laws 2003, ch. 153, § 73 as 22-10A-24 NMSA 1978, effective April 4, 2003.

**Constitutionality.** — The procedures in 22-10-14 [now 22-10A-24 NMSA 1978], this section, 22-10-17 [now 22-10A-27 NMSA 1978], and 22-10-17.1 NMSA 1978 [now 22-10A-28 NMSA 1978] satisfy the requirements of the due process clause of the fourteenth amendment to the Constitution of the United States. 1988 Op. Att'y Gen. No. 88-05.

**Effect of 1994 amendment.** — The 1994 amendment to this section and 22-10-14 NMSA 1978 does not protect a non-certified public school employee who was terminated a few days after the effective date of the amendment when the termination was authorized by the terms of a contract that predated the effective date of the amendment. *Gadsden Fed'n of Teachers v. Board of Educ.*, 1996-NMCA-069, 122 N.M. 98, 920 P.2d 1052.

**Adequate review necessary for reversal.** — Before the state board opts to reject the decision of its hearing officer, particularly when the credibility of the witnesses is at issue, at the very least it must review so much of the transcript of the proceedings before the hearing officer as is necessary to support its decision (decided under former 22-10-20 NMSA 1978). *Board of Educ. v. New Mexico State Bd. of Educ.*, 106 N.M. 129, 740 P.2d 123 (Ct. App. 1987).

**Arbitration not required.** — Plaintiff was not required to appeal his termination by a school district to an independent arbitrator before filing suit for wrongful termination, where the district's own procedures successfully thwarted any possible effort by plaintiff to utilize available administrative procedures. *Franco v. Carlsbad Mun. Schs.*, 2001-NMCA-042, 130 N.M. 543, 28 P.3d 531.

**Board's reversal of hearing officer held erroneous.** — The state board improvidently found that the local board did not establish sufficient cause for its discharge of a teacher by a preponderance of the evidence, in light of the number of witnesses testifying before the local board as to the teacher's sexual advances and the nature of their testimony (decided under former 22-10-20 NMSA 1978). *Board of Educ. v. New Mexico State Bd. of Educ.*, 106 N.M. 129, 740 P.2d 123 (Ct. App. 1987).

(1) the superintendent shall serve a written notice of his intent to recommend discharge on the certified school employee in accordance with the law for service of process in civil actions; and

(2) the superintendent shall state in the notice of his intent to recommend discharge the cause for his recommendation and shall advise the certified school employee of his right to a discharge hearing before the local school board or governing authority as provided in this section.

B. C. The local school board or governing authority shall permit either party to call, examine and cross-examine witnesses and to introduce documentary evidence.

## ANNOTATIONS

### I. GENERAL CONSIDERATION.

**The 1989 amendment**, effective June 16, 1989, inserted references to "certified school instructor" and "certified school administrator" throughout the section and added the last sentence in Subsection C.

**The 1990 amendment**, effective May 16, 1990, inserted "or governing authority" following "local school board" and "or administrator" following "superintendent" throughout the section; substituted "ten working days" for "five calendar days" near the end of Subsection B; substituted "in no less than five and no more than fifteen working days" for "within ten calendar days" in the fourth sentence and "five working days" for "five calendar days" in the final sentence of Subsection C; and, near the middle of Subsection D substituted "five working days" for "five calendar days."

**The 1991 amendment**, effective June 14, 1991, rewrote this section to the extent that a detailed comparison would be impracticable.

**Recompilations.** — Laws 2003, ch. 153, § 72 recompiles former 22-10-17 NMSA 1978, as 22-10A-27 NMSA 1978, effective April 4, 2003.

78 C.J.S. Schools and School Districts § 270 et seq.

## II. DISCHARGE PROCEDURE.

**Compiler's notes.** — The cases cited in the notes below were decided under this section as it existed prior to the 1986 reenactment.

**Construction of this section and 22-10-21 NMSA 1978 [now 22-10A-30 NMSA 1978].** See *Morgan v. New Mexico State Bd. of Educ.*, 83 N.M. 106, 488 P.2d 1210 (Ct. App.), cert. denied, 83 N.M. 105, 488 P.2d 1209 (1971).

**Section inapplicable to suspensions with pay for duration of contract.** — School board's action in suspending school superintendent with pay for the duration of his contract period did not amount to a discharge and was not protected by the statutory requirements for a hearing. *Black v. Board of Educ.*, 87 N.M. 45, 529 P.2d 271 (1974).

**Neutral tribunal not required at pre-termination hearing,** because the statutory framework of the School Personnel Act, 22-10A-27 to -28 NMSA 1978, provides for the opportunity to appeal the board's decision to an independent arbitrator in a post-termination hearing, followed by meaningful district court review. *West v. San Jon Board of Education*, 2003-NMCA-130, 134 N.M. 498, 79 P.3d 842, cert. denied, 2003-NMCERT-002, 134 N.M. 723, 82 P.3d 533.

**Exhaustion of administrative remedies required.** — By not completing her appeal of the board's decision to an independent arbitrator, a discharged teacher failed to exhaust her administrative remedies under the procedures set forth by the School Personnel Act, 22-10A-27 to -28 NMSA 1978. *West v. San Jon Board of Education*, 2003-NMCA-130, 134 N.M. 498, 79 P.3d 842, cert. denied, \_\_\_ N.M. \_\_\_, \_\_\_ P.3d \_\_\_.

**Whether discharged teacher was entitled to pre-discharge work conferences** was a factual question where allegations against her were based on insubordination and willful misconduct. *West v. San Jon Board of Education*, 2003-NMCA-130, 134 N.M. 498, 79 P.3d 842, cert. denied, 2003-NMCERT-002, 134 N.M. 723, 82 P.3d 533.

**Determination as to good cause for discharge.** — In the absence of a statutory definition of the term, it is the function of the state board of education in the exercise of its sound discretion to determine the question of "good cause," and its determination is conclusive unless the evidence discloses that it acted unlawfully, arbitrarily or capriciously. *Lopez v. State Bd. of Educ.*, 70 N.M. 166, 372 P.2d 121 (1962).

**School boards may discharge superintendent without interim appointment.** — The school board may discharge those employees of the school district that it directly employs, specifically superintendents, and is not required to hire an interim employee to fulfill this task or wait for the superintendent to recommend his own discharge. *Stanley v. Raton Bd. of Educ.*, 117 N.M. 717, 876 P.2d 232 (1994).

**Assault while intoxicated.** — State board of education did not act unlawfully, arbitrarily or capriciously in finding good cause for the termination of a teacher's contract where teacher assaulted a woman in a bar while intoxicated. *Lopez v. State Bd. of Educ.*, 70 N.M. 166, 372 P.2d 121 (1962).

**Insubordination.** See *McAlister v. New Mexico State Bd. of Educ.*, 82 N.M. 731, 487 P.2d 159 (Ct. App. 1971).

**Timing of hearing mandatory.** — The time specified for conducting a dismissal hearing pursuant to this section is mandatory, unless waived by the parties or unless a continuance is sought and obtained for good cause. *Board of Educ. v. Singleton*, 103 N.M. 722, 712 P.2d 1384 (Ct. App. 1985).

**Appeal limited to issues urged at hearing.** — A school board's delay in according a dismissed teacher a timely hearing under this section and the provisions of her contract could not be urged as a basis for dismissal of the board's appeal, where this ground

was not initially argued in the administrative hearing below. Board of Educ. v. Singleton, 103 N.M. 722, 712 P.2d 1384 (Ct. App. 1985).

**22-10A-28. Appeals; independent arbitrator; qualifications; procedure; binding decision.**

A. A certified school employee aggrieved by a decision of a local school board or governing authority to discharge him after a discharge hearing held pursuant to Section 22-10-17 NMSA 1978 [recompiled] may appeal the decision to an independent arbitrator. A written notice of appeal shall be submitted to the local superintendent or administrator within five working days from the receipt of the copy of the written decision of the local school board or governing authority.

B. The local school board or governing authority and the certified school employee shall meet within ten calendar days from the receipt of the notice of appeal and select an independent arbitrator to conduct the appeal, or, in the event the parties fail to agree on an independent arbitrator, they shall request the presiding judge in the judicial district in which the public school is located to select the independent arbitrator. The presiding judge shall select the independent arbitrator within five working days from the date of the parties' request.

C. A qualified independent arbitrator shall be appointed who is versed in employment practices and school procedures. No person shall be appointed to serve as the independent arbitrator who has any direct or indirect financial interest in the outcome of the proceeding, has any relationship to any party in the proceeding, is employed by the local school board or governing authority or is a member of or employed by any professional organization of which the certified school employee is a member.

D. Appeals from the decision of the local school board or governing authority shall be decided after a de novo hearing before the independent arbitrator. The local school board or governing authority shall have the burden of proving by a preponderance of the evidence that, at the time of the notice of intent to recommend discharge, the local superintendent or administrator had just cause to discharge the certified school employee. The local school board or governing authority shall present its evidence first, with the certified school employee presenting his evidence thereafter.

E. The hearing shall be held within thirty working days from the selection of the independent arbitrator. The independent arbitrator shall give written notice of the date, time and place of the hearing, and such notice shall be sent to the certified school employee and the local school board or governing authority.

F. Each party has the right to be represented by counsel at the hearing before the independent arbitrator.

G. Discovery shall be limited to depositions and requests for production of documents on a time schedule to be established by the independent arbitrator.

H. The independent arbitrator may issue subpoenas for the attendance of witnesses and for the production of books, records, documents and other evidence and shall have the power to administer oaths. Subpoenas so issued shall be served and enforced in the manner provided by law for the service and enforcement of subpoenas in a civil action or in the manner provided by the American arbitration association's voluntary labor arbitration rules if that entity is used by the parties.

I. The rules of civil procedure shall not apply to the hearing, but it shall be conducted so that both contentions and responses are amply and fairly presented. To this end, the independent arbitrator shall permit either party to call and examine witnesses, cross-examine witnesses and introduce exhibits. The technical rules of evidence shall not apply, but, in ruling on the admissibility of evidence, the independent arbitrator may require reasonable substantiation of statements or records tendered, the accuracy or truth of which is in reasonable doubt.

J. An official record shall be made of the hearing. Either party may order a transcript of the record at his own expense.

K. The independent arbitrator shall render a written decision affirming or reversing the action of the local school board or governing authority. The decision shall contain findings of fact and conclusions of law. The parties shall receive the written decision of the independent arbitrator within thirty working days from the conclusion of the hearing.

L. Unless a party can demonstrate prejudice arising from a departure from the procedures established in this section and in Section 22-10-17 NMSA 1978 [recompiled], such departure shall be presumed to be harmless error.

M. The decision of the independent arbitrator shall be final and binding on both parties and shall be nonappealable except where the decision was procured by corruption, fraud, deception or collusion, in which case it may be appealed to the court of appeals by filing a notice of appeal as provided by the New Mexico rules of appellate procedure.

N. Each party shall bear its own costs and expenses. The independent arbitrator's fees and other expenses incurred in the conduct of the arbitration shall be assigned at the discretion of the independent arbitrator.

## ANNOTATIONS

**The 1990 amendment**, effective May 16, 1990, inserted "or governing authority" following "local school board" throughout the section; in Subsection A, in the first sentence, inserted "local school" preceding "board" the second time the reference appears and substituted "may appeal the decision" for "may request an appeal", in the second sentence, inserted "or administrator" and substituted "five working days" for "five calendar days" and, in the third sentence, substituted "The appeal shall be" for "The request for an appeal to an independent arbitrator shall be"; substituted "five working days" for "five calendar days" in the final sentence of Subsection B; in Subsection E, substituted "thirty working days" for "thirty calendar days" in the first sentence and inserted "or certified school administrator" in the second sentence; substituted "labor arbitration rules" for "rules for arbitration" near the end of Subsection H; substituted "thirty working days" for "thirty calendar days" in the third sentence of Subsection K; in Subsection N, substituted "Each party" for "Either party" at the beginning of the first sentence and rewrote the second sentence which read "The arbitrator's fees and other expenses incurred in the conduct of the arbitration shall be borne by the school districts; provided that if the certified school instructor or administrator does not prevail in the proceeding, he shall be responsible for reimbursing the school district for the costs incurred in the conduct of the arbitration proceeding and the arbitrator's fees"; and deleted former Subsection O relating to compliance with the American arbitration association's rules.

**The 1991 amendment**, effective June 14, 1991, substituted "employee" for "instructor or certified school administrator" throughout the section; substituted "notice of appeal" for "request for an appeal" in the second sentence in Subsection A and in the first sentence in Subsection B; in Subsection A, substituted "a discharge hearing held" for "his statement to the local school board presented" in the first sentence and deleted the former third sentence which read "The appeal shall be accompanied by a statement of particulars specifying the grounds on which it is contended that the decision was not based on good and just cause"; in Subsection C substituted "professional organization" for "teachers' or administrators' organization"; in Subsection D, inserted "de novo" in the first sentence and substituted the second and third sentences for the former second sentence which read "The issue to be decided by the independent arbitrator is whether the board's decision to discharge the certified school instructor or certified school administrator was based on good and just cause"; and made minor stylistic changes throughout the section.

**Recompilations.** — Laws 2003, ch. 153, § 72 recompiles former 22-10-17.1 NMSA 1978, as 22-10A-28 NMSA 1978, effective April 4, 2003.

**Compiler's notes.** — Section 22-10-17 NMSA 1978 referred to in Subsections A and L was recompiled by Laws 2003, ch. 153, § 73 as 22-10A-27 NMSA 1978, effective April 4, 2003.

**Constitutionality.** — The procedures in 22-10-14 [now 22-10A-24 NMSA 1978], 22-10-14.1 [now 22-10A-25 NMSA 1978], 22-10-17 [now 22-10A-27 NMSA 1978], and this

section NMSA 1978 satisfy the requirements of the due process clause of the fourteenth amendment to the Constitution of the United States. 1988 Op. Att'y Gen. No. 88-05.

Considered together, the pre- and post-termination procedures of the School Personnel Act, 22-10A-27 to -28 NMSA 1978, comport with due process requirements. *West v. San Jon Board of Education*, 2003-NMCA-130, 134 N.M. 498, 79 P.3d 842, cert. denied, 2003-NMCERT-002, 134 N.M. 723, 82 P.3d 533.

**Neutral tribunal not required at pre-termination hearing**, because the statutory framework of the School Personnel Act, 22-10A-27 to -28 NMSA 1978, provides for the opportunity to appeal the board's decision to an independent arbitrator in a post-termination hearing, followed by meaningful district court review. *West v. San Jon Board of Education*, 2003-NMCA-130, 134 N.M. 498, 79 P.3d 842, cert. denied, 2003-NMCERT-002, 134 N.M. 723, 82 P.3d 533.

**Exhaustion of administrative remedies required.** – By not completing her appeal of the board's decision to an independent arbitrator, a discharged teacher failed to exhaust her administrative remedies under the procedures set forth in this section. *West v. San Jon Board of Education*, 2003-NMCA-130, 134 N.M. 498, 79 P.3d 842, cert. denied, 2003-NMCERT-002, 134 N.M. 723, 82 P.3d 533.

**Compulsory arbitration is constitutional** and the procedures used in judicial tribunals need not be used in compulsory arbitration, so long as the arbitration procedures are sufficient to guarantee a fair proceeding. Therefore, the provisions of this section mandating compulsory arbitration of the grievances of discharged school employees do not violate an employee's right of access to the courts, or right to jury trial; nor do these provisions unconstitutionally delegate power to a nonjudicial tribunal. *Board of Educ. v. Harrell*, 118 N.M. 470, 882 P.2d 511 (1994).

**Unconstitutional limit on judicial review.** — Because due process and the separation of powers principle requires that parties to statutorily mandated arbitration be offered meaningful review of the arbitrator's decision, the provision of Subsection M limiting judicial review of the arbitrator's decision to cases "where the decision was procured by corruption, fraud, deception or collusion" must be stricken as a violation of due process and as an unconstitutional delegation of judicial power. *Board of Educ. v. Harrell*, 118 N.M. 470, 882 P.2d 511 (1994).

**Standard of review.** — Subsection D requires the reviewing entity to determine whether the alleged misconduct actually occurred and constitutes just cause for discharge. *Santa Fe Pub. Schs. v. Romero*, 2001-NMCA-103, 131 N.M. 383, 37 P.3d 100.

## **22-10A-29. Compensation payments to discharged personnel.**

A. Payment of compensation to any certified school instructor employed by a local school board or by the governing authority of a state agency and payment of

compensation to any certified school administrator employed by a local school board shall terminate as of the date, after a hearing, that a written copy of the decision of the local school board or the governing authority of the state agency to discharge the person is served on the person. If the compensation of the person discharged during the term of a written employment contract is to be paid monthly during a twelve-month period for services to be performed during a period less than twelve months, the person shall be entitled to a pro rata share of the compensation payments due for the period during the twelve months in which no services were to be performed.

B. In the event the action of the local school board in discharging a certified school instructor or administrator or the action of the governing authority of a state agency in discharging a certified school instructor is reversed on appeal, payment of compensation to the person shall be reinstated in full but subject to any additional compensation allowed other certified school instructor or administrator of like qualifications and experience employed by the school district or state agency and including reimbursement for compensation during the entire period the compensation was terminated less an offset for any compensation received by the person from a school district or state agency during the period the compensation was terminated.

**History:** 1953 Comp., § 77-8-15, enacted by Laws 1967, ch. 16, § 120; 1975, ch. 306, § 13; 1978 Comp., § 22-10-18, recompiled as 1978 Comp., § 22-10A-29 by Laws 2003, ch. 153, § 72.

## ANNOTATIONS

**Recompilations.** — Laws 2003, ch. 153, § 72 recompiles former 22-10-18 NMSA 1978, as 22-10A-29 NMSA 1978, effective April 4, 2003.

**The legislature can constitutionally prescribe the methods for adjudicating a dispute** over termination of a certified school employee's right to continued employment because that right is a public right created by statute. Board of Educ. v. Harrell, 118 N.M. 470, 882 P.2d 511 (1994).

**Offset provision in Subsection B is not exclusive;** rather, a school district or state agency may offset an award by any compensation that a terminated employee received from any source during his period of termination. Board of Educ. v. Jennings, 102 N.M. 762, 701 P.2d 361 (1985).

### **22-10A-30. Supervision and correction procedures.**

The state board shall prescribe by regulations procedures to be followed by a local school board or the governing authority of a state agency in supervising and correcting unsatisfactory work performance of certified school personnel before notice of intent to discharge is served upon them and by the governing authority of a state agency in supervising and correcting unsatisfactory work performance of certified school instructors before notice of intent to discharge is served upon them. These regulations

shall provide that written records shall be kept on all action taken by a local school board or the governing authority of a state agency to improve any person's unsatisfactory work performance and all improvements made in the person's work performance. These written records shall be introduced as evidence at any hearing for the person conducted by the local school board or the governing authority of the state agency.

## ANNOTATIONS

**Recompilations.** — Laws 2003, ch. 153, § 72 recompiles former 22-10-21 NMSA 1978, as 22-10A-30 NMSA 1978, effective April 4, 2003.

**Section is consistent with 22-10-17 NMSA 1978.** — Under this section the notice of discharge provided for in 22-10-17 NMSA 1978 [now 22-10A-27 NMSA 1978] is not to be served until the procedures of the state board regulations have been followed. *Morgan v. New Mexico State Bd. of Educ.*, 83 N.M. 106, 488 P.2d 1210 (Ct. App.), cert. denied, 83 N.M. 105, 488 P.2d 1209 (1971) (decided prior to 1986 changes to this section and 22-10-17 NMSA 1978).

**Purpose of work conferences** is to allow certified school personnel to work harmoniously with a supervisor to perform appointed tasks adequately. *Board of Educ. v. Jennings*, 98 N.M. 602, 651 P.2d 1037 (Ct. App. 1982)(specially concurring opinion).

**Meaning of "unsatisfactory work performance".** See *Morgan v. New Mexico State Bd. of Educ.*, 83 N.M. 106, 488 P.2d 1210 (Ct. App.), cert. denied, 83 N.M. 105, 488 P.2d 1209 (1971).

**Sexual harassment** constitutes "unsatisfactory work performance," therefore requiring work conferences. *Board of Educ. v. Jennings*, 98 N.M. 602, 651 P.2d 1037 (Ct. App. 1982).

(2) obligations, including but not limited to bills, bonds and notes of governments other than the United States or their political subdivisions, agencies or instrumentalities, and these may be denominated in foreign currencies;

(4) contracts for the present purchase and resale at a specified time in the future, not to exceed one year, of specific securities at specified prices at a price differential representing the interest income to be earned by the board. No such contract shall be entered into unless the contract is fully secured by obligations of the United States, or other securities backed by the United States, having a market value of at least one hundred two percent of the amount of the contract. The collateral required in this section shall be delivered to the state fiscal agent or his designee contemporaneously with the transfer of funds or delivery of the securities, at the earliest time industry practice permits, but in all cases settlement shall be on a same-day basis. No such contract shall be entered into unless the contracting bank, brokerage firm or recognized institutional investor has a net worth in excess of five hundred million dollars (\$500,000,000);

(5) obligations, including but not limited to bonds, notes, debentures, instruments, conditional sales agreements, securities or other evidence of indebtedness of any corporation, partnership or trust organized within the United States; preferred stock or common stock or any security convertible to common stock of any corporation, partnership or trust organized within the United States whose securities are listed on at least one national stock exchange or on the N.A.S.D. national market or American depository [depository] receipts of any corporation organized outside the United States whose securities are listed on at least one national stock exchange or on the N.A.S.D. national market; provided that the fund shall not at any one time own more than ten percent of the voting stock of a company;

(6) prime bankers' acceptances issued by money center banks;

(7) obligations, including but not limited to bonds, notes, debentures, instruments, conditional sales agreements, securities or other evidence of indebtedness of any corporation, partnership or trust organized outside of the United States, and these may be denominated in foreign currencies; preferred stock or common stock or any security convertible to common stock of any corporation, partnership or trust organized outside of the United States whose securities are listed on at least one national or foreign stock exchange, and these may be denominated in foreign currencies; provided that the fund shall not at any one time own more than ten percent of the voting stock of a company;

(8) currency transactions, including spot or cash basis currency transactions, forward currency contracts and buying or selling options or futures on foreign currencies, but only for the purposes of hedging foreign currency risk and not for speculation;

(9) stocks or shares of a diversified investment company registered under the Investment Company Act of 1940, as amended, which invests primarily in United States or non-United States fixed income securities, equity securities or short-term debt instruments pursuant to Paragraphs (1), (2), (4), (5) and (7) of this subsection, provided that the investment company has total assets under management of at least one hundred million dollars (\$100,000,000); individual, common or collective trust funds of banks or trust companies, which invest primarily in United States or non-United States fixed income securities, equity securities or short-term debt instruments pursuant to Paragraphs (1), (2), (4), (5) and (7) of this subsection, provided that the investment manager has assets under management of at least one hundred million dollars (\$100,000,000); the board may allow reasonable administrative and investment expenses to be paid directly from the income or assets of these investments; or

B. The board or its designated agent may enter into contracts for the temporary exchange of securities for the use by broker-dealers, banks or other recognized institutional investors, for periods not to exceed one year, for a specified fee or consideration. No such contract shall be entered into unless the contract is fully secured by a collateralized, irrevocable letter of credit running to the board, cash or equivalent collateral of at least one hundred two percent of the market value of the securities plus accrued interest temporarily exchanged. This collateral shall be delivered to the state fiscal agent or its designee contemporaneously with the transfer of funds or delivery of the securities. Such contract may authorize the board to invest cash collateral in instruments or securities that are authorized fund investments and may authorize payment of a fee from the fund or from income generated by the investment of cash

collateral to the borrower of securities providing cash as collateral. The board may apportion income derived from the investment of cash collateral to pay its agent in securities lending transactions.

C. Commissions paid for the purchase or sale of any securities pursuant to the provisions of the Educational Retirement Act [Chapter 22, Article 11 NMSA 1978] shall not exceed brokerage rates prescribed and approved by national stock exchanges or by industry practice.

D. Investment of the fund shall be made with the exercise of that degree of judgment and care, under the circumstances then prevailing, which men of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation but for investment, considering the probable safety of their capital as well as the probable income to be derived.

E. Securities purchased for the fund shall be held in the custody of the state treasurer. At the direction of the board, the state treasurer shall deposit with a bank or trust company the securities for safekeeping or servicing.

F. The board may employ investment advisory services and pay reasonable compensation from the fund for the services. The board may also employ investment management services and pay reasonable compensation from the fund for the services to make investment decisions on behalf of the board, within the investment objectives, policies and operating guidelines as directed by the board to the investment manager.

G. Members of the board, jointly and individually, shall be indemnified from the fund by the state from all claims, demands, suits, actions, damages, judgments, costs, charges and expenses, including court costs and attorneys' fees, and against all liability, losses and damages of any nature whatsoever that members shall or may at any time sustain by reason of any decision made in the performance of their duties pursuant to this section.

Payment pursuant to Paragraph (4) of Subsection A of this section may be made in installments, at the discretion of the board, over a period not to exceed one year and, if the sum paid does not equal the amount required for any full year of allowed service credit, the member shall acquire allowed service credit for that period of time that is proportionate to the payment made. Half credit may be allowed without contribution for not more than ten years of the educational service described by Subparagraph (a) of Paragraph (4) of Subsection A of this section if that service was prior to June 13, 1953 and if the member was employed in New Mexico prior to June 13, 1953 in a position covered by the Educational Retirement Act [Chapter 22, Article 11 NMSA 1978] or a law repealed by that act. ## **ANNOTATIONS**

**Scope of board's authority.** — The legislature, through this section has granted the board the authority to award disability benefits if certain requirements are met. If the board certifies the eligible member to be totally disabled, the board must award benefits. Once the determination of total disability is made, it is the duty of the board to certify the member as disabled. There is nothing in this grant of authority which authorizes the board to refuse to accept an application for disability if the applicant continues to hold a property interest in a bus contract. *Gonzales v. New Mexico Educ. Retirement Bd.*, 109 N.M. 592, 788 P.2d 348, cert. denied, 498 U.S. 818, 111 S. Ct. 61, 112 L. Ed. 2d 36 (1990).

In the event a substantial betterment of the disability is reported, the board shall determine whether the member is totally disabled for employment and unable to obtain and retain other gainful employment commensurate with his background, education and experience. If the board determines that the member is no longer disabled, the payment of the disability benefits shall cease.

B. Payment of disability benefits to a member shall be suspended if a certificate of medical re-examination by the medical authority is not filed with the director within thirty days after the date upon which the member should have been re-examined where the failure to file the certificate was due to the unexcused failure or the refusal of the member to report for the medical re-examination. Payment of disability benefits shall be resumed only after the member has complied with the requirements of the Educational Retirement Act [Chapter 22, Article 11 NMSA 1978]. A member shall have no right or claim for benefits withheld during a period of suspension.

C. The board may, in its discretion, require further or more frequent medical examinations of members having a disability status.

D. A member receiving disability benefits who is unable to report for a medical re-examination because of his physical condition or because he resides outside the state shall notify the director of this fact not later than fifteen days in advance of the date for the medical re-examination. The board shall designate a medical doctor in the vicinity of the residence of the member to make the medical re-examination and to report the findings to the board.

E. Upon a determination by the board, a member's status may be changed from permanently disabled to temporarily disabled or no longer disabled.

If the result of that formula is less than one-third of the member's average annual salary, the annual disability benefit shall be equal to the lesser of the following amounts:

(1) two percent of the member's average annual salary multiplied by the sum of the member's total service-credit plus the number of years, calculated to the nearest completed quarter, from the effective date of the member's disability to the member's sixtieth birthday; or

#### **22-11-42. Nonassignability; division of funds as community property; child support obligations.**

A. Except as specifically provided in the Educational Retirement Act [Chapter 22, Article 11 NMSA 1978] and the provisions of Subsections B and C of this section, contributions or benefits mentioned in the Educational Retirement Act shall not be assignable either in law or in equity or be subject to execution, levy, attachment, garnishment, guarantee fund or similar assessment or any other legal process.

B. A court of competent jurisdiction, solely for the purposes of effecting a division of community property, may provide by appropriate order for a determination and division of a community interest in the pensions or other benefits provided for in the Educational Retirement Act [Chapter 22, Article 11 NMSA 1978]. In so doing, the court shall fix the manner in which the warrants shall be issued, may order direct payments by the board to a person with a community interest in the pensions or benefits and may restrain the refund of member or participant contributions. The court shall not alter the manner in which the amount of pensions or other benefits is calculated by the board or a carrier or contractor for the alternative retirement plan, nor shall the court cause any increase in the actuarial present value of the pensions or other benefits to be paid by the board or a carrier or contractor for the alternative retirement plan. A payment, ordered by a court pursuant to this subsection, shall only be made when the member or participant terminates employment and requests a refund or when the member or participant retires or is otherwise entitled to receive benefits pursuant to the Educational Retirement Act. In no case shall a court order pursuant to this subsection result in more money being paid from the fund or from an alternative retirement plan, whether in a lump sum or in monthly benefits, than would otherwise be payable.

C. A court of competent jurisdiction, solely for the purposes of enforcing current or delinquent child support obligations, may provide by appropriate order for withholding amounts due in satisfaction of current or delinquent child support obligations from the pensions or other benefits provided for in the Educational Retirement Act [Chapter 22, Article 11 NMSA 1978] and for payment of such amounts to third parties. The court shall not alter the manner in which the amount of pensions or other benefits is calculated by the board or a carrier or contractor for the alternative retirement plan. The court shall not cause any increase in the actuarial present value of the pensions or other benefits to be paid by the board or a carrier or contractor for the alternative retirement plan. Payments made pursuant to such orders shall only be made when the member or participant terminates employment and requests a refund of contributions or when the member or participant retires; in no case shall more money be paid out, either in a lump sum or in monthly benefits, of the fund or alternative retirement plan in enforcement of current or delinquent child support obligations than would otherwise be payable. In no case shall a court order pursuant to this subsection result in more money being paid from the fund or from an alternative retirement plan, whether in a lump sum or in monthly benefits, than would otherwise be payable.

**The 1989 amendment**, effective June 16, 1989, added "child support obligations" to the catchline; substituted "Subsections B and C" for "Subsection B" in Subsection A; substituted "Educational" for "Education" in the first sentence of Subsection B; and added Subsection C.

**The 1990 amendment**, effective May 16, 1990, deleted "Tax exemption" in the catchline, deleted "and shall also be exempt from any state income tax" at the end of Subsection A and substituted "board" for "association" at the end of the second sentence of Subsection C.

**The 1991 amendment**, effective July 1, 1991, in Subsection A, inserted "guarantee fund or similar assessment"; in Subsection B, in the second sentence, inserted "or participant" and in two locations in the third sentence inserted "or a carrier or contractor for the alternative retirement plan"; in Subsection C, in the second and third sentences, inserted "or a carrier or contractor for the alternative retirement plan" and, in the fourth sentence, inserted "or participant" twice and "or alternative retirement plan".

**The 2003 amendment**, effective June 20, 2003, added "A payment, ordered by a court pursuant to this subsection, shall only be made when the member or participant terminates employment and requests a refund or when the member or participant retires or is otherwise entitled to receive benefits pursuant to the Educational Retirement Act. In no case shall a court order pursuant to this subsection result in more money being paid from the fund or from an alternative retirement plan, whether in a lump sum or in monthly benefits, than would otherwise be payable." at the end of Subsection B; and added "In no case shall a court order pursuant to this subsection result in more money being paid from the fund or from an alternative retirement plan, whether in a lump sum or in monthly benefits, than would otherwise be payable." at the end of Subsection C.

**Applicability.** — Laws 1990, ch. 49, § 24, makes the provisions of the act applicable to taxable years beginning on or after January 1, 1990.

**Exemption from income tax permitted.** — The legislature may grant a special income tax exemption to one kind of public employee, teachers, yet deny the same exemption to other public employees. *Vaughn v. State*, Taxation & Revenue Dep't, 98 N.M. 362, 648 P.2d 820 (Ct. App. 1982).

**Repeal of tax exemption.** — Because no private contractual rights were granted by the retirement plan, there was no impairment or breach of contract resulting from the 1990 repeal of the tax exemption provision and, although the plan conferred property rights

that vested upon accumulating minimum earned service credits, those rights did not include the right to receive pension benefits exempt from tax. *Pierce v. State*, 1996-NMSC-001, 121 N.M. 212, 910 P.2d 288.

Because the retirement plan provided no contractual or vested right to receive an irrevocable tax exemption, there was no constitutionally protected private interest in the tax exemption and there was no due process violation when the exemption was repealed. *Pierce v. State*, 1996-NMSC-001, 121 N.M. 212, 910 P.2d 288.

**"Trading" tax exemptions for health care.** — Repeal of the state income tax exemptions for teacher pensions and public employee pensions does not remedy constitutional defects of the proposed retiree health care act under a theory that those exemptions would be "traded" for retiree health care. Those exemptions are not property rights, irrevocable contractual entitlements, or pension benefits. Hence, elimination of the favorable tax treatment for current retirees is not consideration for a multi-million dollar health care plan that the state proposes to provide them. 1990 Op. Att'y Gen. No. 90-03.

### **22-11-43. Insurance or banking laws inapplicable.**

In the absence of specific provisions to the contrary, no law of this state regulating insurance policies, insurance companies or banking institutions shall apply to the administration of the Educational Retirement Act [Chapter 22, Article 11 NMSA 1978].

**History:** 1953 Comp., § 77-9-43, enacted by Laws 1967, ch. 16, § 166.

### **22-11-44. Saving clause; retirement benefits; disability benefits.**

A. Any person retired pursuant to the provisions of any laws repealed by the Educational Retirement Act [Chapter 22, Article 11 NMSA 1978] shall be considered to have retired pursuant to the Educational Retirement Act and shall continue to receive retirement benefits in the same amount as received prior to the enactment of the Educational Retirement Act.

B. Any person receiving disability benefits pursuant to any laws repealed by the Educational Retirement Act [Chapter 22, Article 11 NMSA 1978] shall continue to receive disability benefits in the same amount as received prior to the enactment of the Educational Retirement Act, and shall be considered to have been granted disability benefits pursuant to and be subject to the provisions of the Educational Retirement Act.

C. Nothing in the Educational Retirement Act [Chapter 22, Article 11 NMSA 1978] shall be construed to adversely affect any benefits being paid pursuant to any laws repealed by the Educational Retirement Act or any laws establishing the public employees retirement association of New Mexico.

D. No person who was heretofore covered under the provisions of any statute repealed by the Educational Retirement Act [Chapter 22, Article 11 NMSA 1978] shall be retired at a monthly benefit which is less than he would have received had his employment continued to be performed under such repealed provisions.

**History:** 1953 Comp., § 77-9-44, enacted by Laws 1967, ch. 16, § 167.

## **22-11-45. Elections of the public employees retirement association; payment of contributions.**

Any person covered under the public employees retirement association of New Mexico on or subsequent to July 1, 1961 employed by a local administrative unit any time between July 1, 1957 and July 1, 1961 shall not be entitled to service-credit for this time either under the Educational Retirement Act [Chapter 22, Article 11 NMSA 1978] or under the public employees retirement association of New Mexico unless he elects in writing with the public employees retirement association of New Mexico to be credited with the service-credit. If a person so elects, he shall pay the employee's contribution to the public employees retirement association of New Mexico in an amount which would have been deducted if he had been a member of the public employees retirement association of New Mexico during this period in which he was employed, together with interest at the rate of four percent a year. The local administrative unit shall then make the employers' contribution for the period involved to the public employees retirement association of New Mexico in a sum equal to the amount which would have been contributed by an employer if the person had been a member of the public employees retirement association of New Mexico during this period in which he was employed, together with interest at the rate of four percent a year. The election provided for by this section shall be made within one year from the person's subsequent date of employment in a position in which he is covered by the public employees retirement association of New Mexico. If the election is not made within this period, no further right to elect shall exist.

B. Until the time an employee who is eligible to become a participant elects to participate in the alternative retirement plan, that employee shall be a regular member.

C. When an employee elects to become a participant, any employer and employee contributions made as a regular member shall be withdrawn from the fund and applied instead toward the alternative retirement plan as if the participant had been participating in the alternative retirement plan from the commencement of employment with the qualifying state educational institution.

B. Each qualifying state educational institution shall contribute on behalf of each participant an amount of the participant's salary equal to the contribution that would have been required of the employer if the participant was, instead, a regular member. Of the contribution made by a qualifying state educational institution on behalf of a participant beginning October 1, 1991, or October 1, 1999, whichever is applicable, a sum equal to three percent of the annual salary of each participant shall be contributed to the fund, and the remainder of the contribution shall be paid to the alternative retirement plan as provided by the board; provided, however, that on July 1 following any report by the actuary to the board that concludes that less than three percent of the contributions made by a qualifying state educational institution on behalf of its participants is required to satisfy the unfunded actuarial liability attributable to the participation of the participants in the alternative retirement plan, the three percent shall be reduced to the percentage determined by the actuary.

**The 2003 amendment,** effective April 4, 2003, substituted "Chapter 22, Article 12 NMSA 1978" for "Sections 22-12-1 through 22-12-7 NMSA 1978" at the beginning of the section.

#### **22-12-2. Compulsory school attendance; responsibility.**

A. Any qualified student and any person who because of his age is eligible to become a qualified student as defined by the Public School Finance Act [Chapter 22, Article 8 NMSA 1978] until attaining the age of majority shall attend a public school, a private school, a home school or a state institution. A person shall be excused from this requirement if:

- (1) the person is specifically exempted by law from the provisions of this section;
- (2) the person has graduated from a high school;

(3) the person is at least seventeen years of age and has been excused by the local school board or its authorized representative upon a finding that the person will be employed in a gainful trade or occupation or engaged in an alternative form of education sufficient for the person's educational needs and the parent, guardian or other person having custody and control consents; or

(4) with consent of the parent of the person to be excused, the person is excused from the provisions of this section by the superintendent of schools of the school district in which the person is a resident and the person is under eight years of age.

B. A person subject to the provisions of the Compulsory School Attendance Law [Chapter 22, Article 12 NMSA 1978] shall attend school for at least the length of time of the school year that is established in the school district in which the person is a resident.

History: 1953 Comp., § 77-10-2, enacted by Laws 1967, ch. 16, § 170; 1967, ch. 133, § 1; 1972, ch. 17, § 2; 1974, ch. 7, § 2; 1975, ch. 332, § 3; 1975, ch. 338, § 2; 1981, ch. 7, § 1; 1985, ch. 21, § 4; 1997, ch. 194, § 1; 2001, ch. 183, § 1; 2004, ch. 28, § 2.

**The 1997 amendment** deleted former Paragraph A(5) relating to persons with learning disabilities or mental, physical or emotional conditions being excused from compulsory school attendance, and made minor stylistic changes at the end of Paragraphs A(3) and (4). Laws 1997, ch. 194 contains no effective date provision, but, pursuant to N.M. Const., art. IV, § 23, is effective June 20, 1997, 90 days after adjournment of the legislature.

**The 2001 amendment**, effective June 15, 2001, substituted "seventeen years" for "sixteen years" in Paragraph A(3).

**The 2004 amendment**, effective May 19, 2004, deleted from Paragraph (4) of Subsection A and Subsection C, "guardian or person having custody or control" and added new Subsection D.

**Duty to protect children.** — Compulsory attendance laws in no way restrain a child's liberty so as to render the child and his parents unable to care for the child's basic needs. Thus, the state does not incur under the Due Process Clause an affirmative duty to protect school children who attend state-run schools from deprivations by private actors merely on the basis of compulsory attendance laws. *Maldonado v. Josey*, 975 F.2d 727 (10th Cir. 1992), cert. denied, 507 U.S. 914, 113 S. Ct. 1266, 122 L. Ed. 2d 662 (1993).

**Legislature did not intend for the law to require a student to attend the public schools** of his district, nor that such a student be required to do so by any rule of any other body. 1973 Op. Att'y Gen. No. 73-59.

**Validity of regulations prohibiting school attendance by certain students.** — A rule which requires the withdrawal of a student when it is known that she is pregnant and when the school officials do not believe that such attendance is proper, clearly violates the compulsory attendance law, therefore, if the girl is physically capable of attending school, the local school board may not prohibit her attendance by rule or regulation merely because she is pregnant. 1967 Op. Att'y Gen. No. 67-117.

Children under 17 (now 18) years of age may not be excluded or exempted from school because they are married. 1967 Op. Att'y Gen. No. 67-117.

**Constitutionality of prohibiting home instruction.** — The exclusion of home instruction by a parent, guardian or custodian of a child from satisfying the requirements of the compulsory school attendance law does not violate equal protection as guaranteed in the United States and New Mexico constitutions. *State v. Edgington*, 99 N.M. 715, 663 P.2d 374 (Ct. App.), cert. denied, 464 U.S. 940, 104 S. Ct. 354, 78 L. ### **22-12-2.1. Interscholastic extracurricular activities; student participation.**

A. A student shall have a 2.0 grade point average on a 4.0 scale, or its equivalent, either cumulatively or for the grading period immediately preceding participation, in order to be eligible to participate in any interscholastic extracurricular activity. For purposes of this section, "grading period" is a period of time not less than six weeks. The provisions of this subsection shall not apply to special education students placed in class C and class D programs.

B. No student shall be absent from school for school-sponsored interscholastic extracurricular activities in excess of fifteen days per semester, and no class may be missed in excess of fifteen times per semester.

C. The provisions of Subsections A and B of this section apply only to interscholastic extracurricular activities.

**Compiler's notes.** — Laws 2003, ch. 143, § 3, would have repealed Article 13 of Chapter 22 NMSA 1978 effective July 1, 2004. The repeal of Article 13 of Chapter 22 was contingent upon the adoption of an amendment to Article 12, Section 6 of the constitution which was approved at a special election held September 23, 2003. However, the repeal of Article 13 of Chapter 22 did not take effect, as prior to the July 1, 2004 effective date of the repeal of Article 13, Laws 2004, ch. 27, § 29, effective May 19, 2004, repealed Laws 2003, ch. 143, § 3.

**State forbidden from discriminating against handicapped in providing education.**

— The state is obligated by both federal and state law to provide all its pre-college age children with appropriate educations. Under federal law relating to state programs receiving federal financial assistance, the state is forbidden from discriminating against the handicapped in meeting this obligation. *New Mexico Ass'n for Retarded Citizens v. New Mexico*, 678 F.2d 847 (10th Cir. 1982).

**Discretionary nature of Public Law 94-142**, appearing as 20 U.S.C. § 1400 et seq., frees the state to participate or not in the acquisition of federal funds under the federal Elementary and Secondary Education Act as it chooses. Its choice not to participate is, without more, a governmental decision that is within the state's power and not subject to judicial inquiry. *New Mexico Ass'n for Retarded Citizens v. New Mexico*, 495 F. Supp. 391 (D.N.M. 1980), rev'd on other grounds, 678 F.2d 847 (10th Cir. 1982).

**State has no obligation to seek federal funds.** — The theory that the state has a continuing obligation to seek federal funds to implement educational goals for handicapped children must fail in light of the congressional amendment rendering the

federal Elementary and Secondary Education Act discretionary. *New Mexico Ass'n for Retarded Citizens v. New Mexico*, 495 F. Supp. 391 (D.N.M. 1980), rev'd on other grounds, 678 F.2d 847 (10th Cir. 1982).

**State's status as monitor over spending of federal funds.** — The state may not technically be required to monitor compliance with § 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794. Its failure to insure compliance by the local school districts, however, implicates it under § 504 insofar as the state's status as the recipient of federal financial assistance obligates it not to permit, directly or indirectly, programs benefiting from federal financial assistance received by the state, to discriminate against handicapped persons within the context of the regulations promulgated under § 504. *New Mexico Ass'n for Retarded Citizens v. New Mexico*, 495 F. Supp. 391 (D.N.M. 1980), rev'd on other grounds, 678 F.2d 847 (10th Cir. 1982).

**The 2001 amendment,** effective June 15, 2001, substituted "Public regulation commission" for "Corporation commission" in the section heading; substituted "public regulation" for "state corporation" in Subsection A; in Subsection B, deleted "of the state

(1) that school bus service to students will not be adversely affected by issuing the permit;

(2) that the operation of such buses for general public transportation service by the district or the independent operator will not provide unnecessary duplication of a general public transportation service by school buses of another school district or independent school bus operator contracting with another district; and

(3) that there has been compliance with the rules and regulations of the state transportation director issued pursuant to the Emergency Transportation Act [22-17-1 to 22-17-4 NMSA 1978].

### **General Obligation Bonds of School Districts**

#### **22-18-1. General obligation bonds; authority to issue.**

Subject to the provisions of Article 9, Section 11 of the constitution of New Mexico and Sections 6-15-1 and 6-15-2 NMSA 1978, a school district may issue general obligation bonds for the purpose of erecting, remodeling, making additions to and furnishing school buildings, purchasing or improving school grounds, purchasing computer software and hardware for student use in public schools or any combination of these purposes. The bonds shall be fully negotiable and constitute negotiable instruments within the meaning and for all purposes of the Uniform Commercial Code [Chapter 55 NMSA 1978].

**The 1996 amendment**, inserted "purchasing computer software and hardware for student use in public schools" near the end of the first sentence. Laws 1996, ch. 67 contains no effective date provision, but, pursuant to N.M. Const., art. IV, § 23, is effective May 15, 1996, 90 days after adjournment of the legislature.

**"School building"**. — The term "school building" has been defined by the courts in the context of the expenditure of revenues from a bond issue to mean a structure which is used for teaching. 1981 Op. Att'y Gen. No. 81-1.

**Buildings for teacher housing not school buildings.** — Buildings used for teacher housing, which are not used for instructional purposes, do not fall within the meaning of the term "school building" as it is commonly used in bonding provisions. 1981 Op. Att'y Gen. No. 81-1.

Revenues generated by school district general obligation bonds or pursuant to the Public School Capital Improvements Act may not be spent to construct teacher housing. 1981 Op. Att'y Gen. No. 81-1.

**22-18-2. Bond elections; qualification of voters; calling for bond elections.**

A. Before any general obligation bonds are issued, a local school board of a school district shall submit to a vote of the qualified electors of the school district owning real estate in the school district the question of creating a debt by issuing the bonds, and a majority of those persons voting on the question shall vote for issuing the general obligation bonds.

B. The election on the question of creating a debt by issuing general obligation bonds shall be held at the same time as a regular school district election or at any special school district election which is not within ninety days after a regular school district election. The question shall be submitted to a vote at a general or special school district election upon the initiative of a local school board or upon a petition being filed with a local school board signed by qualified electors of the school district having paid a property tax on property in the school district for the preceding year, according to the latest completed tax rolls. The number of signatures required on the petition shall be at least ten percent of the number of votes cast for governor in the school district in the last preceding general election. For the purpose of determining the number of votes cast for governor in the school district at the last preceding general election, any portion of a voting division within the school district shall be construed to be wholly within the school district. A local school board shall call for a bond election at a regular or special school district election within ninety days from the date a properly signed petition is filed with it.

**History:** 1953 Comp., § 77-15-2, enacted by Laws 1967, ch. 16, § 229; 2001, ch. 61, § 1.

**The 2001 amendment,** effective June 15, 2001, substituted "filed with it" for "filed with them" at the end of Subsection B.

**Constitutionality of section.** — New Mexico Const., art. IX, § 11 violates the equal protection clause of the U.S. Const. by restricting the right to vote in school district bond elections to real estate owners, and likewise, this section, which implements N.M. Const., art. IX, § 11, conflicts with the equal protection clause of the U.S. Const. insofar as it restricts the franchise in school district bond elections to real estate owners or to those who have paid a property tax on property in the school district for the preceding year. *Prince v. Board of Educ.*, 88 N.M. 548, 543 P.2d 1176 (1975).

#### **ANNOTATIONS**

**Repeals.** — Laws 2001, ch. 61, § 3 repeals 22-18-3 NMSA 1978, as enacted by Laws 1967, ch. 16, § 230, relating to giving the public notice of bond elections and provisions for publications concerning bond elections, effective June 15, 2001. For provisions of former section, see 1998 Replacement Pamphlet.

### **22-18-4. Bond elections; conduct.**

A. A person is required to be a registered voter to vote in a bond election in a school district.

B. Bond elections in a school district shall be conducted pursuant to the Election Code [Chapter 1 NMSA 1978], except as otherwise provided in Sections 22-18-1 through 22-18-12 NMSA 1978, the School Election Law [1-22-1 to 1-22-19 NMSA 1978] and the Bond Election Act [6-15-23 to 6-15-28 NMSA 1978].

#### **ANNOTATIONS**

**The 2001 amendment,** effective June 15, 2001, updated the code section references in Subsection B.

### **22-18-5. Bond elections; ballots.**

A. The question on the ballot of creating a debt by issuing general obligation bonds shall state the purpose or purposes for which the bonds are to be issued and the amount of the bond issue. Two or more separate questions may be submitted to the voters at a bond election, in which case, the vote on each question shall be separately counted, canvassed and certified.

B. Bond election ballots shall contain a place for a vote "For the school district bonds" and "Against the school district bonds" for each bond issue.

C. If paper ballots are used at a bond election, all questions to be voted on at the bond election shall be listed on one ballot.

**History:** 1953 Comp., § 77-15-5, enacted by Laws 1967, ch. 16, § 232.

#### **ANNOTATIONS**

**Use of the language "for school purposes," with no other qualification, on a school bond issue** was too broad, because such language did not sufficiently apprise the voter of the exact purpose for which the election was held. Board of Educ. v. Hartley, 74 N.M. 469, 394 P.2d 985 (1964)(decided under prior law).

### **22-18-6. Repealed.**

#### **ANNOTATIONS**

**Repeals.** — Laws 2001, ch. 61, § 3 repeals 22-18-6 NMSA 1978, as enacted by Laws 1967, ch. 16, § 234, regarding the authority of local school boards to issue bonds, effective June 15, 2001. For provisions of former section, see 1998 Replacement Pamphlet.

### **22-18-7. Authority to issue bonds.**

If a majority of those persons voting on a question submitted to the voters in a bond election vote for creating a debt by issuing general obligation bonds, the local school board may, subject to the approval of the attorney general, proceed to issue the bonds.

**History:** 1953 Comp., § 77-15-7, enacted by Laws 1967, ch. 16, § 234.

### **22-18-8. Restriction on bond elections.**

In the event a majority of those persons voting on a question submitted to the voters in a bond election vote against creating a debt by issuing general obligation bonds, no bond election shall be held on the same question for a period of two years from the date of the bond election, except upon the presentation of a petition pursuant to Section 22-18-2 NMSA 1978 and after the expiration of at least six months from the date of the previous bond election on the question. If a majority of those persons voting on a question submitted to the voters in a bond election for a second time within two years vote against creating a debt by issuing general obligation bonds, no bond election shall then be held on the same question for a period of two years from the date of first bond election on the question.

**History:** 1953 Comp., § 77-15-8, enacted by Laws 1967, ch. 16, § 235.

#### **ANNOTATIONS**

**Bond elections on the "same question".** — Alamogordo school district's proposed February, 1989 bond question, which differed materially in amount of bonded

indebtedness and in purpose, was not the "same question" that the voters defeated in May, 1987, and therefore did not violate this section. 1988 Op. Att'y Gen. No. 88-53.

### **22-18-9. Approval of bond issue by attorney general.**

No issue of bonds shall be valid or binding on any school district unless prior to the issuance of the bonds the attorney general approves the bond issue as to form and legality. The written approval of the attorney general shall be made a part of the transcript of the proceedings in connection with each bond issue. The local school board of each school district proposing to issue bonds shall provide the attorney general with all information necessary for this consideration of the form and legality of the bond issue.

### **22-18-10. Bond election contests.**

**History:** 1953 Comp., § 77-15-10, enacted by Laws 1967, ch. 16, § 237.

### **22-18-11. General obligation bonds; issuance; sale.**

A. General obligation bonds of a school district shall be issued and sold pursuant to the provisions of Sections 6-15-3 through 6-15-10 NMSA 1978.

B. Except as is otherwise provided by law, general obligation bonds issued by a school district shall be of the denomination or denominations, shall be payable at the place or places within or without the state or both, shall be in such form and shall bear such terms and conditions as the local school board of the school district determines.

C. General obligation bonds issued by a school district shall be signed by the president and attested by the secretary of the local school board, unless the bonds are issued in book entry or similar form without the delivery of physical securities. Any coupons appertaining to the bonds shall be signed by the president of the local school board either manually or by facsimile signature.

D. The general obligation bonds issued by a school district may be executed in the manner provided by the provisions of the Uniform Facsimile Signature of Public Officials Act [6-9-1 to 6-9-6 NMSA 1978].

**History:** 1953 Comp., § 77-15-11, enacted by Laws 1967, ch. 16, § 238; 1983, ch. 265, § 47.

## **22-18-12. Budgetary provisions; payment of principal and interest.**

A. A local school board shall establish adequate budgetary provisions, approved by the public school finance division [office of education], to promptly pay, as it becomes due, all principal and interest on general obligation bonds issued by the school district.

B. The full faith and credit of a school district shall be pledged to the payment of the principal and interest on general obligation bonds issued by the school district.

C. The board of county commissioners shall levy and collect upon all taxable property within a school district in the county such tax as is necessary to pay the interest and principal on general obligation bonds issued by the school district as the interest and principal become due, without limitation as to rate or amount.

**History:** 1953 Comp., § 77-15-12, enacted by Laws 1967, ch. 16, § 239.

### **ANNOTATIONS**

**Public school finance division.** — The public school finance division of the department of finance and administration was abolished by Laws 1977, ch. 246, § 69. Laws 1977, ch. 246, § 3, established the public school finance division of the educational finance and cultural affairs department. Laws 1980, ch. 151, § 58, abolishes the educational finance and cultural affairs department, § 4 of that act creates the department of finance and administration and § 47 of that act creates the public school finance division of the department of finance and administration. Laws 1983, ch. 301, § 83, abolishes the public school finance division of the department of finance and administration and § 69 of that act creates the office of education of the department of finance and administration. Laws 1983, ch. 301, § 83, also provides that all references to the public school finance division shall be construed to mean the office of education of the department of finance and administration.

## **22-18-13. Timely payment of school district obligations.**

A. Whenever a paying agent has not received payment of principal or interest on school district general obligation bonds on the business day immediately prior to the date on which the payment is due, the paying agent shall so notify the state treasurer, the department of finance and administration, the department of education and the school district by telephone, facsimile or other similar communication, followed by written verification, of the payment status. The state treasurer shall immediately contact

the school district and determine whether the school district will make the payment by the date on which it is due.

B. If the school district indicates that it will not make the payment by the date on which it is due, the state treasurer shall forward the amount in immediately available funds necessary to make the payment due on the bonds to the paying agent and shall withhold an equal amount from the next succeeding payment of the state equalization guarantee distribution. If the amount of the next succeeding payment is insufficient to pay the amount due, the state treasurer shall withhold amounts from each succeeding payment of the state equalization guarantee distribution, including payments to be made in succeeding fiscal years but not more than twelve consecutive months of payments, until the total payment of principal and interest due has been withheld.

C. The amounts forwarded to the paying agent by the state treasurer shall be applied by the paying agent solely to the payment of the principal or interest due on the general obligation bonds of the school district. The state treasurer shall notify the department of education, the chief financial officer of the school district, the department of finance and administration, the legislative finance committee and the legislative education study committee of amounts withheld and payments made pursuant to this section.

D. Upon the issuance of general obligation bonds by a school district, the school district shall file with the state treasurer a copy of the resolution that authorizes the issuance of the bonds, a copy of the official statement or other offering document for the bonds, the agreement, if any, with the paying agent for the bonds and the name, address and telephone number of the paying agent; provided, however, that the failure of a school district to file the information shall not affect the obligation of the state treasurer to withhold the state equalization guarantee distribution pursuant to this section.

E. The state hereby covenants with the purchasers and holders of general obligation bonds issued by school districts that it will not repeal, revoke or rescind the provisions of this section or modify or amend the same so as to limit or impair the rights and remedies granted by this section; provided that nothing in this subsection shall be deemed or construed to require the state to continue the payment of a state equalization guarantee distribution to any school district or to limit or prohibit the state from repealing, amending or modifying any law relating to the amount of state equalization guarantee distributions to school districts or the manner of payment or the timing thereof. Nothing in this section shall be deemed or construed to create a debt of the state with respect to the bonds within the meaning of any state constitutional provision or to create any liability except to the extent provided in this section.

F. Whenever the state treasurer is required by this section to make a payment of principal or interest on bonds on behalf of a school district, the department of education shall initiate an audit of the school district to determine the reason for the nonpayment

and to assist the school district, if necessary, in developing and implementing measures to ensure that future payments will be made when due.

G. Whenever the state treasurer makes a payment of principal and interest on bonds or other obligations of a school district and withholds amounts from the state equalization guarantee distribution pursuant to this section because of the failure to collect property taxes, the school district may transfer delinquent property taxes later collected out of the school district's bond redemption fund and into its general fund.

H. This section applies to general obligation bonds issued by a school district on or after July 1, 2003.

Sections 1 through 4 [22-18A-1 to 22-18A-4 NMSA 1978] of this act may be cited as the "School District Loan Act".

**History:** Laws 1989, ch. 134, § 1.

### **22-18A-2. Purpose.**

The purpose of the School District Loan Act [22-18A-1 to 22-18A-4 NMSA 1978] is to provide school districts with financial assistance to make payment of principal and interest due on outstanding school district general obligation indebtedness.

**History:** Laws 1989, ch. 134, § 2.

### **22-18A-3. Fund created; administration.**

A. There is created in the state treasury a revolving loan fund to be known as the "public school district general obligation bonds loan fund". The fund is established as an additional source for payments of principal and interest due on public school district general obligation indebtedness already incurred or incurred in the future or for payments of any other obligations arising in connection with that indebtedness. The fund shall be drawn upon only in the event ad valorem taxes or other revenues of the public school district available for the described payments are either insufficient or are

not received by the public school district at the time due or anticipated. The state department of public education shall administer the fund and may make loans from the fund in accordance with the School District Loan Act [22-18A-1 to 22-18A-4 NMSA 1978]. Money remaining in the fund at the end of any fiscal year shall not revert to the general fund.

B. The state department of public education shall deposit in the fund all receipts from the repayment of loans made pursuant to the School District Loan Act [22-18A-1 to 22-18A-4 NMSA 1978].

C. Each July 1, balances in the public school district general obligation bonds loan fund in excess of one million dollars (\$1,000,000) shall be transferred to the state-support reserve fund.

**History:** Laws 1989, ch. 134, § 3.

#### **22-18A-4. Loan program; duties of the state department of public education.**

A. The state department of public education shall adopt regulations to govern the application procedure and requirements for making loans under the School District Loan Act [22-18A-1 to 22-18A-4 NMSA 1978].

B. The state department of public education may make a loan to a school district if the local school district board certifies to the state department of public education that there are insufficient ad valorem taxes or other school district revenues to meet a payment of principal or interest, or both, due on the school district's general obligation indebtedness or to meet any other obligation arising in connection with that indebtedness lawfully payable from ad valorem taxes, or that the receipt of ad valorem taxes to make any such payment will be delayed and not be available to make the payment when due.

C. A loan shall be made for a period of time not to exceed five years with an annual interest rate to be the lesser of five percent or the rate of interest determined by the state department of public education, so that the interest rate shall comply with federal arbitrage requirements. A loan shall be repaid in annual installments as determined by the state board of public education. Loans shall be made by the state department of public education pursuant to this section only, with the prior approval of the state board of finance.

**History:** Laws 1989, ch. 134, § 4.

#### **22-18A-5. Temporary transfer of funds.**

If it is determined by the state department of public education and the department of finance and administration that there are insufficient ad valorem taxes or other public

school district revenues to meet a payment of principal or interest due on public school district general obligation indebtedness or to meet any other obligation arising in connection with that indebtedness lawfully payable from ad valorem taxes, or that the receipt of ad valorem taxes or other revenues to be used to make any such payment will be delayed and not be available to make the payment when due, the state department of public education and the department of finance and administration may request the state board of finance to direct a temporary transfer of a sufficient amount of money from the state-support reserve fund or the general fund operating reserve to the public school district general obligation bonds loan fund so that the payment becoming due may be made and a default avoided. In determining the order of transfer, money in the state-support reserve fund shall be transferred first, and if that amount is insufficient then the general fund operating reserve shall be used. If such a transfer is directed by the state board of finance, the state department of public education shall use the amount transferred to the state public school district general obligation bonds loan fund to make the payment.

### **Qualified School Bonds**

#### **22-18B-1. Short title.**

Sections 1 through 5 [22-18B-1 to 22-18B-5 NMSA 1978] of this act may be cited as the "Qualified School Bonds Act".

**History:** Laws 1999, ch. 225, § 1.

#### **22-18B-2. Findings and purpose.**

A. The legislature finds that:

(1) the condition of public school facilities has a direct effect on the safety of teachers and students and on the ability of students to learn;

(2) public schools in rapidly growing urban areas of New Mexico and public schools in sparsely populated rural areas are unable to meet the capital needs for modernization of existing school facilities to meet the growing school-age population in New Mexico under present funding authorizations;

(3) additional funding options are necessary to meet the needs for teacher training to improve student achievement levels and to meet the needs of the work place by providing sufficient student training in the use of advanced technology;

(4) encouraging active community participation and private sector contributions to the public schools will enhance learning opportunities for New Mexico students;

(5) authorizing additional forms of financing for school modernization and construction will permit eligible taxpayers to take advantage of tax credits not currently available to bondholders and will increase the market options for state and local bonds;

(6) encouraging active community participation in the development of resources to build and modernize schools, to enhance educational technology and to enhance teacher training is essential to the success of students in the twenty-first century; and

(7) authorizing additional alternative procedures for the sale of bonds will allow New Mexico public schools and eligible taxpayers to participate in available tax credits and to leverage additional funds for the improvement of public school facilities.

B. The purpose of the Qualified School Bonds Act [22-18B-1 to 22-18B-5 NMSA 1978] is to implement a state program that allows eligible taxpayers to take advantage of available tax credits by expanding the incentives to purchase and hold bonds and thereby increasing the financing alternatives for modernization and rehabilitation of public school facilities and enhancing teacher training.

E. All obligations purchased with the net proceeds from refunding bonds shall be deposited in trust with a bank doing business in the state and which is a member of the federal deposit insurance corporation. The obligations shall be held, liquidated and the proceeds of the liquidation paid out for payment of the principal, interest and redemption premium of the bonds to be refunded as the bonds to be refunded become due, or where the bonds are subject to redemption under a call for redemption previously made, or where there is a voluntary surrender with the approval of the local school board.

F. The determination of the local school board issuing refunding bonds that the issuance has been in compliance with the School Revenue Bond Act [22-19-1 to 22-19-16 NMSA 1978] is conclusively presumed correct in the absence of fraud or arbitrary and gross abuse of discretion.

Refunding bonds in the changed denominations shall be exchanged for the original bonds in the same aggregate principal amounts so that there is no overlapping of interest paid. Refunding bonds in changed denominations shall bear interest at the same rates, mature on the same dates, be in the same form and be identical with the original bonds surrendered for exchange in all respects except as to denominations, serial numbers and a recital as to the exchange. Where any exchange of bonds is made pursuant to the School Revenue Bond Act, the bonds surrendered by the holders at the time of exchange shall be canceled. The exchange shall be made only at the request of the holder of the bond to be surrendered, and the local school board may require the holder of the bond to pay all expenses incurred in connection with the exchange, including those of authorization and issuance of the refunding bonds.

A refunding bond may be delivered in exchange for a bond authorized to be refunded, sold at a public or private sale or sold in part and exchanged in part as provided in the Supplemental Public Securities Act [6-14-8 to 6-14-11 NMSA 1978]. ## ANNOTATIONS

**Effective dates.** — Laws 2002, ch. 22 contains no effective date provision, but, pursuant to N.M. Const., art. IV, § 23, is effective May 15, 2002, 90 days after adjournment of the legislature.

B. Outstanding bonds of more than one issue may be refunded by refunding bonds of one or more issue. Bonds and refunding bonds may be issued separately or in combinations of one or more series.

C. When a refunding bond is sold, the net proceeds may, in the discretion of the local school board, be invested in obligations of the federal government or an agency of the federal government or in obligations fully guaranteed by the federal government, but the obligations purchased shall have a maturity and bear a rate of interest payable at times to ensure the existence of sufficient money to pay the bond to be refunded when it becomes due or redeemable pursuant to a call for redemption, together with interest and redemption premiums, if any.

D. All obligations purchased with the net proceeds from refunding bonds shall be deposited in trust with a bank that has trust powers and that is a member of the federal deposit insurance corporation. The obligations shall be held, liquidated and the proceeds of the liquidation paid out for payment of the principal, interest and redemption premium of the bonds to be refunded as the bonds to be refunded become due or where the bonds are subject to redemption under a call for redemption previously made or where there is a voluntary surrender with the approval of the local school board.

E. The determination of the local school board issuing refunding bonds that the issuance has been in compliance with the Teacher Housing Revenue Bond Act [22-19A-1 to 22-19A-12 NMSA 1978] is conclusively presumed correct in the absence of fraud or arbitrary and gross abuse of discretion.

F. As used in this section, "net proceeds" means the gross proceeds of the refunding bonds after deducting all accrued interest and expenses incurred in connection with the authorization and issuance of the refunding bonds and the refunding of outstanding bonds, including fiscal agent fees, commissions and all discounts incurred in the resale of the refunding bonds to the original purchaser.

## **22-23-1.1. Legislative findings.**

The legislature finds that:

A. while state and federal combined funding for New Mexico's bilingual multicultural education programs was forty-one million dollars (\$41,000,000) in 2003, the funds do not directly support bilingual multicultural education program instruction;

B. the state's bilingual multicultural education program goals are for all students, including English language learners, to:

(1) become bilingual and biliterate in English and a second language, including Spanish, a Native American language, where a written form exists and there is tribal approval, or another language; and

(2) meet state academic content standards and benchmarks in all subject areas;

C. districts do not fully understand how to properly assess, place and monitor students in bilingual multicultural education programs so that the students may become academically successful;

However, Laws 1988, ch. 66, § 2, effective March 8, 1988, giving effect to the second change but not the first, and amending this section further by substituting "approved by the qualified electors in the most recent election on the question of imposing a tax" for "imposed in the district" near the end of the first sentence, deleting "by December 1" preceding "of each year" in the second sentence and inserting the proviso at the end of the second sentence was approved later on March 8, 1988. The section is set out as amended by Laws 1988, ch. 66, § 2. See 12-1-8 NMSA 1978.

**The 2001 amendment,** effective April 5, 2001, redesignated the former section as Subsection A; inserted the exception at the beginning of Subsection A; substituted "by the dollar amount specified in Subsection B of this section" for "times thirty-five dollars"; and added Subsections B and D.
