History: 1953 Comp., § 13-17-10, enacted by Laws 1973, ch. 376, § 10; 1977, ch. 201, § 1; 1998, ch. 8, § 27; 1998, ch. 9, § 27.

ANNOTATIONS

Cross references. - For liability for repayment of public assistance, see 27-2-28 NMSA 1978.

The 1998 amendment, substituted "rules" for "regulations" and "department" for "board" throughout the section; in Paragraph A(1), substituted "the New Mexico Works Act" for "aid to families with dependent children"; in Paragraph A(2), substituted "cash assistance or services pursuant to the New Mexico Works Act" for "aid to families with dependent children"; in Paragraph A(3), deleted "from time to time" at the end of the paragraph; added Paragraph A(4); in Subsection B, substituted "rule" for "regulation"; in Subsection C, "substituted New Mexico Works Act, subject to the availability of state funds" for "aid to families with dependent children program pursuant to Section 13-17-3 NMSA 1953", and made stylistic changes throughout the section.

Emergency clauses. - Laws 1998, ch. 8, § 29 and Laws 1998, ch. 9, § 29 makes the act effective immediately. Approved February 18, 1998.

Duplicate Laws. - Laws 1998, ch. 8, § 27 and Laws 1998, ch. 9, § 27 enact identical provisions of law. Both versions are compiled at this location.

Maximum period of eligibility held unconstitutional. - Regulation of the human services department imposing a maximum period of eligibility for disabled adults receiving benefits under the general assistance program violated Title II of the federal Americans with Disabilities Act. *Weaver v. New Mexico Human Servs. Dep't*, 1997-NMSC-039, 123 N.M. 705, 945 P.2d 70 (1997).

Refusal to comply with regulations terminates eligibility. - Where an applicant for public assistance refuses to comply with regulations requiring assignment of support rights, she may not maintain her eligibility for aid to families with dependent children benefits. The department's refusal to provide such benefits on that basis is in accordance with applicable law and regulations. *Melton v. New Mexico Dep't of Human Servs.* 97 N.M. 102, 637 P.2d 52 (Ct. App. 1981).

Validity of regulation limiting duration of cash assistance payments. - This section did not prevent state health and social services department (now human services department) from enacting regulation placing a six-month limitation on general assistance benefits paid to temporarily disabled needy persons with no minor children, since the limitation contemplated by the legislature was not confined to the amount of

the periodic payments, but also applied to the length of time such payments were made. Health & Social Servs. Dep't v. Garcia, 88 N.M. 640, 545 P.2d 1018 (1976).

The rate of payment for in-patient hospital services shall be based either on the reasonable cost or the customary cost of such services, whichever is less. In determining reasonable cost under this section, the board shall adopt regulations establishing a formula consistent with the federal act. The department shall apply that formula to determine the amount to which each hospital is entitled as reimbursement for providing in-patient hospital services.

B. To receive reimbursement for providing in-patient hospital services, a hospital shall file annually with the department such information as the department may reasonably require to determine reasonable costs or the hospital's customary cost of in-patient hospital services.

C. Any hospital entitled to reimbursement for in-patient hospital services shall be entitled to a hearing, pursuant to regulations of the board consistent with applicable state law, if the hospital disagrees with the department's determination of the reimbursement the hospital is to receive.

The human services department shall establish a rate for the reimbursement of physicians, dentists, optometrists, podiatrists and psychologists for services rendered to medicaid patients that provides equal reimbursement for the same or similar services rendered without respect to the date on which such physician, dentist, optometrist, podiatrist or psychologist entered into practice in New Mexico, the date on which the physician, dentist, optometrist, podiatrist or psychologist entered into an agreement or contract to provide such services or the location in which such services are to be provided in the state; provided, however, that the requirements of this section shall not apply when the human services department contracts with entities pursuant to Section 27-2-12.6 NMSA 1978 to negotiate a rate for the reimbursement for services rendered to medicaid patients in the medicaid managed care system.

27-2-12.4. Long-term care facilities; noncompliance with standards and conditions; sanctions.

A. In addition to any other actions required or permitted by federal law or regulation, the human services department shall impose a hold on state medicaid payments to a long-term care facility thirty days after the health and environment department [department of health] notifies the human services department in writing pursuant to an on-site visit that the long-term care facility is not in substantial compliance with the standards or

conditions of participation promulgated by the federal department of health and human services pursuant to which the facility is a party to a medicaid provider agreement, unless the substantial noncompliance has been corrected within that thirty-day period or the facility's medicaid provider agreement is terminated or not renewed based in whole or in part on the noncompliance. The written notice shall cite the specific deficiencies that constitute noncompliance.

B. The human services department shall remove the payment hold imposed under Subsection A of this section when the health and environment department [department of health] pursuant to an on-site visit certifies in writing to the human services department that the long-term care facility is in substantial compliance with the standards or conditions of participation pursuant to which the facility is a party to a medicaid provider agreement.

C. The human services department shall not reimburse any long-term care facility during the payment hold period imposed pursuant to Subsection A of this section for any medicaid recipient-patients who are new admissions and who are admitted on or after the day the hold is imposed and prior to the day the hold is removed.

D. If a long-term care facility is certified in writing to be in noncompliance pursuant to Subsection A of this section for the second time in any twelve-month period, the human services department shall cancel or refuse to execute the long-term care facility's medicaid provider agreement for a two-month period, unless it can be demonstrated that harm to the patients would result from this action or that good cause exists to allow the facility to continue to participate in the medicaid program. The provisions of this subsection are subject to appeal procedures set forth in federal regulations for nonrenewal or termination of a medicaid provider agreement.

E. A long-term care facility shall not charge medicaid recipient-patients, their families or their responsible parties to recoup any payments not received because of a hold on medicaid payments imposed pursuant to this section.

F. This section shall not be construed to affect any other provisions for medicaid provider agreement termination, nonrenewal, due process and appeal pursuant to federal law or regulation.

G. As used in this section:

(1) "day" means a twenty-four hour period beginning at midnight and ending one second before midnight;

(2) "long-term care facility" means any intermediate care facility or skilled nursing facility which is licensed by the health and environment department [department of health] and which is medicaid certified;

(3) "new admissions" means medicaid recipients who have never been in the long-term care facility or, if previously admitted, had been discharged or had voluntarily left the facility. The term does not include:

(a) individuals who were in the long-term care facility before the effective date of the hold on medicaid payments and became eligible for medicaid after that date; and

(b) individuals who, after a temporary absence from the facility, are readmitted to beds reserved for them in accordance with federal regulations; and

27-2-12.5. Medicaid-certified nursing facilities; retroactive eligibility; refunds; penalty.

A. Medicaid payment for a medicaid-eligible patient shall be accepted by a medicaid-certified nursing facility from the first month of medicaid eligibility, regardless of whether the eligibility is retroactive. The nursing facility shall refund to the patient or responsible party all out-of-pocket money except for required medical-care credits paid to the nursing facility for that patient's care on and after the date of medicaid eligibility for services covered by the medicaid program. Within thirty days after notification by the human services department of the patient's medicaid eligibility, the nursing facility shall make any necessary refund to the patient or responsible party required under this section.

B. When the department makes medical assistance payments in behalf of a recipient, the department is subrogated to any right of the recipient against a third party for recovery of medical expenses to the extent that the department has made payment.

History: 1953 Comp., § 13-1-20.1, enacted by Laws 1969, ch. 232, § 1.

ANNOTATIONS

Cross references. - For medical assistance programs generally, see 27-2-12 NMSA 1978.

For liability for repayment of public assistance, see 27-2-28 NMSA 1978.

Department's subrogation is right of recovery subject to equitable principles. *White v. Sutherland*, 92 N.M. 187, 585 P.2d 331 (Ct. App.), cert. denied, 92 N.M. 79, 582 P.2d 1292 (1978).

Circumstances held not to justify complete reimbursement. - Although this section shows an intent that medical assistance payments be repaid, it says nothing as to 100 percent repayment regardless of the facts. Where the settlement proceeds in a medical malpractice suit would constitute but a small fraction of a medical assistance recipient's actual damages and any money which the department might recover would be due to a very large extent to the energies expended in pursuing the malpractice claim by the recipient and her attorneys, who were charging a contingent fee of 25 percent of the recovery, the department was not equitably entitled to complete reimbursement for its payments to the recipient. *White v. Sutherland*, 92 N.M. 187, 585 P.2d 331 (Ct. App.), cert. denied, 92 N.M. 79, 582 P.2d 1292 (1978).

Equitable reduction. - Subsection G of 27-2-28 NMSA 1978, providing for assignment to the department of a recipient's right to recovery against a tortfeasor, as reconciled with this section and federal law, does not convey the right to full reimbursement in every case, but permits an equitable reduction. *Kahrs v. Sanchez*, 1998-NMCA-037, 125 N.M. 1, 956 P.2d 132 (Ct. App. 1997), cert. denied, 124 N.M. 589, 953 P.2d 1087 (1998).

27-2-23.1. Employee Retirement Income Security Act employee health benefit plans; clauses to exclude medicaid coverage prohibited.

No employee health benefit plan established under the Employee Retirement Income Security Act of 1974, 29 U.S.C. 1144, that provides payments for health care on behalf of individuals residing in the state shall contain any provisions excluding or limiting coverage or payment for any health care for an individual who would otherwise be covered or entitled to benefits or services under the terms of the employee health benefit plan, because that individual is provided, or is eligible for, benefits under the medicaid program of this state pursuant to Title XIX of the federal Social Security Act, 42 U.S.C. 1396, et seq.

27-2-24. [Federal government entitled to share recovery.]

The federal government shall be entitled to a share of any amounts recovered under the preceding two sections [27-2-22, 27-2-23 NMSA 1978] if required as a condition to federal financial participation. The federal government's share shall be limited to a percentage of the net recovery equal to the percentage of federal participation claimed by the state for the payments when originally made. The amount due the United States shall be paid promptly from the funds so collected to the United States government.

ANNOTATIONS

Compiler's notes. - The words "preceding two sections," which first appeared in this section as amended by Laws 1969, ch. 232, § 2, apparently were intended to refer to 13-1-20 and 13-1-20.1, 1953 Comp., which at that time were the two sections immediately preceding this section in the 1953 Compilation. Sections 13-1-20 and 13-1-20.1, 1953 Comp., are compiled as 27-2-22 and 27-2-23 NMSA 1978.

Section 27-2-22 was repealed by Laws 1998, ch. 9, § 28, effective February 28, 1998.

27-2-25. Funeral expenses.

A. On the death of:

(1) a recipient of financial assistance under Section 27-2-6 NMSA 1978 [repealed] or Section 27-2-7 NMSA 1978 or under the federal supplemental security income program;
or

(2) an individual living in a nursing home or an intermediate care facility the payment for whose care is made in whole or in part pursuant to Title 19 of the federal act; funeral expenses up to two hundred dollars (\$200) shall be paid by the health and social services department if the deceased's available resources, as defined by regulation of the board, are insufficient to pay the funeral expenses, the persons legally responsible for the support of the deceased are unable to pay the funeral expenses, and no other person will undertake to pay said expenses.

B. No payment shall be made by the department when resources available from all sources to pay the funeral expenses total six hundred dollars (\$600) or more. When the resources are less than six hundred dollars (\$600), the department shall pay the difference between six hundred dollars (\$600) and the resources, or two hundred dollars (\$200), whichever is less.

27-2-26. Money received from other sources; duty and liability of funeral director.

Should any funeral director accept payment from sources other than the department for burial of a deceased person for whom a claim for burial expenses has been made to the department, he shall immediately notify the department of said payment. The department will consider said payment in determining the amount of any funeral expense payment it makes. If the department has already made payment, the funeral director shall refund to the department any excess over the amount which the department would have paid had it known of the payment from other sources. If any funeral director shall fail to notify the department of any such payment from other sources, he shall be liable to the department in an amount double the amount paid or to be paid by the department.

History: 1953 Comp., § 13-1-22.1, enacted by Laws 1975, ch. 220, § 2.

27-2-27. Single state agency; powers and duties.

The department is designated as the single state agency for the enforcement of child and spousal support obligations pursuant to Title IV D of the federal act with the following duties and powers:

- A. establish the paternity of a child in the case of the child born out of wedlock with respect to whom an assignment of support rights has been executed in favor of the department;
- B. establish an order of support for children receiving aid to families with dependent children and, at the option of the department, for the spouse or former spouse with whom such children are living, but only if a support obligation has been established with respect to such spouse or former spouse, for whom no order of support presently exists and seek modification, based upon the noncustodial parent's ability to pay, of existing orders in which the support order is inadequate to properly care for the child and the spouse or former spouse with whom the child is living;
- C. enforce as the real party in interest any existing order for the support of children who are receiving aid to families with dependent children or of the spouse or former spouse with whom such children are living; and
- D. provide services to non-aid families with dependent children in the establishment and enforcement of paternity and child support obligations, including locating the absent parent. For these services, the department is authorized to establish and collect fees, costs and charges permitted or required by federal law or by regulations adopted pursuant to that federal law.
- E. In all cases handled by the department pursuant to the provisions of this section, the child support enforcement division of the department and any attorney employed by the division represent the department in establishing, modifying and enforcing support obligations.

Repeals and reenactments. - Laws 1969, ch. 182, § 1 repealed 13-1-27, 1953 Comp., relating to notice to law enforcement officials of furnishing of aid to deserted or abandoned child, and enacted a former 27-2-27 NMSA 1978.

Laws 1981, ch. 90, § 1 repealed former 27-2-27 NMSA 1978, as enacted by Laws 1969, ch. 182, § 1, relating to duties of the department of health and social services regarding an absent parent of a dependent child, and enacted a new 27-2-27 NMSA 1978. For provisions of former section, see 1978 Original Pamphlet.

The 1995 amendment, effective June 16, 1995, deleted "human services" preceding "department" in four places; in Subsection D, substituted "provide services to" for "represent" at the beginning of the first sentence and "For these services" for "For such representation" at the beginning of the second sentence; and added Subsection E.

Meaning of "federal act". - Title IV D of the federal act, referred to in the introductory paragraph, means Title IV D of the federal Social Security Act, which appears as 42 U.S.C. § 651 et seq. See 27-2-2 NMSA 1978.

Paternity action on behalf of child past majority. - The child support enforcement division could not bring paternity and past child support action on behalf of twenty-year-old child; although such action could be maintained by the child under the Uniform Parentage Act, its outcome had no bearing upon the department, and, therefore, department had no standing. State ex rel. Salazar v. Roybal, 1998-NMCA-093, 125 N.M. 471, 963 P.2d 548 (Ct. App.), cert. denied, 125 N.M. 322, 961 P.2d 167 (1998).

Substitution of child as real party in interest. - Where it was held that human services department was without standing to maintain action on behalf of twenty-year-old child, child could be substituted as real party in interest with no effect on his substantive rights, if, on remand, it was determined that the department's error was an honest mistake. State ex rel. Salazar v. Roybal, 1998-NMCA-093, 125 N.M. 471, 963 P.2d 548 (Ct. App.), cert. denied, 125 N.M. 322, 961 P.2d 167 (1998).

State not barred by laches in determining paternity. - Where a determination of the paternity of a child is in the public interest, as when the state is seeking reimbursement for payments it has made in the past, as well as future support payments for so long as the child receives public assistance, absent proof of inexcusable neglect, the state will not be barred by the doctrine of laches from maintaining such an action. 27-2-28. Liability for repayment of public assistance.

A. A noncustodial parent is liable to the human services department in the amount of the public assistance lawfully and properly furnished to the children, and the spouse or former spouse with whom such children are living, to whom the noncustodial parent owes a duty of support; except that if a support order has been entered, liability for the time period covered by the support order shall not exceed the amount of support provided for in the order.

B. Amounts of support due and owing for periods prior to the granting of public assistance shall be paid to and retained by the human services department to the extent that the amount of assistance granted exceeds the amount of the monthly support obligation.

C. Amounts of support collected that are in excess of the amounts specified in Subsections A and B of this section shall be paid by the human services department to the custodian of the child.

D. No agreement between any custodian of a child and a parent of that child, either relieving the parent of any duty of child or spousal support or responsibility or purporting to settle past, present or future support obligations, either as a settlement or prepayment, shall act to reduce or terminate any rights of the human services department to recover from that parent for support provided, unless the human services department has consented to the agreement in writing.

E. The noncustodial parent shall be given credit for any support actually provided, including housing, clothing, food or funds paid prior to the entry of any order for support. The noncustodial parent has the burden on the issue of any payment.

F. An application for public assistance by any person constitutes an assignment by operation of law of any support rights the person is entitled to from any other person, whether the support rights are owed to the applicant or to any family member for whom the applicant is applying for or receiving assistance. The assignment includes all support rights that have accrued at the time of application for public assistance and continues as an assignment of all support rights the applicant is entitled to for as long as the applicant receives public assistance.

G. By operation of law, an assignment to the human services department of any and all rights of an applicant for or recipient of medical assistance under the medicaid program in New Mexico or supplemental security income through the social security administration:

(1) is deemed to be made of:

(a) any payment for medical care from any person, firm or corporation, including an insurance carrier; and

(b) any recovery for personal injury, whether by judgment or contract for compromise or settlement;

(2) shall be effective to the extent of the amount of medical assistance actually paid by the department under the medicaid program; and

(3) shall be effective as to the rights of any other individuals who are eligible for medical assistance and whose rights can legally be assigned by the applicant or recipient.

An applicant or recipient is required to cooperate fully with the human services department in its efforts to secure the assignment and to execute and deliver any instruments and papers deemed necessary to complete the assignment by that department.

ANNOTATIONS

Repeals and reenactments. - Laws 1981, ch. 90, § 2, repealed former 27-2-28 NMSA 1978, as amended by Laws 1973, ch. 376, § 12, relating to actions brought by the department of health and social services against the person responsible for the support of a spouse or minor children who are recipients of public assistance, and enacted a new 27-2-28 NMSA 1978. For provisions of former section, see 1978 Original Pamphlet.

The 1991 amendment, effective June 14, 1991, inserted "human services" preceding "department" throughout the section; added Subsections F and G; and made a minor stylistic change in Subsection C.

The 1995 amendment, effective June 16, 1995, deleted a proviso relating to claims for reimbursement by the human services department six years prior to filing an action from the end of Subsection A and made a minor stylistic change in Subsection C.

Contempt proceeding brought to enforce child support order is civil in nature. State ex rel. Department of Human Servs. v. Rael, 97 N.M. 640, 642 P.2d 1099 (1982).

State brings action as assignee of claim for nonsupport. - Where the state brings an action under this section, it is merely acting as an assignee of the minor's mother's claim for nonsupport rather than exercising its police power, and is therefore acting as a private party. State ex rel. Department of Human Servs. v. Rael, 97 N.M. 640, 642 P.2d 1099 (1982).

State not barred by laches. - Where a determination of the paternity of a child is in the public interest, as when the state is seeking reimbursement for payments it has made in the past, as well as future support payments for so long as the child receives public assistance, absent proof of inexcusable neglect, the state will not be barred by the doctrine of laches from maintaining such an action. State ex rel. Department of Human Servs. v. Davis, 99 N.M. 138, 654 P.2d 1038 (1982).

Court cannot relieve parent of duty to support child. - In adopting a valid decree, a judge cannot discharge a parent of his or her duty to support his or her child and thereby place the burden on the taxpayers. Martinez v. Martinez, 98 N.M. 535, 650 P.2d 819 (1982).

Parents cannot enter into an agreement to extinguish a parent's duty to support their children before executing an assignment of support rights to a state agency. Parents have a duty to support their children and cannot rid themselves of it by transferring the duty to someone else. Martinez v. Martinez, 98 N.M. 535, 650 P.2d 819 (1982).

Court cannot relieve parent from obligation to department for public assistance paid, in the past and in the future, on behalf of the children. Martinez v. Martinez, 98 N.M. 535, 650 P.2d 819 (1982).

Noncustodial parent's repayment of public assistance. - A noncustodial parent's obligation for repayment of public assistance spent on children may be ascertained without regard to the obligations of any other parent, including other noncustodial parents. State ex rel. Human Servs. Dep't v. Barela, 117 N.M. 526, 873 P.2d 272 (Ct. App. 1994).

Parent's pro se status does not relieve parent of statutory burden to prove affirmatively her contribution to her children's support. State ex rel. Human Servs. Dep't v. Barela, 117 N.M. 526, 873 P.2d 272 (Ct. App. 1994).

Equitable reduction. - This section aids in the implementation of the subrogation provisions of 27-2-23 NMSA 1978 and provides the same equitable remedy; the human services department is not entitled to full reimbursement in every case where an injured recipient of Medicaid recovers from a tortfeasor. Kahrs v. Sanchez, 1998-NMCA-037, 125 N.M. 1, 956 P.2d 132 (Ct. App. 1997), cert. denied, 124 N.M. 589, 953 P.2d 1087 (1998).

27-2-41. Short title.

This act [27-2-41 to 27-2-47 NMSA 1978] may be cited as the "Indigent Catastrophic Illness Hospital Funding Act".

History: Laws 1990, ch. 93, § 1.

27-2-42. Legislative findings; purpose.

A. The legislature finds that twenty-five percent of New Mexicans have no health insurance. When such individuals suffer a catastrophic illness, the large hospital bills that are incurred can often result in indigency for that sick person and his family.

B. The purpose of the Indigent Catastrophic Illness Hospital Funding Act [27-2-41 to 27-2-47 NMSA 1978] is to reduce the impact of medical indigency on the cost of health care in New Mexico by providing for payment of some portion of large hospital bills incurred by medically indigent patients.

History: Laws 1990, ch. 93, § 2.

27-2-43. Definitions.

As used in the Indigent Catastrophic Illness Hospital Funding Act [27-2-41 to 27-2-47 NMSA 1978]:

A. "department" means the human services department;

B. "fund" means the indigent catastrophic illness hospital fund;

C. "hospital" means any general or special hospital that is licensed by the health and environment department [department of health] and that has annual gross charges for medicare, medicaid and indigent patients greater than ten percent of the hospital's total annual gross charges; and

D. "medically indigent patient" means an individual who is a New Mexico resident who incurs hospital charges, who is not eligible for medicaid or medicare and whose family or household income does not exceed two hundred fifty percent of the federal poverty level.

History: Laws 1990, ch. 93, § 3.

ANNOTATIONS

Bracketed material. - The bracketed reference to the department of health was inserted by the compiler, as Laws 1991, ch. 25, § 16 repeals former 9-7-4 NMSA 1978, relating to the department of health and environment, and enacts a new 9-7-4 NMSA 1978, creating the department of health. The bracketed material was not enacted by the legislature and is not part of the law.

27-2-44. Indigent catastrophic illness hospital fund created.

There is created in the state treasury the "indigent catastrophic illness hospital fund". Money in the fund is appropriated to the department for the purpose of reimbursing hospitals for eligible claims for hospital charges incurred by medically indigent patients and for paying administrative costs of the department not to exceed three percent of the annual appropriation or other distribution or transfer to the fund. Money in the fund shall be invested as provided for other state funds and income earned on the fund shall be credited to the fund. No balance remaining at the end of any fiscal year shall revert to the general fund.

History: Laws 1990, ch. 93, § 4.

27-2-45. Hospitals; claims for payment.

A. A hospital may submit eligible claims to the department on or before April 1 of each year for payment from the fund by June 30 of each year in an amount determined pursuant to this section.

B. A claim submitted by a hospital for payment from the fund shall be deemed an eligible claim if it is for:

(1) uncovered hospital charges of five thousand dollars (\$5,000) or more for an illness of a medically indigent patient;

(2) hospital charges incurred within the twelve months immediately prior to the applicable April 1 closing deadline; and

(3) an amount determined by subtracting from the base claim the medically indigent patient's deductible and then reducing the resulting balance, based on the hospital's medicare cost-to-charge ratio, to an amount equal to medicare allowable costs.

C. The department shall pay from the fund to each hospital the amount of each eligible claim if there is sufficient money in the fund. If there is not sufficient money in the fund to pay all eligible claims of hospitals for that year, the amount of each claim that shall be paid shall be an amount derived from multiplying the full amount of the eligible claim by the percentage derived from dividing the balance in the fund, after administrative costs have been subtracted, by the sum of the eligible claims.

History: Laws 1990, ch. 93, § 5.

27-2-46. Medically indigent patient deductible.

A medically indigent patient's deductible shall be an amount determined by the hospital that the medically indigent patient is able to pay the hospital in monthly installments over an eighteen-month period. That determination shall be made pursuant to department rules and regulations and shall include, but not be limited to, consideration of the medically indigent patient's family size, household income and obligations.

27-2B-2. Legislative findings; purpose of act.

A. The legislature finds that:

(1) the poverty rate in New Mexico is the highest in the nation and has exceeded more than twenty percent of the population for most of the past twenty-five years;

(2) having a job does not provide a guarantee of avoiding poverty as demonstrated by the high percentage of persons in the civilian labor force over sixteen years of age with reported incomes in 1989 that were below the poverty level; and

(3) the diversity of the state, with its residents living in rural and metropolitan areas, reservations and border areas, requires the state to adjust state policies governing economic and social programs for the poor and the working poor to reflect the particular needs of particular locales, not just to create a generic one-size-fits-all program.

B. The legislature finds that education and training are essential to long-term career development.

C. The legislature finds that employment improves the quality of life for parents and children by increasing family income, developing the discipline necessary for self-sufficiency and improving self-esteem, and thus, it is in the public interest to fundamentally alter the state's financial assistance program for needy families with children so both cash and services, including education, job training, child care and transportation provided in accordance with the New Mexico Works Act [27-2B-1 to 27-2B-20 NMSA 1978] assist recipients to obtain and keep employment that is sufficient to sustain their families, ensure the dignity of those who receive assistance and strengthen families and families' support for their children.

D. The legislature finds that although most New Mexicans want to work, and in fact New Mexico has been cited as a "like to work" state, not all families can move quickly into the labor force and that regular assessments and key intervention and follow-up can help

persons connect to the work force to obtain meaningful work and achieve self-sufficiency.

E. The legislature further finds that the federal act envisions that state and tribal governments will work together to serve participants residing in Indian country, and it is important that the state and the tribal governments work, government to government, to address the issues of availability and delivery of service to the twenty-two tribes and pueblos.

F. The purpose of the New Mexico Works Act is to increase family income through family employment and child support and, by viewing financial assistance as a support service to enable and assist parents to participate in employment rather than as an entitlement, to enable New Mexico to change the culture of the welfare office, both on the part of the department and on the part of the recipients, so that all parties can focus on addressing the barriers to participation in work activities and putting New Mexicans to work.

A. A participant may request a hearing if:

(1) an application is not acted on within a reasonable time after the filing of the application;

(2) an application is denied in whole or in part; or

(3) the cash assistance or services are modified, terminated or not provided.

B. The department shall notify the participant of his rights under this section.

C. The department shall by rule establish procedures for the filing of a request for a hearing and the time limits within which a request may be filed; provided, however, that the department may grant reasonable extensions of the time limits. If the request is filed in a timely manner, cash assistance and services shall be provided until the appeal is resolved. If the request is not filed within the specified time for appeal or within whatever extension the department may grant, the department action shall be final. Upon receipt of a timely request, the department shall give the participant reasonable notice of an opportunity for a fair hearing in accordance with the rules of the department.

D. The hearing shall be conducted by a hearing officer designated by the director. The powers of the hearing officer shall include administering oaths or affirmations to witnesses called to testify, taking testimony, examining witnesses, admitting or excluding evidence and reopening a hearing to receive additional evidence. The technical rules of evidence and the rules of civil procedure shall not apply. The hearing shall be conducted so that the contentions or defenses of each party to the hearing are amply and fairly presented. G. The filing of a notice of appeal shall not stay the enforcement of the decision of the director, but the department may grant, or the court upon motion and good cause shown may order, a stay.

H. Within twenty days after receipt of the notice of appeal, the department shall file with the clerk of the court three copies and furnish to the appellant one copy of the written transcript of the record of the proceedings.

I. If, before the date set for argument, application is made to the court for leave to present additional evidence and the court is satisfied that the additional evidence is material and there was good reason for not presenting it in the hearing, the court may order the additional evidence taken before the department. If the application to present additional evidence is filed by the department and is approved by the court, the department's decision that is being appealed shall be stayed. The director may modify his findings and decision by reason of the additional evidence and shall file with the court a transcript of the additional evidence together with any modified or new findings or decision.

J. The review of the court shall be made upon the decision and the record of the proceedings.

K. The court shall set aside a decision and order of the director only if found to be:

C. Prior to imposing the first sanction, if the department determines that a participant is not complying with the work participation requirement or child support requirements, the participant shall be required to enter into a conciliation process to address the noncompliance and to identify good cause for noncompliance. The conciliation process shall occur only once prior to the imposition of the sanction. If the participant fails to participate in the conciliation process within ten days of receiving notice, the sanction shall be imposed.

D. Reestablishing compliance will allow full payment to resume.

C. The wage subsidy pilot program shall include the following requirements:

(1) participating employers shall hire participants who receive cash assistance and food stamps for subsidized job slots that are full time and that offer a reasonable possibility of unsubsidized employment after the subsidy period;

(2) participating employers shall receive a subsidy for up to six months. The department may grant an extension of three months to employers operating in areas identified as having a higher unemployment rate than the state average, as defined by the department, if the extension increases the likelihood of ongoing unsubsidized employment for the subsidized employee;

(3) subsidized employees shall not be required to work in excess of forty hours per week;

(b) provide on-the-job training necessary for subsidized employees to perform their duties;

(c) sign an agreement for each placement outlining the specific job offered to a subsidized employee and agree to abide by all of the requirements of the program;

(c) benefit from this employment strategy by the department;

(9) a disregard of income earned by the subsidized employee in the subsidized job shall be applied in the eligibility determination for services;

The department shall authorize issuance of a supplemental cash payment to compensate for the deficit. To determine if a deficit exists, the department shall adopt an equivalency scale that is adjustable to household size and other factors; and

(13) the department shall determine monthly and pay in advance supplemental payments to eligible subsidized employees. In calculating the payment, the department shall assume that the subsidized employee will work forty hours per week during the month unless an employer provides information that the number of hours to be worked by the subsidized employee will be reduced.

D. Prior to the forty-fifth legislature, first session, the department shall report the results of the wage subsidy pilot program to the appropriate interim committee.

E. For the purposes of this section "benefits" includes health care coverage, paid sick leave and holiday and vacation pay.

27-3-2. Definitions.

As used in the Public Assistance Appeals Act [27-3-1 to 27-3-4 NMSA 1978]:

A. "department" means the income support division, the medical assistance division or the social services division of the human services department;

B. "board" means the income support division, the medical assistance division or the social services division of the human services department; and

C. "director" means the director of the income support division, the medical assistance division or the social services division of the human services department.

History: 1953 Comp., § 13-18-2, enacted by Laws 1973, ch. 256, § 2; 1977, ch. 252, § 22; 1991, ch. 155, § 2.

ANNOTATIONS

The 1991 amendment, effective June 14, 1991, inserted "the medical assistance division" in Subsections A and C and "the medical assistance division or the social services division" in Subsection B.

27-3-3. Fair hearing.

A. An applicant for or recipient of assistance or services under any provisions of the Public Assistance Act, Social Security Act or Special Medical Needs Act [27-4-1 to 27-4-5 NMSA 1978] or regulations of the board adopted pursuant to those acts may request a hearing in accordance with regulations of the board if:

(1) an application is not acted upon within a reasonable time after the filing of the application;

(2) an application is denied in whole or in part; or

(3) the assistance or services are modified, terminated or not provided.

The department shall notify the recipient or applicant of his rights under this section.

B. The board shall by regulation establish procedures for the filing of a request for a hearing and the time limits within which a request may be filed; provided, however, that the department may grant reasonable extensions of the time limits. If the request is not filed within the specified time for appeal or within whatever extension the department may grant, the department action shall be final. Upon receipt of a timely request, the department shall give the applicant or recipient reasonable notice of an opportunity for a fair hearing in accordance with the regulations of the board.

C. The hearing shall be conducted by a hearing officer designated by the director. The powers of the hearing officer shall include administering oaths or affirmations to witnesses called to testify, taking testimony, examining witnesses, admitting or excluding evidence and reopening any hearing to receive additional evidence. The technical rules of evidence and the rules of civil procedure shall not apply. The hearing shall be conducted so that the contentions or defenses of each party to the hearing are amply and fairly presented. Either party may be represented by counsel or other

representative of his designation, and he or his representative may conduct cross-examination. Any oral or documentary evidence may be received, but the hearing officer may exclude irrelevant, immaterial or unduly repetitious evidence.

D. The director shall review the record of the proceedings and shall make a decision thereon. The applicant or recipient or his representative shall be notified in writing of the director's decision and the reasons for the decision. The written notice shall inform the applicant or recipient of his right to judicial review. The department shall be responsible for assuring that the decision is enforced.

History: 1953 Comp., § 13-18-3, enacted by Laws 1973, ch. 256, § 3; 1991, ch. 155, § 3.

ANNOTATIONS

The 1991 amendment, effective June 14, 1991, in Subsection A, substituted "Social Security Act" for "Social Services Act" near the beginning and added "or not provided" at the end of Paragraph (3) and made minor stylistic changes in Subsections A and D.

Public Assistance Act. - See 27-2-1 NMSA 1978 and notes thereto.

Social Security Act. - The federal Social Security Act, referred to in Subsection A, appears as 42 U.S.C.S. § 301 et seq.

Requirement that medical reports evidence be available for examination. - Since medical reports are written information, they cannot be made a part of a hearing record or be used in making a decision on the case unless they have been made available for examination prior to or during the hearing. *Hillman v. Health & Social Servs. Dep't*, 92 N.M. 480, 590 P.2d 179 (Ct. App. 1979).

Consideration of report not properly admitted into evidence held harmless error. - Where a report is not available to recipient before the hearing is concluded, and is not properly admitted into evidence, consideration of this report by the hearing officer violates the program manual but where the report does no more than agree with previous reports of specialists, which were properly in evidence and which provide substantial support for the decision to terminate benefits, consideration of the report is harmless error. *State ex rel. Human Servs. Dep't v. Gomez*, 99 N.M. 261, 657 P.2d 117 (1982).

Termination of benefits cannot be based upon information outside record. *Hillman v. Health & Social Servs. Dep't*, 92 N.M. 480, 590 P.2d 179 (Ct. App. 1979).

Termination hearing must protect claimant's opportunity to present case. - Any decision terminating a claimant's benefits must be based on a hearing which fully protects the claimant's opportunity to present his case; specifically, the option to

examine all medical reports prior to or during the hearing. *Hillman v. Health & Social Servs. Dep't*, 92 N.M. 480, 590 P.2d 179 (Ct. App. 1979).

Hearing conducted by telephone not denial of due process. - A recipient of welfare benefits is not deprived of due process because his termination hearing is conducted by telephone and not in the presence of a hearing officer who can observe his demeanor. *State ex rel. Human Servs. Dep't v. Gomez*, 99 N.M. 261, 657 P.2d 117 (1982).

Reasons for decision. - Although the director signed a form paragraph entitled "Final Decision" and inserted a check mark indicating "[d]ecided in favor of Dept.," his signature and the check mark failed to comply with Subsection D because they did not indicate the reason for his decision. Specifically, the director failed to indicate whether he adopted or approved the findings and conclusions of the hearing officer or whether he reached his decision on some other basis. *Green v. New Mexico Human Servs. Dep't*, 107 N.M. 628, 762 P.2d 915 (Ct. App. 1988).

Burden on department to inform about subsequent hearing opportunities. - The burden of informing an applicant/recipient of the opportunity to present his case in light of new medical reports and social summaries at subsequent hearings is placed upon the department. *Hillman v. Health & Social Servs. Dep't*, 92 N.M. 480, 590 P.2d 179 (Ct. App. 1979).

No duty to inform of right to reapply. - There is nothing in the statutes or regulations that would impose upon the department the duty to inform an applicant to reapply for benefits. *Landavazo v. New Mexico Dep't of Human Servs.* 106 N.M. 715, 749 P.2d 538 (Ct. App. 1988).

Subsequent change of circumstance. - Where an applicant's application for food stamp benefits was originally denied by the county office because the resource maximum for his household was exceeded by the value of his vehicle, and he then modified his vehicle to accommodate his physical handicap, so as to exclude it from consideration as a resource, this modification constituted a changed condition or circumstance subsequent to the original denial of his application, so that the hearing officer did not err in refusing to consider this evidence. The applicant's proper remedy was to reapply for benefits. *Landavazo v. New Mexico Dep't of Human Servs.* 106 N.M. 715, 749 P.2d 538 (Ct. App. 1988).

Department is bound by its own regulations. *Hillman v. Health & Social Servs. Dep't*, 92 N.M. 480, 590 P.2d 179 (Ct. App. 1979).

Judicial review. - In reviewing an administrative decision, the courts must view the evidence in the light most favorable to the decision. *New Mexico Dep't of Human Servs. v. Tapia*, 97 N.M. 632, 642 P.2d 1091 (1982).

Notice of right of review. - This section provides for joint notice of decision and notice of the right of review, and, consequently, the notice of the right of review can be sent to

a representative who has represented the applicant at the hearing and who receives notice of the director's decision. *James v. New Mexico Human Serv. Dep't*, 106 N.M. 318, 742 P.2d 530 (Ct. App. 1987).

Tardy notice of appeal. - An applicant may not rely on inaccurate information in her notification from the director under this section as to the time for taking an appeal to excuse the tardy filing of her notice of appeal. *James v. New Mexico Human Serv. Dep't*, 106 N.M. 318, 742 P.2d 530 (Ct. App. 1987).

Scope of judicial review of "fair hearing" decision. - A judicial review of a "fair hearing" decision is not limited to whether the department's representative proceeded properly on the basis of information known prior to the "fair hearing". On the contrary, the evidence that is considered is the evidence contained in the record of the entire "fair hearing." *Cruz v. New Mexico Dep't of Human Servs.* 100 N.M. 133, 666 P.2d 1280 (Ct. App. 1983).

27-3-4. Appeal.

Within thirty days after receiving written notice of the decision of the director pursuant to Section 27-3-3 NMSA 1978, an applicant or recipient may file a notice of appeal with the district court pursuant to the provisions of Section 39-3-1.1 NMSA 1978.

History: 1953 Comp., § 13-18-4, enacted by Laws 1973, ch. 256, § 4; 1998, ch. 55, § 37; 1999, ch. 265, § 39.

ANNOTATIONS

The 1998 amendment, effective September 1, 1998, rewrote this section to the extent that a detailed comparison is impracticable.

The 1999 amendment, effective July 1, 1999, substituted "Section 39-3-1.1" for "Section 12-8A-1".

Time for filing notice of appeal. - Because the requirement of the time for filing notice of an appeal from a decision of an administrative board or agency lies within the supreme court's rule-making authority, and because such timing is now covered by Rule 12-601A NMRA, requiring filing notice within 30 days of the decision appealed from, not this section, requiring filing notice within 30 days of receipt of written notice of the decision, governs. *James v. New Mexico Human Serv. Dep't*, 106 N.M. 318, 742 P.2d 530 (Ct. App. 1987).

Review of administrative decisions where whole record considered. - Because of the minor departure from the customary substantial evidence rule in reviewing administrative decisions where the record as a whole must be considered, the reviewing court may act on other convincing evidence in the record and may make its own findings based thereon. *New Mexico Human Servs. Dep't v. Garcia*, 94 N.M. 175, 608 P.2d 151 (1980).

In reviewing an administrative decision, the courts must view the evidence in the light most favorable to the decision. *New Mexico Dep't of Human Servs. v. Tapia*, 97 N.M. 632, 642 P.2d 1091 (1982).

In order to determine whether a decision by the human services department is supported by substantial evidence in the record as a whole, the court must view the evidence in the light most favorable to the decision by the human services department; this does not permit accepting part of the evidence and totally disregarding other convincing evidence in the record considered as a whole. *New Mexico Human Servs. Dep't v. Garcia*, 94 N.M. 175, 608 P.2d 151 (1980).

The court of appeals does not reweigh the evidence nor resolve any conflicts in evidence. If there is substantial evidence on which a reasonable mind would have made such a decision, the court should affirm the administrative officer's decision. *Montoya v. New Mexico Human Servs. Dep't*, 108 N.M. 263, 771 P.2d 196 (Ct. App. 1989).

Nonincome producing property not bar to benefits. - When the evidence shows that the property cannot be utilized to produce income and a sale of the property would produce no income, the applicants for public assistance are eligible for benefits; therefore, the department's decision to deny aid to families with dependent children benefits has no support in the record. *Robnett v. New Mexico Dep't of Human Servs. Income Support Div.* 93 N.M. 245, 599 P.2d 398 (Ct. App. 1979).

Denial of benefits based upon substantial evidence. - Substantial evidence in the record as a whole supported the human services department's denial of aid to families with dependent children benefits where the natural father could provide support. *New Mexico Human Servs. Dep't v. Garcia*, 94 N.M. 175, 608 P.2d 151 (1980).

Arbitrary and capricious action by administrative agency is evident when it can be said that such action is unreasonable or does not have a rational basis and is the result of an unconsidered, willful and irrational choice of conduct, and not the result of a winnowing and sifting process. *Garcia v. New Mexico Human Servs. Dep't*, 94 N.M. 178, 608 P.2d 154 (Ct. App. 1979), rev'd on other grounds, 94 N.M. 175, 608 P.2d 151 (1980).

Failure to give notice of reason for reduction in benefits. - The action of the department in not giving notice to a recipient of the reason why her benefits were reduced invalidates the decision of the department. *Taylor v. Department of Human Servs.* 98 N.M. 314, 648 P.2d 353 (Ct. App. 1982).

Failure of department to consider certain relevant medical evidence found to be arbitrary, capricious and not in accordance with law. Saenz v. New Mexico Dep't of Human Servs. 98 N.M. 805, 653 P.2d 181 (Ct. App. 1982).

Correct decision reached for wrong reason not reversed. - A correct decision of the department will not be reversed because the result was reached for the wrong reason where the court finds another valid basis for that result. Melton v. New Mexico Dep't of Human Servs. 97 N.M. 102, 637 P.2d 52 (Ct. App. 1981).

ARTICLE 5 INDIGENT HOSPITAL AND COUNTY HEALTH CARE

27-5-1. Short title.

Chapter 27, Article 5 NMSA 1978 may be cited as the "Indigent Hospital and County Health Care Act".

History: 1953 Comp., § 13-2-12, enacted by Laws 1965, ch. 234, § 1; 1993, ch. 321, § 1.

ANNOTATIONS

The 1993 amendment, effective July 1, 1993, substituted "Chapter 27, Article 5 NMSA 1978" for "This act" and "and County Health Care" for "Claims".

Compiler's notes. - Section 13-2-21, 1953 Comp., authorizing suit against a county on hospital claim with judgment to be collected through a levy, was held unconstitutional in

Board of Dirs. of Mem. Gen. Hosp. v. County Indigent Hosp. Claims Bd., 77 N.M. 475, 423 P.2d 994 (1967). The court held that the provision was an unconstitutional attempt to circumvent N.M. Const., Art. VIII, § 2 since such a judgment would not create a "public debt" and thus did not fall within exception to constitutional limitation on property tax levies. See also 1968 Op. Att'y Gen. No. 68-107.

Am. Jur. 2d, A.L.R. and C.J.S. references. - 79 Am. Jur. 2d Welfare Laws §§ 38 to 41.

27-5-2. Purpose of Indigent Hospital and County Health Care Act.

The purpose of the Indigent Hospital and County Health Care Act [this article] is:

A. to recognize that the individual county of this state is the responsible agency for ambulance transportation or the hospital care or the provision of health care to indigent patients domiciled in that county for at least three months or for such period of time, not in excess of three months, as determined by resolution of the board of county commissioners, and to provide a means whereby each county can discharge this responsibility through a system of payments to ambulance providers, hospitals or health care providers for the care and treatment of, or the provision of health care services to, indigent patients;

B. to recognize that the counties of the state are also responsible for supporting indigent patients by providing local revenues to match federal funds for the state medicaid program, including the provision of matching funds for payments to sole community provider hospitals and the transfer of funds to the county-supported medicaid fund pursuant to the Statewide Health Care Act [27-10-1 to 27-10-4 NMSA 1978]; and

C. to recognize that the counties of the state can improve the provision of health care to indigent patients by providing local revenues for countywide or multicounty health planning.

History: 1953 Comp., § 13-2-13, enacted by Laws 1965, ch. 234, § 2; 1971, ch. 72, § 1; 1983, ch. 234, § 1; 1987, ch. 88, § 1; 1993, ch. 321, § 2; 1997, ch. 51, § 1.

ANNOTATIONS

The 1993 amendment, effective July 1, 1993, substituted "and County Health Care" for "Claims" in the section heading and near the beginning of the section; added the Subsection A designation in the existing provisions and added Subsection B, making a related grammatical change; and in Subsection A, substituted "or the provision of the health care to" for "of the" near the beginning and "hospitals or health care providers for actual cost incurred for" for "or hospitals for actual cost incurred as the result of ambulance transportation provided for or" near the end.

The 1997 amendment rewrote Subsection A and added Subsection C. Laws 1997, ch. 51 contains no effective date provision, but, pursuant to N.M. Const., art. IV, § 23, is

effective June 20, 1997, 90 days after adjournment of the legislature. See Volume 14 NMSA 1978 for "Adjournment Dates of Sessions of Legislature" table.

Individuals committed under statutory involuntary commitment. - Individuals committed to private or county-operated facilities under statutory involuntary commitment procedures are responsible for their hospital expenses, and eligible hospitals treating indigent patients may look to the applicable county for reimbursement under the Indigent Hospital Claims Act. 1989 Op. Att'y Gen. No. 89-35.

Am. Jur. 2d, A.L.R. and C.J.S. references. - 79 Am. Jur. 2d Welfare Laws §§ 38 to 41.

27-5-3. Public assistance provisions.

A. A hospital shall not be paid from the county indigent hospital claims fund under the Indigent Hospital and County Health Care Act [this article] for any costs of an indigent patient for services that have been determined by the human services department to be eligible for medicaid reimbursement from that department. However, nothing in the Indigent Hospital and County Health Care Act shall be construed to prevent the board from transferring money from the county indigent hospital claims fund to the sole community provider fund or the county-supported medicaid fund for support of the state medicaid program.

B. No action for collection of claims under the Indigent Hospital and County Health Care Act shall be allowed against an indigent patient who is medicaid eligible for medicaid covered services, nor shall action be allowed against the person who is legally responsible for the care of the indigent patient during the time that person is medicaid eligible.

History: 1953 Comp., § 13-2-14, enacted by Laws 1965, ch. 234, § 3; 1984, ch. 101, § 1; 1993, ch. 321, § 3.

ANNOTATIONS

The 1993 amendment, effective on the date that the human services department is notified in writing that the amendment to the state medicaid plan has been approved by the federal health care financing administration, rewrote the section heading and Subsection A, and substituted "and County Health Care" for "Claims" and "medicaid eligible for medicaid covered services" and "medicaid eligible" for "a welfare recipient" in Subsection B.

Compiler's notes. - Subsection A of § 22, Laws 1993, ch. 321, provides that §§ 3, 6, 10, 15, 16 and 18 (27-5-3, 27-5-6, 27-5-6.1, 27-5-7.1, 27-5-11 and 27-5-12.2 NMSA

1978) are effective the date that the human services department is notified in writing that the amendment to the state medicaid plan has been approved by the federal health care financing administration. The human services department was advised by letter dated May 20, 1993, that the United States Department of Health and Human Services had approved the amendment of New Mexico's medicaid plan "to add a payment provision for sole community hospitals (SCH), effective July 1, 1993, and a payment provision for indirect medical education (IME) costs incurred by teaching hospitals, effective August 1, 1992". Chapter 321, Laws 1993, contained an emergency clause. The human services department published notice of the approval in the *New Mexican* on June 21, 1993.

27-5-13. Claim shall not expire because of lack of funds; priority of claims.

A claim made to the board for payment for the care of an indigent patient shall not expire or become invalid because of the lack of money in the fund during any fiscal year but shall be carried over into the ensuing fiscal year and, notwithstanding the provisions of any other law, shall be paid in the ensuing year. Whenever the balance of the fund is inadequate to pay all qualified claims as they become due, the claims of in-state hospitals providing acute medical care shall have priority for payment over all other claims regardless of the dates the other claims were submitted. The board shall, however, on a regular basis, estimate future demands upon the fund, based on past experience, and set aside sufficient funds to assure payment for in-state hospitals providing acute medical care and shall then address, on a regular basis, the claims from other hospitals or ambulance services.

27-5-14. Board to recover costs; presumption of payment.

A. The payment of any claim to an ambulance service, a hospital or health care provider on behalf of an indigent patient creates a preferred claim in favor of the fund against the estate of the indigent patient and a lien against all real property or interest in real property vested in or later acquired by the indigent patient or any person legally responsible for his debts for the amount of the payment made from the fund to the ambulance service, hospital or health care provider, without interest. Such claims shall be preferred over all claims except charges of the last sickness and funeral of the deceased and allowances made by the court for the maintenance of the widow and children, taxes, municipal levies, cost of administration and attorneys' fees.

B. Proceeds recovered from such claims shall be placed into the fund.

C. The board shall file a certificate of payment to the ambulance service, hospital or health care provider on behalf of the indigent patient. The certificate shall constitute notice to the public that the lien created by the Indigent Hospital and County Health Care Act [this article] has attached. County clerks shall receive, index and file certificates and releases of liens created by the certificate, free of charge.

D. In all cases where a lien has been created under Subsection A of this section and a period of fourteen years has passed from the date the lien was created by the payment of any claim to an ambulance service, a hospital or health care provider on behalf of an indigent patient, the payment for which the lien is claimed shall be discharged due to the passage of time and the board shall file a certificate releasing the lien due to the lapse of time.

B. The department shall cooperate with each board in furnishing information or assisting in the investigation of any person to determine whether he meets the qualifications of an indigent patient as defined in the Indigent Hospital and County Health Care Act.

C. The department shall ensure that the sole community provider payment and the reimbursement to hospitals made under the state medicaid program do not exceed what would have been paid for under medicare payment principles. In the event the sole community provider payment and medicaid reimbursement to hospitals would exceed medicare payment principles, the department shall reduce the sole community provider payment prior to making any reduction in reimbursement to hospitals made under the state medicaid program.

COMMUNITY ACTION

27-8-1. Short title.

This act [27-8-1 to 27-8-9 NMSA 1978] may be cited as the "Community Action Act".

History: Laws 1983, ch. 139, § 1.

ANNOTATIONS

Legislator contracting with agency must ascertain how agency organized. - A legislator contracting with a community action agency will have to ascertain how the agency is organized to determine whether the prohibitions of N.M. Const., art. IV, § 28 will apply. If it is a county, county agency or a private agency, the contract will not be covered by the provision, but if it is a municipality or municipal agency, the contract will be prohibited if it was authorized by law during the legislator's term. 1989 Op. Att'y Gen. No. 89-34.

27-8-2. Policy; purpose.

Although in recent years New Mexico has shown improvement in indices such as personal income and the number of families below the poverty level, the state continues to compare poorly with other states. New Mexico has risen from 48th in 1974 to 41st in per capita personal income; however, poverty continues to be the lot of a substantial number of New Mexicans. New Mexico can achieve its full economic and social potential only if every individual has the opportunity to contribute to the full extent of his capabilities and to participate in the working of our society. It is, therefore, the policy of this state to eliminate the paradox of poverty in the midst of plenty in this state by opening to everyone the opportunity to live in decency and dignity. It is the purpose of the Community Action Act [27-8-1 to 27-8-9 NMSA 1978] to strengthen, supplement and coordinate efforts in furtherance of that policy.

History: Laws 1983, ch. 139, § 2.

27-8-3. Definitions.

As used in the Community Action Act [27-8-1 to 27-8-9 NMSA 1978]:

A. "poverty level" means the official poverty level established by the federal director of the office of management and budget and revised periodically by the federal secretary of health and human services; and

B. "secretary" means the secretary of human services.

B. No funds provided pursuant to Subsection A of this section shall be distributed to a community action agency unless the agency has submitted to the secretary a plan on the proposed use of the funds and the secretary has approved that plan.

C. Subject to applicable federal law or regulation, community action agencies shall be eligible to receive federal funds, including but not limited to community services block grant funds, which have been previously designated as antipoverty funds.

D. Each community action agency receiving funds pursuant to this section shall report annually to the secretary concerning the use of the funds.

E. The secretary shall provide annually for an audit of funds distributed pursuant to this section to community action agencies and shall make any requirements necessary to insure fiscal responsibility and accountability and effective, efficient handling of funds.

History: Laws 1983, ch. 139, § 4.

27-8-5. Community action agencies; designation; powers.

A. A community action agency is a political subdivision of the state, a combination of political subdivisions or a public or private nonprofit agency that:

(2) is capable of planning, conducting, administering and evaluating a community action program;

(3) has a service area at least equivalent to the geographic boundaries of a county; and

(1) one-third of the members of the board shall be elected public officials currently holding office in the geographical area to be served by the community action agency or their representatives, except that if the number of elected officials reasonably available and willing to serve is less than one-third of the membership of the board, membership on the board of appointive officials may be counted in meeting this one-third requirement;

(7) achieve greater participation in the affairs of the community; and

(8) make more effective use of other programs related to the purposes of the Community Action Act [27-8-1 to 27-8-9 NMSA 1978];

History: Laws 1983, ch. 323, § 1.

ARTICLE 10

STATEWIDE HEALTH CARE

27-10-1. Short title.

Sections 1 through 4 [27-10-1 to 27-10-4 NMSA 1978] of this act may be cited as the "Statewide Health Care Act".

History: Laws 1991, ch. 212, § 1.

ANNOTATIONS

Cross references. - For County Local Option Gross Receipts Tax Act, see Chapter 7, Article 20E NMSA 1978.

For imposition of intermediate sanctions and civil penalty for health facility's noncompliance with any departmental licensing requirement, see 24-1-5.2 NMSA 1978.

27-10-2. Findings and purpose.

A. Access to health care reduces long-term medical and social costs. The effectiveness of statewide health care has been decreased by excessive fragmentation and failure to maximize the use of existing in-state revenues and to develop effective ways of drawing upon potential federal revenue sources. An effective statewide health care system must retain local health care efforts, stimulate local innovations for meeting particular health care needs and use existing resources to expand health care options, especially for those citizens unable to pay for their own care.

B. The purpose of the county-supported medicaid fund is to leverage existing resources to better address the state's health care needs. The county-supported medicaid fund will be used to accomplish this purpose by using local revenues to support the state medicaid program and to institute or support primary care health care services pursuant to Section 24-1A-3.1 NMSA 1978. Money appropriated from the county-supported medicaid fund to institute or support primary care health care services pursuant to Section 24-1A-3.1 NMSA 1978 shall be supplemental to general fund appropriations.

History: Laws 1991, ch. 212, § 2; 1993, ch. 321, § 19; 1996, ch. 29, § 5.

ANNOTATIONS

The 1993 amendment, effective July 1, 1993, substituted "to support the state medicaid program" for "solely to expand eligibility for federal medicaid optional coverages in supplementation to mandated federal medicaid services" in the second sentence of Subsection B.

The 1996 amendment, in Subsection B, inserted "or support" in the second sentence and added the last sentence. Laws 1996, ch. 29 contains no effective date provision, but, pursuant to N.M. Const., art. IV, § 23, is effective May 15, 1996, 90 days after adjournment of the legislature. See Volume 14 NMSA 1978 for "Adjournment Dates of Sessions of Legislature" table.

27-10-3. County-supported medicaid fund created; use; appropriation by the legislature.

A. There is created in the state treasury the "county-supported medicaid fund". The fund shall be invested by the state treasurer as other state funds are invested. Income earned from investment of the fund shall be credited to the county-supported medicaid fund. The fund shall not revert in any fiscal year.

B. Money in the county-supported medicaid fund is subject to appropriation by the legislature to support the state medicaid program and to institute or support primary care health care services pursuant to Subsections D and E of Section 24-1A-3.1 NMSA 1978. Of the amount appropriated each year, nine percent shall be appropriated to the department of health to institute or support primary care health care services pursuant to Subsections D and E of Section 24-1A-3.1 NMSA 1978.

C. Up to three percent of the county-supported medicaid fund each year may be expended for administrative costs related to medicaid or developing new primary care health care centers or facilities.

D. In the event federal funds for medicaid are not received by New Mexico for any eighteen-month period, the unencumbered balance remaining in the county-supported medicaid fund and the sole community provider fund at the end of the fiscal year following the end of any eighteen-month period shall be paid within a reasonable time to each county for deposit in the county indigent hospital claims fund in proportion to the payments made by each county through tax revenues or transfers in the previous fiscal year as certified by the local government division of the department of finance and administration. The department will provide for budgeting and accounting of payments to the fund.

History: Laws 1991, ch. 212, § 3; 1992, ch. 31, § 2; 1993, ch. 321, § 20; 1996, ch. 29, § 6.

ANNOTATIONS

Cross references. - For the sole community provider fund, see 27-5-6.1 NMSA 1978.

The 1992 amendment, effective May 20, 1992, in Subsection B, substituted "department of health" for "health and environment department"; in Subsection D, substituted references to "any" eighteen-month period for references to "the" eighteen-month period in two places, inserted "in the county-supported medicaid fund", and made stylistic changes.

The 1993 amendment, effective July 1, 1993, in Subsection B, substituted "to support the state medicaid program" for "for expanding eligibility for federal medicaid optional coverages in supplementation to mandated federal medicaid services" in the first sentence and the language beginning "nine percent shall be appropriated" for "up to nine percent may be appropriated to the department of health" in the second sentence; in Subsection C, deleted "amounts appropriated and expended from" after "three percent of"; and in Subsection D, deleted "optional coverages" after "federal funds for medicaid" and inserted "and the sole community provider fund" in the first sentence and substituted "budgeting and accounting of payments" for "accounting and enforcing the deposits" in the second sentence.

The 1996 amendment, in Subsection B, inserted "or support" twice and substituted "Subsections D and E" for "Subsection E" in two places. Laws 1996, ch. 29 contains no effective date provision, but, pursuant to N.M. Const., art. IV, § 23, is effective May 15, 1996, 90 days after adjournment of the legislature. See Volume 14 NMSA 1978 for "Adjournment Dates of Sessions of Legislature" table.

27-10-4. Alternative revenue source to imposition of county health care gross receipts tax; transfer to county-supported medicaid fund.

A. In the event a county does not enact an ordinance imposing a county health care gross receipts tax pursuant to Section 7-20D-3 [7-20E-18] NMSA 1978, the county shall, by ordinance to be effective July 1, 1993, dedicate to the county-supported medicaid fund an amount equal to a gross receipts tax rate of one-sixteenth of one percent applied to the taxable gross receipts reported during the prior fiscal year by persons engaging in business in the county. For purposes of this subsection, a county may use funds from any existing authorized revenue source of the county.

B. For each county that has in effect an ordinance enacted pursuant to Subsection A of this section on July 1 of each year, the taxation and revenue department shall certify to the county by September 15, 1993 and by September 15 of each subsequent fiscal year the amount of gross receipts reported for the county for purposes of the gross receipts tax during the prior fiscal year. Upon certification by the department, any county enacting an ordinance pursuant to Subsection A of this section shall transfer to the county-supported medicaid fund by the last day of March, June, September and December of each year an amount equal to a rate of one-sixty-fourth of one percent applied to the certified amount.

C. The requirements of an ordinance enacted pursuant to this section may be terminated for a county only on the effective date of an ordinance enacted by the county imposing the county health care gross receipts tax; provided that if the effective date of the ordinance imposing the tax is January 1, the termination does not apply to the payments required for September and December of that year.

History: Laws 1991, ch. 212, § 4; 1992, ch. 31, § 3; 1993, ch. 321, § 21.

ANNOTATIONS

The 1992 amendment, effective May 20, 1992, substituted references to fiscal year for calendar year in three places; in Subsection A, substituted "pursuant to Section 7-20D-3 NMSA 1978" for "pursuant to Section 3 of the County Health Care Gross Receipts Tax Act and if no balance remains in the county indigent hospital claims fund for the current fiscal year" and "July 1, 1993" for "January 1, 1992"; in Subsection B, substituted "July 1 of each year" for "January 1 of each year", "by September 15, 1993 and by September 15" for "by March 15, 1992 and by March"; and, in Subsection C, substituted "January 1" for "July 1" and "payments required for September and December" for "payments required for March and June".

The 1993 amendment, effective July 1, 1993, deleted "except as may be otherwise provided in Section 27-5-7 NMSA 1978" from the end of Subsection A.
