

CHAPTER 49

LAND GRANTS

ARTICLE 1

GENERAL PROVISIONS

49-1-1. [Management of Spanish or Mexican grants.]

All grants of land in the state of New Mexico made by the government of Spain or by the government of Mexico, to any community, town or pueblo, or of the class of grants mentioned in Section 800 [49-1-2 NMSA 1978], shall be managed, controlled and governed as herein provided.

History: Laws 1907, ch. 42, § 1; Code 1915, § 799; C.S. 1929, § 29-101; 1941 Comp., § 9-101; 1953 Comp., § 8-1-1.

ANNOTATIONS

Cross references. - As to corporations for management of community land grants, see 49-2-1 NMSA 1978 et seq.

Corporation rules applicable to grants. - A community land grant is in the nature of a quasi-municipal corporation and is governed by the rules of law applicable thereto. *Bibo v. Town of Cubero Land Grant*, 65 N.M. 103, 332 P.2d 1020 (1958).

While a grant organized under this section would not be a corporation, it would be so nearly a corporation in its nature that the same rules should apply. 1943-44 Op. Att'y Gen. No. 4497.

Estoppel from questioning land interests. - Where those under whom plaintiffs claim interest in common lands of Atrisco Land Grant procured incorporation of the town of Atrisco on the claim the grant was communal and procured decree of the court of private land claims similarly holding the grant to be communal, they have participated in its operation as such a grant for too long a time now to question their interest. *Armijo v. Town of Atrisco*, 56 N.M. 2, 239 P.2d 535 (1951).

Congressional act conclusive. - Where congress has confirmed grant as a private land grant, without qualification or limitation, the confirmatory act of congress is final and conclusive and court may not go behind that act and determine the character or nature of the grant from antecedent documents. *Martinez v. Rivera*, 196 F.2d 192 (10th Cir.), cert. denied, 344 U.S. 828, 73 S. Ct. 30, 97 L. Ed. 644 (1952).

49-1-2. [Application of article.]

This article shall apply to all grants of land made by the government of Spain, or by the government of Mexico, to any community, town, colony or pueblo, or to any individual for the purpose of founding or establishing any community, town, colony or pueblo; to all grants that were prior to March 18, 1907, confirmed by the congress of the United States, or by the court of private land claims, to any community, town, colony or pueblo, and to all grants or private land claims recommended by any surveyor general of New Mexico for confirmation by congress to any town, colony, community or pueblo, or designated as a grant to any town, colony, community or pueblo, in any report or list of land grants prepared by such surveyor general and confirmed by congress in accordance therewith; but shall not apply to any land grant which is now managed or controlled in any manner, other than herein provided, by virtue of any general or special act.

History: Laws 1907, ch. 42, § 2; Code 1915, § 800; C.S. 1929, § 29-102; 1941 Comp., § 9-102; 1953 Comp., § 8-1-2.

ANNOTATIONS

Meaning of "this article". - The word "article" was substituted for the word "act" by the 1915 Code compilers, which refers to Laws 1907, ch. 42, §§ 1 to 19, the provisions of which are presently compiled as 49-1-1 to 49-1-18 NMSA 1978.

Generally. - This general statute, enacted in 1907, for management of community land grants which provided for the sale of common property, was intended to apply to grants for which no legislative provision had been theretofore made for their management, and did not apply to the Chilili grant. *Merrifield v. Buckner*, 41 N.M. 442, 70 P.2d 896 (1937).

49-1-3. Board of trustees; management of grant; powers.

The management and control of all the grants and tracts of land to which Sections 49-1-1 through 49-1-18 NMSA 1978 are applicable by virtue of Section 49-1-2 NMSA 1978 is hereby vested in a board of trustees, to be known as the "Board of Trustees of theLand Grant" (designating the same by the name of such town, colony, pueblo or community), and the board shall have the following general powers:

A. to control, care for and manage the grant and real estate, and to prescribe the terms and conditions under which the common lands thereof may be used and enjoyed, and to make all necessary and proper rules and regulations for the government thereof;

B. to sue and be sued under the title aforesaid;

C. to sell, convey, lease or mortgage so much of the land grant or real estate under its control as aforesaid as is held in common;

D. to prescribe the price to be paid for the use of the common lands and to prohibit any person failing or refusing to pay such amount from using any portion of the same while he continues in default in such payments; provided, that the amount so fixed shall be in proportion to the number and kinds of livestock pasturing upon such common lands;

E. to adopt and use an official seal;

F. to appoint judges and clerks of election at all elections herein provided for, subsequent to the first, and to canvass the votes cast thereat; and

G. to make such rules and regulations, not in conflict with the constitution and laws of the United States or the state of New Mexico, as may be necessary for the protection, improvement and management of such common lands and real estate and the use and enjoyment thereof, and of the common waters thereon.

History: Laws 1907, ch. 42, § 3; Code 1915, § 801; C.S. 1929, § 29-103; 1941 Comp., § 9-103; 1953 Comp., § 8-1-3; Laws 1979, ch. 184, § 1.

ANNOTATIONS

The 1979 amendment added the catchline, substituted "Sections 49-1-1 through 49-1-18 NMSA 1978" for "this chapter" and "Section 49-1-2 NMSA 1978" for "Section 800" near the beginning of the introductory paragraph, added Subsection G and made other minor changes.

Section limited to land management. - This section, providing for the management of the lands of the grant is limited in scope to such management of the lands and nothing more. It is an authorization and direction for the creation of the machinery to perform such a function. The elective process therein involved does not change its character. There is no continuing supervision or control by the state over the trustees or what they do, nor is there a continuing relationship. *Mondragon v. Tenorio*, 554 F.2d 423 (10th Cir.), cert. denied, 434 U.S. 905, 98 S. Ct. 305, 54 L. Ed. 2d 193 (1977).

Power of board of trustees comes from the statutes providing for its creation. Where the mode of exercising this power is prescribed by the statutes, there must be substantial compliance therewith. *Bibo v. Town of Cubero Land Grant*, 65 N.M. 103, 332 P.2d 1020 (1958).

Lack of standing in quiet title suit. - Where a land grant association's board of trustees had not called an election by its members or the trustees as required by law and had not identified the persons having an interest in the lands claimed by the association who had a right to vote at an election and the treasurer had not furnished a surety bond, the association lacked standing as a land grant community or board to assert a claim of title to lands at issue in a suit to quiet title. *Cordova v. Broadbent*, 107 N.M. 215, 755 P.2d 59 (1988).

Heirs of land grant may hold as tenants in common with board. - If property is common land of a land grant, the parties who are valid heirs of the land grant may hold the property as tenants in common with the board of trustees. Cebolleta Land Grant ex rel. Board of Trustees v. Romero, 98 N.M. 1, 644 P.2d 515 (1982).

Tax deed may give paramount title to property not common land. - If property is not common land of a land grant, then private parties, by virtue of a tax deed, would have paramount title to that of the land grant. Cebolleta Land Grant ex rel. Board of Trustees v. Romero, 98 N.M. 1, 644 P.2d 515 (1982).

Noncomplying lease void. - A written lease of a portion of the common lands of the grant for a period of five years with an option to renew for five more years was void in the absence of compliance with the provisions of 49-1-11 NMSA 1978. Bibo v. Town of Cubero Land Grant, 65 N.M. 103, 332 P.2d 1020 (1958).

49-1-4. [Board of trustees; members; qualifications.]

The said board of trustees shall consist of five (5) members, no three (3) of whom shall be a resident [residents] from the same precinct. No person shall be qualified to be a member of said board unless he shall be a qualified voter at a general election in this state and shall have an interest in said grant by inheritance or by purchase of an interest in common lands, and who shall not be in default of any dues, rent or other payment for the use of any of the common lands of said grant.

History: Laws 1907, ch. 42, § 4; 1913, ch. 58, § 1; Code 1915, § 802; Laws 1929, ch. 137, § 4; C.S. 1929, § 29-104; Laws 1933, ch. 164, § 1; 1941 Comp., § 9-104; Laws 1951, ch. 151, § 1; 1953 Comp., § 8-1-4.

49-1-5. Election of members of board of trustees; voters qualifications; registration.

A. Elections for the choice of members of such boards shall be held on the first Monday in April, of each alternate year. All persons residing within the limits of such grant, who have an interest in the common lands, by inheritance or by purchase of an interest in the common lands, who have resided for the period of five years prior to the election at which they offer to vote, who are qualified electors at the general elections held in this state and who are registered as herein provided, shall be qualified to vote at such elections. Each of such voters may vote for five trustees, all upon one ballot, but no ballot shall be counted that bears the names of two persons residing in the same precinct, except in cases where there are not five precincts within such grant. The persons receiving the greatest number of votes shall be declared elected as such trustees.

B. The registration of all qualified voters shall be conducted in the manner prescribed in the Election Code [Chapter 1 NMSA 1978], substituting, however, the words "board of

trustees" and "secretary" wherever the words "county commission" and "county clerk" are used in that act.

C. The registration books so compiled before each election shall be used at such election and no person shall vote at such election unless duly registered in the books, and no ballot of any unregistered person shall be counted or canvassed.

D. In each community land grant in which an election is to be held in April of the year 1937, the boards of trustees, immediately after the passage and approval of this act, shall proceed to call registration boards and provide for the registration of all duly qualified electors for the election to be held at such time; provided, that the board of registration shall be required to meet only one day for the purpose of registering the electors, which day shall not be less than twenty days prior to the election.

History: Laws 1907, ch. 42, § 5; Code 1915, § 803; C.S. 1929, § 29-105; Laws 1933, ch. 164, § 2; 1937, ch. 194, § 1; 1941 Comp., § 9-105; Laws 1951, ch. 223, § 1; 1953 Comp., § 8-1-5; Laws 1979, ch. 184, § 2.

ANNOTATIONS

The 1979 amendment added the catchline, deleted "of members" following "of members" near the beginning of Subsection A, inserted "by inheritance or by purchase of an interest in the common lands" near the middle of the first sentence in Subsection A, substituted "the Election Code" for "Chapter 41, Laws of 1927 (56-203 - 56-245)" in Subsection B and made other minor changes.

Emergency clauses. - Laws 1937, ch. 194, § 3, makes the act effective immediately. Approved March 15, 1937.

Lack of standing in quiet title suit. - Where a land grant association's board of trustees had not called an election by its members or the trustees as required by law and had not identified the persons having an interest in the lands claimed by the association who had a right to vote at an election and the treasurer had not furnished a surety bond, the association lacked standing as a land grant community or board to assert a claim of title to lands at issue in a suit to quiet title. *Cordova v. Broadbent*, 107 N.M. 215, 755 P.2d 59 (1988).

49-1-6. [Calling of election; notice; ballots.]

Whenever, in any of the grants aforesaid, there is any committee, board or body of men assuming and claiming to control or manage such grant, or to represent the same, and actually exercising the powers and rights so claimed, and which committee, board or body of men has been chosen, elected or authorized, or whose claims and actions have been in any manner ratified or approved, by a majority of the qualified voters within said grant, it shall be lawful for such committee, board or body of men to give public notice of the time of said election, and to fix and give notice of the places therefor in each of said

precincts, which notice shall be given by handbills posted in five public places in each of said precincts at least fifteen days prior thereto, and also by publication for said period in some newspaper published within said grant, in case there be one. Said election shall be conducted, as nearly as practicable, in the same manner as provided by law for the holding of general elections in this state, except that no registration shall be required, and it shall not be necessary to have an official ballot, or one of particular size, and the judges and clerks of such election shall be appointed, and the votes canvassed by such committee, board or body. In case there is no such committee, board or body of men, or the same fails or refuses to call said election, then the said election shall be called, notice given, judges and clerks appointed, and the votes canvassed by the board of county commissioners of the county, within which such grant or the greater portion thereof is situated, and such board of county commissioners shall so act upon the petition of any three qualified voters residing within said grant, presented to it in writing thirty days or more prior to the date herein fixed for such election.

History: Laws 1907, ch. 42, § 6; Code 1915, § 804; C.S. 1929, § 29-106; 1941 Comp., § 9-106; 1953 Comp., § 8-1-6.

ANNOTATIONS

Compiler's notes. - If this section has any future application, the provision "except that no registration shall be required" is probably superseded by the 1937 amendment to Subsection B of 49-1-5 NMSA 1978, which requires registration of all qualified voters.

49-1-7. [Canvass of votes; certificate of election.]

Said committee, board or body of men, or the board of county commissioners of said county, appointing such judges and calling such election, shall meet on the first Monday following such election and canvass the votes cast thereat, and issue to the persons having a majority of such votes a certificate showing such persons to have been duly elected thereat.

History: Laws 1907, ch. 42, § 7; Code 1915, § 805; C.S. 1929, § 29-107; 1941 Comp., § 9-107; 1953 Comp., § 8-1-7.

49-1-8. [Organization of board of trustees; treasurer's bond; deposit of funds; vacancy in treasurer's office; appointment and qualification of successor; collectors' bonds.]

The members of such board, so elected shall meet on the first Monday after the votes are canvassed and organize by the election of a president, secretary and treasurer. The treasurer shall perform such duties as may be required of him by such board; said treasurer shall also furnish to said board a good and sufficient surety bond in a sum as hereinafter fixed, said bond to be conditioned as are the bonds of other public officials handling public moneys, and it is hereby made the duty of said treasurer to deposit all

the moneys coming into his hands as such treasurer in some bank organized and doing business in New Mexico.

Provided, however, that in the event of the death or resignation of said treasurer the said board shall fill the vacancy by appointing one of the members of said board as such treasurer, who shall before entering into the performance of his duties as such treasurer, execute and furnish to said board a good and sufficient surety bond, similar to the bond entered into by his predecessor. Provided, further, that the amount of bond so required of said treasurer and his successor shall at all times be for a sum of at least, double the amount received by and deposited in the said bank by the said treasurer. Provided, further, that in the event said board of trustees delegates any other of its members to collect moneys due the grant such other person shall be bonded in the same manner as is herein provided for the bonding of the treasurer and in any event those authorized to collect moneys shall give receipts for the moneys collected, which receipts shall be in no other form than that prescribed by the board of trustees as an official receipt.

49-1-9. [Meetings of board.]

49-1-10. [Quorum in board meetings; binding effect of lawful acts.]

A majority of such board of trustees shall constitute a quorum for the transaction of business, and the town, colony or community aforesaid, and the inhabitants thereof, shall be bound by the acts of such board done in pursuance of the provisions hereof.

49-1-11. [Sale, mortgage or alienation of common lands; restrictions.]

No sale, mortgage or other alienation of the common lands within such grant shall take effect unless authorized by a resolution duly adopted by the said board of trustees, and until after approval of such resolution by the district judge of the district within which said grant or a portion thereof is situate.

For sale or lease of state lands, see 19-7-1 NMSA 1978 et seq.

Section Mandatory. - The words of this section that "No sale . . . shall take effect unless . . . and until . . ." suggest that the legislature intended this provision to be mandatory. *Bibo v. Town of Cubero Land Grant*, 65 N.M. 103, 332 P.2d 1020 (1958).

Persons dealing with quasi-municipal corporations, as well as municipal corporations, are required, at their peril, to ascertain whether statutory requirements relating to the subject of the transaction have been complied with. *Bibo v. Town of Cubero Land Grant*, 65 N.M. 103, 332 P.2d 1020 (1958).

Grant lands which are subject to taxation cannot be sold without approval of the board except in proceedings to enforce the payment of taxes. *Cebolleta Land Grant ex rel. Board of Trustees v. Romero*, 98 N.M. 1, 644 P.2d 515 (1982).

Noncomplying lease void. - A written lease of a portion of the common lands of the grant for a period of five years with an option to renew for five more years was void in the absence of compliance with the provisions of this section. *Bibo v. Town of Cubero Land Grant*, 65 N.M. 103, 332 P.2d 1020 (1958).

II. DISTRICT COURT APPROVAL.

Purpose of 1913 amendment. - The history of this section reveals that the 1913 amendment to the original provision substituted the requirement of the approval of the district court for that of the approval of a majority of the qualified voters of such grant, the purpose no doubt being for the protection of the owners of common interests in the

land grant against fraud, collusion, mistake or inequities, as well as for the convenience of the board in carrying on business for the grant owners. *Bibo v. Town of Cubero Land Grant*, 65 N.M. 103, 332 P.2d 1020 (1958).

District court's duties. - This section authorizes the district judge to make certain that a board of trustees complies with the formalities of issuance of a lease it has authorized and to require the board to apply its standards in a uniform and nondiscriminatory manner. *Maestas v. Board of Trustees*, 103 N.M. 77, 703 P.2d 174 (1985).

Approval of district court is essential to the validity of a transaction coming within this provision just as the approval of a majority of the qualified voters would have been under the old provision. *Bibo v. Town of Cubero Land Grant*, 65 N.M. 103, 332 P.2d 1020 (1958).

Approval contemplated in section does not extend to anything more than the final act of the trustees, and in no way to the manner in which they arrived there. There is no indication in the statute that the district judge is to do anything more than to see that the formalities of issuance are observed. The requirement for approval does not extend to an approval of the matters and considerations leading up to the execution of the lease by the trustees, nor to standards, nor to rental. The action of the district court is on leases already issued, and not as to the rejection of applications to lease. *Mondragon v. Tenorio*, 554 F.2d 423 (10th Cir.), cert. denied, 434 U.S. 905, 98 S. Ct. 305, 54 L. Ed. 2d 193 (1977).

49-1-12. [Board meetings to be public; resident's right to be heard; annual report.]

All meetings of said board of trustees shall be public and no executive sessions shall be held; all persons residing within the limits of such grant shall have the right to be present at all times when such board is in session, and to be heard on all matters in which they may be interested. The board of trustees shall annually make public a report of all the transactions of said board for said year.

49-1-13. [Vacancies in board; filling.]

If a vacancy shall occur in any such board, the remaining members thereof shall fill such vacancy by appointment, to be made at a regular meeting, and the person so appointed shall hold his office until the next regular election.

49-1-14. Salaries of trustees; records; expenditures.

Such board may fix and pay to its members a salary not to exceed two hundred dollars (\$200) to any member in any one month, which salary as fixed shall be in full as compensation for the duties performed by such board or the individual members thereof within the exterior boundaries of the grant; provided, however, that the secretary of the board may be allowed a salary not to exceed two hundred twenty-five dollars (\$225) in any one month; provided, further that the board of trustees and the secretary shall keep permanent and legible records capable of audit and that no money or funds shall be paid by the board of trustees or by any person authorized to expend money except by written check drawn upon vouchers.

ANNOTATIONS

The 1979 amendment added the catchline, substituted "two hundred dollars (\$200)" for "fifty dollars (\$50.00)" and "one month" for "one year" near the beginning of the section, substituted "two hundred twenty-five dollars (\$225)" for "seventy-five dollars (\$75.00)" and "one month" for "one year" near the middle of the section and made other minor changes.

Emergency clauses. - Laws 1979, ch. 184, § 4, makes the act effective immediately. Approved April 2, 1979.

Reimbursement for expenses incurred in administration. - This section bars a member of a community land grant board of trustees from recovering reimbursement authorized by the board for expenses incurred in the administration of the land grant. *Armijo v. Cebolleta Land Grant*, 105 N.M. 324, 732 P.2d 426 (1987).

49-1-15. [Ejectment; removal from grant; delinquency; forfeiture of interest.]

If any person or persons shall hold in possession, or claim in private ownership, within the exterior boundaries of such land grant, any tract, piece or parcel of land, to which in the opinion of such board he has no right or title, such board may institute an action of ejectment against him, and if upon the trial it shall appear that such possession is without right, judgment shall be rendered in favor of such board for the possession thereof and for such damages as it may have proved for the wrongful detention thereof. Provided further that any delinquent person who moves outside the exterior boundaries of such grant and resides outside such exterior boundaries for a period of five years, such person shall lose all right or interest that he may have had in the common lands of said grant unless he pays in full all legal assessments or dues due [sic] by him.

ANNOTATIONS

Compiler's notes. - Laws 1933, ch. 164 contained two sections designated as "Sec. 5." This section was derived from the second, so the bracketed "5a" was inserted in the history by the 1941 compiler to distinguish the two sections.

49-1-16. [Trespass on common lands or waters; injunction.]

The several courts of this state shall entertain bills of complaint filed by any such board to enjoin persons from trespassing upon the common lands or using the common waters within such grant, if it shall appear that the complainant is without a plain, speedy and adequate remedy at law, or that the persons committing such trespasses are insolvents or unable to respond in damages.

ANNOTATIONS

Saving clauses. - Laws 1907, ch. 42, § 18, provides that election of a board of trustees should not in any manner affect any actions, suits or proceedings at law or equity pending March 18, 1907, in any way affecting such land grant or the title thereto.

Compiler's notes. - Prior to the 1915 Code compilation, this section read: "All acts and parts of acts in conflict herewith are hereby repealed, and this act shall be in full force and effect from and after its passage, but, as stated in Section 1 (49-1-1 NMSA 1978) hereof, this act shall not be construed as applying to any land grant which is now managed or controlled in any manner other than that hereinbefore provided, by virtue of any general or special act of any legislative assembly of the territory of New Mexico."

That any member of the board of trustees who shall fail or refuse to perform any of the duties required to be performed by the board of trustees of such land grant or any member thereof, under Sections 49-1-1 to 49-1-18 NMSA 1978, as amended, or by any other law of the state of New Mexico, shall be guilty [guilty] of a misdemeanor and upon conviction therefor shall be punished by a fine of not less than twenty-five dollars (\$25.00) nor more than one hundred dollars (\$100) or by imprisonment in the county jail for a period of not less than thirty days nor more than ninety days, or both such fine and imprisonment in the discretion of the court.

49-1-20. [Sevilleta de La Joya grant; provisions applicable.]

The court having held that the trustees elected under the provisions of Sec. 828 of the special act for the management and control of the Sevilleta de La Joya grant are without authority, the provisions of the general law for the management and control of all Mexican and Spanish grants contained in Sections 49-1-1 to 49-1-18 NMSA 1978 are hereby made applicable for the management and control of the Sevilleta de La Joya grant.

ANNOTATIONS

Compiler's notes. - The reference to "Section 828" in this section refers to Section 828 of the 1915 Code, which was repealed by Laws 1929, ch. 137, § 5.

Landowners entitled to one vote. - Under Code 1915, § 828 (now repealed), relative to election of trustees for the Sevilleta de La Joya land grant, the trustees had no power to apportion the vote according to the interest of the voters in the lands, but each owner of an undivided interest was entitled to one vote. State ex rel. Rivera v. Esquibel, 26 N.M. 283, 191 P. 144 (1920).

Trustees' duties. - Under Code 1915, § 828 (now repealed), relative to election of trustees for the Sevilleta de La Joya land grant, it was the duty of the trustees to receive the vote of any voter who filed the required affidavits, and the trustees could not refuse to count such votes because in their judgment the voters were not qualified. State ex rel. Rivera v. Esquibel, 26 N.M. 283, 191 P. 144 (1920).

49-1-21. [Anton Chico grant; rights of lessees and purchasers.]

Any person or persons or corporation who through purchase or lease may come to live within the limits of the Anton Chico land grant shall only have a right to the lands he or they may acquire through said lease or purchase but not to the common lands in said land grant.

ARTICLE 2 CORPORATIONS FOR MANAGEMENT OF COMMUNITY LAND GRANTS

49-2-1. [Powers granted to certain community land grant corporations.]

That all corporations organized and incorporated under the provisions of an act of the legislative assembly of the territory of New Mexico, approved February 26, 1891, and published as Chapter 86 of the Session Laws of 1891, or under the provisions of an act of the legislative assembly of the territory of New Mexico, approved March 18, 1897, and published as Chapter 54 of the Session Laws of 1897, shall have the powers granted by this act for the purposes hereinafter mentioned.

History: Laws 1917, ch. 3, § 1; C.S. 1929, § 29-201; 1941 Comp., § 9-201; 1953 Comp., § 8-2-1.

ANNOTATIONS

Compiler's notes. - Laws 1891, ch. 86 and Laws 1897, ch. 54, referred to in this section, are repealed by Laws 1917, ch. 3, § 19. But see catchline, "Saving clauses," in notes to 49-2-17 NMSA 1978.

Meaning of "this act". - The term "this act" refers to Laws 1917, ch. 3, §§ 1 to 20, compiled as 49-2-1 to 49-2-17 NMSA 1978.

Constitutional violation by distribution plan. - The plan of distribution of community grant land proposed disclosed a pronounced absence of primary and elemental concepts of due process and equal protection of the laws, in violation of constitutional guaranties existing in favor of owners of the beneficial interest in the common lands of the grant, where interests in land were to be determined by drawings in a lottery and where it was uncertain how it was to be determined by the Special Master, who were the owners of beneficial interests in the common lands eligible for participation in the lottery. *Armijo v. Town of Atrisco*, 62 N.M. 440, 312 P.2d 91 (1957).

Distribution plan contrary to law. - The means to be employed for making a distribution of the lands of the grant not only amounted to a violation of the statute law of this state prohibiting lotteries, but as well amounted to a dissipation of the assets of the corporation, contrary to law, where interests in land were to be determined by drawings in a lottery and where it was uncertain how it was determined, by the Special Master, who were the owners of beneficial interests in the common lands, eligible for participation in the lottery. *Armijo v. Town of Atrisco*, 62 N.M. 440, 312 P.2d 91 (1957).

Constitutional prohibitions against special legislation held inapplicable. - In view of the difference in the nature and origin of the different community land grants; in view of the long legislative history of enactments relating to the control, or management, of the lands of specific grants; in view of the fact that there is some discretion in the legislature to determine in which cases special laws should be passed; and in view of the presumptions indulged in favor of the validity of legislation, supreme court held that the prohibitions against special legislation as contained in the Springer Act, former 48 U.S.C. § 1471, and in N.M. Const., art. IV, § 24, were not applicable to enactments relating to the governing or managing bodies of the Las Vegas grant or any specific community land grants, or to the manner in which these bodies exercise their powers of control, management and disposition over grant lands. *Board of Trustees v. Montano*, 82 N.M. 340, 481 P.2d 702 (1971).

Community land grant is in the nature of a quasi-municipal corporation and is governed by the rules of law applicable thereto. The power of the board of trustees comes from the statutes providing for its creation. *Apodaca v. Tome Land & Imp. Co.* 91 N.M. 591, 577 P.2d 1237 (1978).

Comptroller's jurisdiction. - The San Antonio de las Huertas grant and water commission is a public grant, and the state comptroller, consequently, has jurisdiction over it under this article. 1951-52, Op. Att'y Gen. No. 5575.

49-2-2. Corporate powers enumerated.

They shall be bodies corporate and politic under the respective names designated in the decrees by which they were incorporated, and shall have and possess the following powers:

A. to sue and be sued in their corporate names;

B. to sell, convey, lease, mortgage or otherwise dispose of so much of the land of the grant under their management and control as is held in common by the owners and proprietors.

Provided, however, that no sale of the lands held in common can be made to persons who are nonheirs of the grant unless a majority of such heirs present at a mass meeting to be called fifteen (15) days in advance thereof by the president of the board of trustees vote in favor of any proposed sale to nonheirs, and provided, further, that no lease of the lands held in common can be made to any person whatsoever for a period of time exceeding twenty (20) years; provided, further, nevertheless, that as to any oil and gas lease executed upon lands held in common where oil and gas or either of them in commercial quantities is being, or shall be, produced from lands covered by said lease, then and in such event, this limitation as to the period of time shall not apply as to any such oil and gas lease so long as oil or gas or either of them is being produced in commercial quantities from said land;

C. to make such rules and regulations, not in conflict with the constitution and laws of the United States or the state of New Mexico, as may be necessary for the protection, improvement and management of such common lands and real estate and the use and enjoyment thereof, and of the common waters thereon;

D. to make such assessments against the owners and proprietors as may be necessary to defray the expenses of conducting the business, and to make any other obligations of said corporation and to enforce the payment thereof by such owners and proprietors by suit against any owner and proprietor brought in the name of the corporation before a justice of the peace [magistrate court] or in the district court of the county in which such land grant is situated;

E. to have a corporate seal in such form and device as shall be adopted by the board of trustees of such corporation;

F. to determine the number of animals that may be permitted to graze upon the common lands of the grant, and the price which shall be paid to [by] the owner of such animals for the privilege of grazing thereon, provided, such price shall be uniform to all owners and proprietors;

G. by district court action under rules of civil procedure to determine by name the various persons who are of the class of owners and proprietors having beneficial interest in land of the grant under their management and control, and to determine persons of the class who are eligible to become owners and proprietors by descent from the class who were determined to be the owners thereof at the time of the incorporation of such grant.

ANNOTATIONS

Compiler's notes. - The bracketed word "by" in Subsection F was inserted by the secretary of state.

Jurisdiction, etc., of justices of the peace transferred. - The office of justice of the peace has been abolished, and the jurisdiction, powers and duties have been transferred to the magistrate court. See 35-1-38 NMSA 1978.

Constitutional violation by planned distribution. - The plan of distribution of community grant land proposed disclosed a pronounced absence of primary and elemental concepts of due process and equal protection of the laws, in violation of constitutional guaranties existing in favor of owners of the beneficial interest in the common lands of the grant, where interests in the land were to be determined by drawings in a lottery and where it was uncertain how it was to be determined by the Special Master, who were the owners of beneficial interests in the common lands eligible for participation in the lottery. *Armijo v. Town of Atrisco*, 62 N.M. 440, 312 P.2d 91 (1957).

Distribution plan contrary to law. - The means to be employed for making a distribution of the lands of the grant not only amounted to a violation of the statute law of this state prohibiting lotteries, but as well amounted to a dissipation of the assets of the corporation, contrary to law, where interests in land were to be determined by drawings in a lottery and where it was uncertain how it was to be determined by the Special Master, who were the owners of beneficial interests in the common lands eligible for participation in the lottery. *Armijo v. Town of Atrisco*, 62 N.M. 440, 312 P.2d 91 (1957).

Grant land held not tax exempt. - The lands within the community grant of the town of Tome, incorporated under Laws 1897, ch. 86 (now repealed) and 2148 through 2184, 1897 Comp., were not exempt from taxation under N.M. Const., art. VIII, § 7. *Board of Trustees v. Sedillo*, 28 N.M. 53, 210 P. 102 (1922).

Presumption is that public officials perform their duties. *Davis v. Westland Dev. Co.* 81 N.M. 296, 466 P.2d 862 (1970).

Lack of standing in quiet title suit. - Where a land grant association's board of trustees had not called an election by its members or the trustees as required by law and had not identified the persons having an interest in the lands claimed by the association who had a right to vote at an election and the treasurer had not furnished a surety bond, the association lacked standing as a land grant community or board to assert a claim of title to lands at issue in a suit to quiet title. *Cordova v. Broadbent*, 107 N.M. 215, 755 P.2d 59 (1988).

Irrelevant proof as to deed. - Proof that deeds relied upon by grantees of town property were signed by different people and that grantees were not heirs of land grant was irrelevant on question of forgery and inadequacy of description. *Davis v. Westland Dev. Co.* 81 N.M. 296, 466 P.2d 862 (1970).

Valid heirs hold title as tenants in common. - All the valid heirs to a community land grant are considered to hold title as tenants in common. *Apodaca v. Tome Land & Imp. Co.* 91 N.M. 591, 577 P.2d 1237 (1978).

If property is common land of a land grant, the parties who are valid heirs of the land grant may hold the property as tenants in common with the board of trustees. *Cebolleta Land Grant ex rel. Board of Trustees v. Romero*, 98 N.M. 1, 644 P.2d 515 (1982).

Distribution of proceeds of sale. - Once a town relinquishes its proprietary interest in the common lands by virtue of a sale, the proceeds must necessarily be divided proportionately among the rightful heirs. *Apodaca v. Tome Land & Imp. Co.* 91 N.M. 591, 577 P.2d 1237 (1978).

49-2-3. Board of trustees; corporate powers; election.

The corporate powers of such corporation shall be exercised by a board of nine trustees who are owners and proprietors residing upon such land grant and heads of families. The board of trustees shall be elected by the owners and proprietors on the first Saturday in December of the year 1919, and upon the same day in every third year thereafter. The nine persons receiving the highest number of votes at the election shall become the board of trustees and possess the powers provided for in Sections 49-2-1 to 49-2-17 NMSA 1978, and shall hold their office until the election and qualification of their successors. No trustee shall serve more than two consecutive terms.

49-2-4. [Judges of election; appointment; notice of election; ballots; canvass; certificates of election.]

The election provided for in the preceding section [49-2-3 NMSA 1978] shall be held by three judges who shall be owners and proprietors residing upon said grant, and the heads of families, and shall be designated by votes of two-thirds of the trustees present at the regular meeting of such board of trustees held in October next preceding the date of such election. No more than two of such judges shall reside in the same precinct, if there be more than one precinct in such land grant. It shall be the duty of the outgoing board of trustees to give notice of the time and place of such election by posting not less than three notices in public places in each precinct in which the grant is situated, such notices to be in both the English and Spanish languages, and to be posted not less than twenty days before the date of such election. Said elections shall be by ballot, and each ballot cast shall have the name of the voter casting the same written thereon, and all ballots shall be preserved by the judges of election until the next ensuing meeting of the board of trustees, and so much longer thereafter as said board shall direct. It shall be the duty of such judges of election to canvass the ballots cast at such election and issue certificates of election to each of the nine persons receiving the highest number of votes cast at such election, and such certificates will authorize the persons to whom they are respectively issued to discharge the duties of such trustees for the term for which they were elected and until the election and qualification of their successors.

49-2-5. [Vacancies in board; filling.]

Meaning of "this act". - The term "this act" refers to Laws 1917, ch. 3, §§ 1 to 20, compiled as 49-2-1 to 49-2-17 NMSA 1978.

49-2-7. [Regular meetings of board; sale of community lands; handling of moneys.]

The board of trustees of every such corporation shall hold four meetings in each year on the first Saturdays in the months of January, April, July and October for the transaction of all business of the corporation, of which meetings all persons shall be required to take notice. The corporation shall not be bound by any sale, mortgage, conveyance, lease or other disposition of its common property, or any part thereof, unless the same be made and executed in pursuance of a resolution of such board adopted by the affirmative vote of two-thirds of the members present at any of the regular meetings provided for by this section, and duly entered upon the record of such meeting and attested by the president of said board. The board of trustees may determine the method and advisability of disbursing, investing or handling moneys that come into their hands from the sales and revenues of the grant, and shall fix and determine the nature, amount and costs of improvements they may deem necessary to be made upon the grant by vote of two-thirds of the members present at any meeting. ANNOTATIONS

Cross references. - As to sale of common lands of community land grants generally, see 49-1-1 NMSA 1978.

Procedure to change character of corporation not included. - Whatever is meant by "sale" and "conveyance" in this section does not include the procedure enacted to change the character of the corporation itself. To hold otherwise would produce the absurd implication that a land grant corporation could have been converted into a domestic stock corporation by this section even before the enactment of 49-2-18 NMSA 1978. It would also produce a rather unexplainable conflict between the two provisions. Therefore, due process is not denied for failure to follow this section, since 49-2-18 NMSA 1978 is the applicable statute. *Westland Dev. Co. v. Saavedra*, 80 N.M. 615, 459 P.2d 141 (1969).

Burden in quiet title suit. - In defending against quiet title suit, defendants had burden of showing that meeting at which deeds to plaintiffs were authorized was not in fact an adjourned session of a regular quarterly meeting of the board of trustees. *Herrera v. Zia Land Co.* 51 N.M. 390, 185 P.2d 975 (1947).

No collateral attack against deed. - Defendants in suit to quiet title to lands in the town of Atrisco grant, claiming under deeds issued after deeds were delivered by the board of trustees to plaintiffs as heirs of the grant, could not collaterally attack the board's determination in this action. *Herrera v. Zia Land Co.* 51 N.M. 390, 185 P.2d 975 (1947).

49-2-8. [Special meetings; business to be transacted; calling.]

Such board of trustees may hold special meetings at such times as the business of the corporation shall require, but at such special meetings the only business transacted shall be such as may be necessary to protect the common lands of said grant from trespassers, the making of assessments against owners and proprietors, and such other business as shall relate only to general routine of the corporation, and no sale, mortgage, lease, or other disposition of the common lands of the grant shall be authorized at any such special meeting. Such special meetings may be called by the president at such times as he shall consider necessary, and shall be called at any time upon the request in writing of three or more members of the board.

49-2-9. [Selection of officers; rules; duties of secretary.]

Each board of trustees elected under the provisions of this act shall at the first meeting held after such election, select one of its members to be president of the board, and another of its members to be secretary and treasurer thereof, and shall adopt rules for the government of such corporation, and for the use of the common lands of the grant and the common waters thereof, and such rules so adopted shall be uniform as to all owners and proprietors. The secretary shall reduce to writing, in a book to be kept for that purpose, minutes of the business transacted at each meeting of the board.

49-2-10. [Resolutions for disposition of common lands; effective date; binding effect.]

No resolution providing for the sale, mortgage, lease or other disposition of the common lands of such grant shall take effect or become operative until after the expiration of thirty days next following the date of the meeting at which such resolution was adopted, as provided in Section 7 of this act [49-2-7 NMSA 1978]. If no protest shall be filed before such period of thirty days, as provided in the next succeeding section of this act [49-2-11 NMSA 1978], it shall be the duty of the president and secretary of such board of trustees, in the name of and under the seal of such corporation, to execute the necessary deeds and documents to carry such resolution into effect, and such deeds and documents when so executed shall operate to bind all persons interested in such common lands to the same extent as if each of such persons had separately signed, sealed and executed the same.

ANNOTATIONS

Presumption confirmed land not part of common lands. - Adjudication by grant commissioners that persons were entitled to lands in severalty and granting them paper title gives rise to presumption that it investigated and determined land so confirmed was not part of the common lands. Board of Trustees v. Garcia, 32 N.M. 124, 252 P. 478 (1925).

49-2-11. [Protests against disposition of common lands; election.]

Any person interested in the common lands in such grant who shall be dissatisfied with any sale, mortgage, lease or other disposition of any of such common lands so authorized by any resolution of such board of trustees, may, at any time within thirty days next following the date of the meeting at which such resolution was adopted, file with such board of trustees a protest in writing against the carrying out of such resolution, and, if a majority of the owners and proprietors protest against such action within the time aforesaid, then it shall be the duty of the board of trustees to call an election conducted in the same manner as provided for the election of members of the board of trustees, and if at such election a majority of such owners and proprietors vote against such resolution, then such resolution shall become void and of no effect; otherwise it shall be effective and shall be carried out as provided in Section 10 [49-2-10 NMSA 1978] hereof.

49-2-14. [Lands improperly claimed in private ownership; ejectment.]

If any person or persons shall hold in possession or claim in private ownership within the exterior boundaries of any such land grant any tract, piece or parcel of land, when in the opinion of any such board of trustees such person or persons have no right to hold the same, such board of trustees may institute in the name of the corporation an action of ejectment against such person or persons, and if upon the trial of any such cause it shall appear that the possession or claim of any such person or persons is without right, judgment shall be entered in favor of such corporation for the possession of such tract, piece or parcel of land and for such damages as may be proved to have been sustained by such corporation by the wrongful detention thereof.

ANNOTATIONS

Cross references. - As to ejectment, see 42-4-1 NMSA 1978.

49-2-15. [Trespass on common lands or waters; jurisdiction of courts; injunction.]

The several courts of this state exercising chancery jurisdiction shall under the practice of courts of chancery entertain bills of complaint filed by any such board of trustees to prevent trespasses upon the common lands and common waters of any such grant, if it shall appear that the complainants are without a plain, speedy and adequate remedy at law, or that the persons committing such trespass are insolvent or unable to respond in damages to such corporation for the injury alleged.

49-2-16. [Conveyances; effect.]

Any conveyance made in pursuance of the provisions of this act shall operate to conclude all persons claiming the land designated therein by, through or under the original title upon which the owners or proprietors of any such land grant or real estate base their claim thereto.

History: Laws 1917, ch. 3, § 16; C.S. 1929, § 29-216; 1941 Comp., § 9-216; 1953 Comp., § 8-2-16.

49-2-17. Definition of terms; right to vote or hold office.

Whenever the words "owners and proprietors" are used in this act they shall in all cases be construed to mean the members of the colony, community or town to which said grant was made, being all of the class of persons who were determined by the district court to be the owners thereof at the time of the incorporation of such grant by virtue of the act of February 26, 1891, and their descendants, residing within the exterior boundaries of such grant who have so resided continuously for not less than two years, and who own land in common within such exterior boundaries, and have paid taxes thereon. Providing, however, that only such persons as are defined in this section shall be qualified or permitted to participate in the elections provided in this chapter or to hold office as an officer or trustee of the grant.

ANNOTATIONS

Emergency clauses. - Laws 1961, ch. 158, § 3, makes the act effective immediately. Approved March 29, 1961.

Saving clauses. - Laws 1917, ch. 3, § 19, provides that: "All acts or parts of acts in conflict with this act are hereby repealed, and especially said act of the legislative assembly of the territory of New Mexico, approved February 26, 1891, and the said act of said legislative assembly, approved March 18, 1897, but this repeal shall not affect the corporate existence of any corporation organized or incorporated under either of said acts."

Meaning of "this act" and "this chapter". - The term "this act" and "this chapter" both refer to Laws 1917, ch. 3, §§ 1 to 20, compiled as 49-2-1 to 49-2-17 NMSA 1978.

Rights, etc., acquired by descendants of original owners. - The descendants of the original owners of beneficial interests in the common lands have acquired by descent, or devise, whatever rights, privileges and interests their ancestors possessed. *Armijo v. Town of Atrisco*, 62 N.M. 440, 312 P.2d 91 (1957).

49-2-18. Conversion of corporations organized under Laws 1891, Chapter 86, into general corporations.

Twenty or more owners and proprietors of record of a corporation organized under Laws 1891, Chapter 86, may prepare proposed articles of incorporation and bylaws and a plan of conversion for the purpose of converting the existing corporation into a corporation organized under the general corporation law of this state. Upon notice, the proposers shall call a meeting of all owners and proprietors of record entitled to vote in the affairs of the existing corporation. The notice shall be published in English in a newspaper of general circulation in a county in which the existing corporation is located, once a week for three consecutive weeks, the last publication to be not more than thirty days prior to the date set for the meeting. Similar publication shall also be made in Spanish if there is a Spanish language newspaper of general circulation in the county. The proposed articles of incorporation and bylaws and the plan of conversion shall be presented at the meeting, and, if approved by a vote of the majority of the owners and proprietors of record present at the meeting, then, upon the filing of the articles of incorporation and bylaws with the state corporation commission [public regulation commission] and the issuance of a certificate of incorporation, the corporation organized under Laws 1891, Chapter 86, is converted into a domestic corporation authorized to do business and entitled to all privileges and immunities of a domestic corporation organized under the general corporation laws of this state.

History: 1953 Comp., § 8-2-19, enacted by Laws 1967, ch. 43, § 1.

ANNOTATIONS

Cross references. - For references to state corporation commission being construed as references to the public regulation commission, see 8-8-21 NMSA 1978.

Bracketed material. - The bracketed material in this section was inserted by the compiler. It was not enacted by the legislature and is not part of the law.

Compiler's notes. - Laws 1891, ch. 86, referred to in this section, was repealed by Laws 1917, ch. 3, § 19. But see catchline, "Saving clauses," in notes to 49-2-17 NMSA 1978.

Section held not to violate due process. - Argument that this section lacked due process because of its failure to require personal service or mailing of written notice of

the meeting and failure to provide for absentee voting was without merit since there is no inherent right in a stockholder of a corporation to vote by proxy, and since reasonable notice and a fair opportunity were given to the "owners and proprietors" of the grant to attend the meeting at which the proposed corporation was considered. *Westland Dev. Co. v. Saavedra*, 80 N.M. 615, 459 P.2d 141 (1969).

Whatever is meant by "sale" and "conveyance" in 49-2-7 NMSA 1978 does not include the procedure enacted to change the character of the corporation itself. To hold otherwise would produce the absurd implication that a land grant corporation could have been converted into a domestic stock corporation by 49-2-7 NMSA 1978 even before the enactment of this section. It would also produce a rather unexplainable conflict between the two provisions. Therefore, due process was not denied for failure to follow 49-2-7 NMSA 1978 since this section was the applicable statute. *Westland Dev. Co. v. Saavedra*, 80 N.M. 615, 459 P.2d 141 (1969).

Power of state to alter or amend corporate charter. - Argument that a statute which attempted to change character of a legal entity from that of a corporation for the management of a community land grant to that of a domestic stock corporation was in violation of N.M. Const., art. II, § 18, in that it was an attempt by the legislature to divest the town of its vested rights without due process of law, was without merit since a state, through its police power, could make reasonable regulations of corporations, including alteration or amendment of corporate charters if that power had been duly reserved by the state, as was done in New Mexico. *Westland Dev. Co. v. Saavedra*, 80 N.M. 615, 459 P.2d 141 (1969).

Incorrect finding of incorporation. - Since this section was not enacted until 1967, it is obvious that a trial court's finding, before that time, that a community land grant corporation was lawfully qualified as a domestic corporation is incorrect and cannot remain undisturbed. *Apodaca v. Tome Land & Imp. Co.* 91 N.M. 591, 577 P.2d 1237 (1978).

Void private land grant corporation has no right to proceeds from a land sale and no authority to pay such proceeds to its "shareholders." Conversion is present where the "shareholders" claim and erroneously receive proceeds of the sale. The party aggrieved cannot be deemed to have discovered she has a cause of action for conversion until the date of the judicial opinion which declares the company in question to be a void corporation. *Apodaca v. Unknown Heirs of Tome Land Grant*, 98 N.M. 620, 651 P.2d 1264 (1982).

CHILILI GRANT

49-4-1. [Confirmation of grant.]

That all apportionments or partitions of land on the grant of Chilili, in precinct number ten, of the county of Bernalillo and state of New Mexico, made by Inez Armenta as trustee, or by his successor or successors as trustees of said grant, to the bona fide residents thereon, be and the same are hereby confirmed.

ANNOTATIONS

Compiler's notes. - This article, identical with Article 4 of Chapter 22 of the 1915 Code, was not reenacted by its inclusion in that codification, but was compiled therein for convenience only.

General community land grant provisions inapplicable. - The general statutes enacted in 1907 for management of community land grants, which provided for the sale of community lands, did not apply to the Chilili land grant, because of prior legislative provisions for management thereof contained in this article. *Merrifield v. Buckner*, 41 N.M. 442, 70 P.2d 896 (1937).

No property interests in common lands conveyed. - Absolutely no property interests in the common lands were conveyed to the individual residents of the Chilili Land Grant of 1841 by the 1909 patent from the United States. *Moya v. Chilili Coop. Ass'n*, 87 N.M. 99, 529 P.2d 1220 (1974), cert. denied, 421 U.S. 965, 95 S. Ct. 1954, 44 L. Ed. 2d 452 (1975).

49-4-2. [Issuance of deeds; costs.]

It shall be the duty of said Armenta, or his successors in office, to extend title deeds to such persons as have held bona fide possession of the land to them apportioned, for the term of ten years, and still hold the same under the authority of the said trustees; said deeds to be signed by the president of the board of trustees; the person interested paying costs of said deed, not exceeding two dollars [(\$2.00)].

History: Laws 1876, ch. 51, § 2; Code 1915, § 840; C.S. 1929, § 29-502; 1941 Comp., § 9-402; 1953 Comp., § 8-4-2.

49-4-3. Board of trustees; election; officers; powers.

That every two years after January 14, 1876, a board of five trustees shall be elected for the government of said grant, at the time of holding the general election in the state, and said trustees shall hold office until their successors have been duly elected and qualified. The board of trustees shall organize by electing from its members, a president, secretary and treasurer, or secretary-treasurer. The board of trustees shall have authority to pass such ordinances as it deems necessary for the administration and protection of the common property of the grant, and to sell and convey such real and personal property upon such terms and conditions and for such consideration as it deems advisable and for the best interests of the residents of the grant. Any such conveyances shall be executed by the president and attested by the secretary of the board of trustees. Provided, that the treasurer elected by said trustees shall give bond in the name of the state in the sum of fifteen hundred dollars [(\$1,500)] with two sureties conditioned that the said treasurer will faithfully discharge all his official duties, account for all moneys which shall come into his possession by virtue of the said office, and pay the same over to the persons justly and legally entitled to receive the same, which said bond shall be approved by the county commissioners of Bernalillo county, New Mexico.

History: Laws 1876, ch. 51, § 3; 1899, ch. 47, § 1; Code 1915, § 841; C.S. 1929, § 29-503; 1941 Comp., § 9-403; Laws 1943, ch. 47, § 1; 1953 Comp., § 8-4-3.

ANNOTATIONS

Authority to sell and convey common lands. - Board of trustees of Chilili land grant was creature of legislature, and had only such powers as were conferred upon it, and no authority to sell the common land. *Merrifield v. Buckner*, 41 N.M. 442, 70 P.2d 896 (1937)(decided under former law).

Deed, executed by board of trustees of Chilili land grant, purporting to convey common land, was void for want of authority in the board to sell the common land, and grantees and their successors, in absence of adverse possession, were without title. *Merrifield v. Buckner*, 41 N.M. 442, 70 P.2d 896 (1937)(decided under former law).

Plaintiffs' claim that several authorizations and requests purportedly signed by a number of residents of the town, authorizing the board of trustees to convey all grant lands to the defendant association, were fraudulent and granted no authority to the board of trustees is of no significance, since the 1943 amendment to this section empowered the board of trustees to sell and convey common lands of the grant without the approval of the residents of the town and the deed from the board was dated subsequent to the effective date of the 1943 amendment. *Moya v. Chilili Coop. Ass'n*, 87 N.M. 99, 529 P.2d 1220 (1974), cert. denied, 421 U.S. 965, 95 S. Ct. 1954, 44 L. Ed. 2d 452 (1975).

No failure or inadequacy of consideration or construction fraud. - Where prior to the conveyance of the grant lands to a cooperative association for \$1.00 the whole of the grant lands had been deeded to the state for delinquent taxes, and the farmers home loan administration, as a condition precedent to making a loan with which to redeem the lands, required the formation of the association and the conveyance to it of

the grant lands, so that the lands were deeded to the association, the loan was obtained by the association, the delinquent taxes were paid and the lands redeemed by the association, there was no failure or inadequacy of consideration or constructive fraud on the part of the board. *Moya v. Chilili Coop. Ass'n*, 87 N.M. 99, 529 P.2d 1220 (1974), cert. denied, 421 U.S. 965, 95 S. Ct. 1954, 44 L. Ed. 2d 452 (1975).

No reason for board's existence after conveyance. - The governing authority of boards of trustees of land grants is in the nature of that exercised by quasi-municipal corporations whose principal, if not only, function is to hold title to and manage common lands. Since the board had authority to sell and convey any or all of the grant's common lands, when these lands were conveyed to the association, the right of the "heirs" of the grant to elect a board of trustees was not directly destroyed, but there was no reason for the board's continued existence. The loss of the reason for the existence of the board resulted from the exercise by the board of its legitimate authority and power. *Moya v. Chilili Coop. Ass'n*, 87 N.M. 99, 529 P.2d 1220 (1974), cert. denied, 421 U.S. 965, 95 S. Ct. 1954, 44 L. Ed. 2d 452 (1975).

ARTICLE 6 LAS VEGAS GRANT

49-6-1. [Jurisdiction vested in district court.]

That the district court of San Miguel county, in the state of New Mexico, is vested with jurisdiction to manage, control and administer that land claim known as "The Las Vegas Land Grant," confirmed by the act of congress on the twenty-first day of June, A.D. 1860, to the town of Las Vegas.

History: Laws 1903, ch. 47, § 1; Code 1915, § 842; C.S. 1929, § 29-601; 1941 Comp., § 9-601; 1953 Comp., § 8-6-1.

ANNOTATIONS

Compiler's notes. - This article, which is almost identical with Article 5 of Chapter 22 of the 1915 Code, was not reenacted by its inclusion in that codification, but was compiled therein for convenience only.

Act of congress. - The act of congress referred to in this section is 12 Stat. 71.

Grant not tax exempt under constitution or Springer Act. - The Las Vegas grant, represented by a board of trustees with certain powers, is not a town, city or other municipal corporation, within the meaning of N.M. Const., art. VIII, § 3, exempting such towns, cities and other municipal corporations from taxation. *Davy v. McNeill*, 31 N.M. 7, 240 P. 482 (1925); *State v. Board of Trustees*, 28 N.M. 237, 210 P. 101 (1922).

Where the Las Vegas grant previously had been held for tax purposes not to be a town, city or other municipal corporation within the contemplation of N.M. Const., art. VIII, § 3, such holding was equally applicable within the contemplation of the provisions of the Springer Act, former 48 U.S.C. § 1471, and of N.M. Const., art. IV, § 24. *Board of Trustees v. Montano*, 82 N.M. 340, 481 P.2d 702 (1971).

Special legislation provisions inapplicable. - In view of the difference in the nature and origin of the different community land grants; in view of the long legislative history of enactments relating to the control, or management, of the lands of specific grants; in view of the fact that there is some discretion in the legislature to determine in which cases special laws should be passed and in view of the presumptions indulged in favor of the validity of legislation, supreme court held that the prohibitions against special legislation as contained in the Springer Act, former 48 U.S.C. § 1471, and in N.M. Const., art. IV, § 24, were not applicable to enactments relating to the governing or managing bodies of the Las Vegas grant or any specific community land grants, or to the manner in which these bodies exercise their powers of control, management and disposition over grant lands. *Board of Trustees v. Montano*, 82 N.M. 340, 481 P.2d 702 (1971).

49-6-2. [Appointment of board of trustees.]

On July first in each alternate year after July 1, 1914, the district court of San Miguel county, New Mexico, shall appoint a board of trustees to have the control and management of the tract of land known as the Las Vegas land grant, to be known and designated as the board of trustees of the town of Las Vegas, and said board in and by said name may sue and be sued, and shall hold their office for a term of two years, and until their successors are appointed and qualified. And it shall be the duty of said board when so appointed to immediately organize by selecting from among its members a president, a vice president and a treasurer of said board and to employ a suitable and competent person who shall not be a member of said board as the clerk or secretary thereof whose compensation shall be fixed by said board.

History: Laws 1909, ch. 103, § 1; Code 1915, § 852; C.S. 1929, § 29-611; 1941 Comp., § 9-602; 1953 Comp., § 8-6-2.

ANNOTATIONS

Compiler's notes. - Laws 1909, ch. 103, § 1, as enacted, contained the following preliminary provision: "The terms of office of all persons appointed as members of the board of trustees of the town of Las Vegas, and now serving as such in conformity with an act, entitled 'An act to provide for the management of the Las Vegas grant and for other purposes,' being chapter 47 of the Laws of the year 1903, or whose appointment was ratified and confirmed by the said act, shall terminate on the first day of July, 1909; and on said date, each two years thereafter," and then followed as in this section with "the district court . . ." The opening words in this section before "the district court" were added by the compilers of the 1915 Code.

Laws 1909, ch. 103, § 1, as enacted, also contained, just before the present second sentence, "And which said board shall consist of not less than three nor more than five persons, to be appointed from among residents on the land embraced within the exterior boundaries of said Las Vegas grant."

Laws 1909, ch. 103, § 6, read: "The said board of trustees shall have all the power and authority conferred by an act, entitled 'An act to provide for the management of the Las Vegas grant and for other purposes,' being chapter 47 of the Laws of the year 1903, which said act is hereby continued in force, except as to any provisions thereof as are in conflict herewith." By its omission from the 1915 Code, Section 6 was apparently repealed.

ANNOTATIONS

Compiler's notes. - Laws 1903, ch. 47, § 3, contained the following first sentence: "Said board of trustees, when appointed as hereby provided, shall organize by selecting one of their number as chairman of said board of trustees who shall preside over the meetings of said board, and another, of said board, as secretary, whose duties it shall be to keep and preserve the records and doings of said board of trustees." This sentence is deemed superseded by 49-6-2 NMSA 1978.

49-6-5. [Control of board by court.]

By its omission from the 1915 Code, it was apparently repealed. See also compiler's notes to 49-6-2 NMSA 1978.

49-6-8. [Transaction of business by board; authority of district court to make rules.]
