Bonds issued hereunder may be sold by such municipality for cash at one time or from time to time at public or private sale at not less than par. Notwithstanding the provisions of any general, special or local law it shall not be necessary for any governing body of such municipality to submit to the people of such municipality in which said auditorium is proposed to be erected the question as to whether such auditorium shall be erected, nor shall it be necessary to submit to the people of such municipality in which said auditorium is to be erected the issuance of any bonds authorized hereunder to pay for or finance the erection of any such auditorium. Provided, however, that any bonds issued hereunder shall not constitute general obligations of any such municipality, but the payment thereof shall be secured only by a lien against the auditorium and real estate upon which the same is erected and a pledge of the net revenues of said auditorium as hereinafter provided; and provided further that any bonds issued hereunder shall be payable solely and only out of the income derived from the operation of such auditorium and by the property upon which the lien aforesaid is provided.

History: Laws 1935, ch. 51, art. 1, § 2; 1941 Comp., § 6-302; 1953 Comp., § 6-3-2.

Section contemplates special fund arising solely from sources separate and apart from general taxation and that the site upon which the auditorium would rest should not be acquired by purchase or otherwise with funds arising in whole or in part from general taxation. *Wiggs v. City of Albuquerque*, 56 N.M. 214, 242 P.2d 865 (1952).

Statutory lien to be read into bonds. - In view of provision that bonds issued for municipal auditoriums not be general obligation bonds, but that payment be secured only by lien against the auditorium premises, as well as a pledge of the net revenues to arise from operating the auditorium, the statutory lien thus created is to be read into the bonds. *Wiggs v. City of Albuquerque*, 56 N.M. 214, 242 P.2d 865 (1952).

Suit to enjoin plan held timely. - Since this section itself declares that bonds issued shall be secured by a lien upon the site and the property built and pledges net revenues to arise from its operation to secure the bond issues, a suit to enjoin city from enacting an ordinance in pursuance of a plan held not premature. *Wiggs v. City of Albuquerque*, 56 N.M. 214, 242 P.2d 865 (1952).

History: Laws 1935, ch. 51, art. 1, § 3; 1941 Comp., § 6-303; 1953 Comp., § 6-3-3.

Section contemplates special fund arising solely from sources separate and apart from general taxation and that the site upon which the auditorium would rest should not be acquired by purchase or otherwise with funds arising in whole or in part from general taxation. *Wiggs v. City of Albuquerque*, 56 N.M. 214, 242 P.2d 865 (1952).

"Debt" within constitutional prohibition created. - The mortgage lien on municipal auditoriums declared by this section creates a "debt" within the prohibition found in N.M. Const., art. IX, § 12, except as the creation of same may have received an approving vote by referendum. *Wiggs v. City of Albuquerque*, 56 N.M. 214, 242 P.2d 865 (1952).

#### **§ 5-3-6. [Lease of auditorium by municipality.]**

That any municipality shall have power to lease any auditorium from the United States of America, the president of the United States of America, the federal emergency administration, the public works administration or such other federal or state agency or agencies as heretofore or may hereafter be designated or created by the United States or the state of New Mexico, and to make contract or contracts of lease with such agencies for the use, occupation and maintenance of such auditorium at such rental and upon such terms and conditions as shall be agreed upon by the parties.

History: Laws 1935, ch. 51, art. 1, § 6; 1941 Comp., § 6-306; 1953 Comp., § 6-3-6.

Constitutionality of lending to other governmental agency. - New Mexico Const., art. IX, § 14, has no application where the lending of credit is under legislative sanction by one subordinate governmental agency to another governmental agency. *Wiggs v. City of Albuquerque*, 56 N.M. 214, 242 P.2d 865 (1952).

Am. Jur. 2d, A.L.R. and C.J.S. references. - 20 C.J.S. Counties § 170; 63 C.J.S. Municipal Corporations § 1041.

### **§ 5-3-7. [Ratification of issuance and sale of bonds by electorate.]**

That where any of the federal or state agencies specified in Paragraph 3 of this act purchase bonds from any municipality as defined herein, for the purpose of enabling such municipality to purchase, improve, erect and maintain public auditoriums, whether the said bonds be issued hereunder or under the provisions of any other act, and such federal or state agency requires that the issuance and sale of such bonds shall be thereafter submitted to the people for ratification and approval, the municipality shall have and it hereby is given the power to pledge to such federal or state agency the good faith of the municipality that said municipality will submit to the vote of the people therein at the time and in the manner required by the constitution of New Mexico the ratification and approval of the issuance and sale of such bonds by such municipality.

History: Laws 1935, ch. 51, art. 1, § 7; 1941 Comp., § 6-307; 1953 Comp., § 6-3-7.

Compiler's notes. - "Paragraph 3 of this act" evidently refers to Section 6 of the act, compiled as 5-3-6 NMSA 1978.

Intention to purchase bonds necessary to charge discrimination. - A person who did not suggest that he might become a purchaser of any bond under proposed bond issue could not complain that statute authorizing issuance and sale of revenue bonds to raise funds for building a municipal auditorium was discriminatory. *Wiggs v. City of Albuquerque*, 56 N.M. 214, 242 P.2d 865 (1952).

Am. Jur. 2d, A.L.R. and C.J.S. references. - 20 C.J.S. Counties §§ 265, 266; 64 C.J.S. Municipal Corporations § 1920.

### **§ 5-3-8. [Public Works Act not affected.]**

History: Laws 1935, ch. 51, art. 1, § 8; 1941 Comp., § 6-308; 1953 Comp., § 6-3-8.

Compiler's notes. - Laws 1934, ch. 6, referred to in this section, is not compiled in NMSA 1978 since it was enacted to implement the National Industrial Recovery Act

which was declared unconstitutional in *A.L.A. Schechter Poultry Corp. v. United States*, 295 U.S. 495, 55 S. Ct. 837, 79 L. Ed. 1570, 97 A.L.R. 947 (1935).

Provided, that the total indebtedness of any such city, town or village shall not exceed the percentage now provided by law of the value of the taxable property therein as shown by the last preceding assessment for state or county taxes. If a majority of all the legal votes cast at a legal election shall be in favor of the issuance of the bonds, it shall be the duty of the authorities of the city, town or village to have the bonds issued as soon as practicable.

B. Any bonds, lawfully issued, may be issued in serial form or in form of term bonds, and consistent with convenient denominations, the principal of the serial bonds shall be payable serially either in substantial equal annual installments, or in such annual installments as to require a substantially equal levy for principal and interest each year until all the bonds of the issue have been paid in full. Provided, that the first installment shall be payable in not more than five years and the final installment shall be payable in not more than thirty years after the date of the bonds. The bonds shall bear interest at the rate of not to exceed six percent a year, payable either annually or semiannually. The interest payments may be evidenced by coupons in the usual form, payable upon presentation in such place as may be provided in the bonds.

C. After the bonds are duly issued and sold, a special tax shall be levied upon all property within the city, town or village each year until the bonds and interest shall be paid in full. The special tax shall be levied and collected in the same manner as other taxes are levied and collected, sufficient to pay interest thereon and that portion of principal or sinking fund which may be necessary for the payment due upon the bonds during the succeeding year as provided in this section.

D. No election shall be called to vote upon any bond issue until the city, town or village engineer or some other competent engineer shall have filed, under oath, with the clerk or other proper officer of the city, town or village, a carefully prepared estimate of the approximate cost of the proposed improvement to be made, and no bonds shall be issued in excess of the estimate. It shall be the duty of the proper authorities of the city, town or village to provide by ordinance for the levy, collection and payment of a sufficient amount of money each year to meet the interest, sinking fund and principal

requirements of the bonds and the ordinance shall not be repealed until the bonds and interest are paid in full.

recreational fund.

B. The proceeds received from the sale of revenue bonds authorized in this section shall be used solely for the purpose of acquiring, constructing, repairing, extending or improving recreational facilities within or without the municipality or county or for refunding recreational bonds payable from the tax on cigarettes as further provided in Section 5-4-11 NMSA 1978. Bonds for such recreational facilities purpose and for refunding may be combined as a single issue.

History: 1953 Comp., § 6-4-10, enacted by Laws 1965, ch. 88, § 1; 1969, ch. 23, § 1; 1975, ch. 226, § 1.

Cross-references. - For county and municipality recreational fund, see 7-12-15 NMSA 1978.

### **§ 5-4-11. Revenue bonds; refunding authorization; escrow; detail.**

A. Any municipality or county, having issued recreational revenue bonds payable from the cigarette tax pursuant to Sections 5-4-10 through 5-4-15 NMSA 1978 or pursuant to any other laws thereunto enabling the governing body of any municipality or the board of county commissioners of any county having issued such revenue bonds payable only out of the cigarette tax, may issue refunding revenue bonds for the purpose of refinancing, paying and discharging all or any part of such outstanding bonds of any one or more or [of] all outstanding issues:

(1) for the acceleration, deceleration or other modification of the payment of such obligations, including without limitation any capitalization of any interest thereon in arrears, or about to become due for any period not exceeding one year from the date of the refunding bonds;

(2) for the purpose of reducing interest costs or effecting other economies;

(3) for the purpose of modifying or eliminating restrictive contractual limitations pertaining to the issuance of additional bonds or otherwise concerning the outstanding bonds; or

(4) for any combination of such purposes.

B. There also may be pledged irrevocably for the payment of interest and principal on refunding bonds, the cigarette tax distributed to the municipality or county from the county and municipality recreational fund.

C. Any such refunding bonds shall be paid at maturity or on any permitted prior redemption date in the amounts, at the time and places and, if called prior to maturity, in accordance with any applicable notice provisions, all as provided in the proceedings

authorizing the issuance of said refunded bonds or otherwise appertaining thereto, except for any such bond which is voluntarily surrendered for exchange or payment by the holder. Refunding bonds may be delivered in exchange for the outstanding bonds refunded or may be sold at either public or private sale.

D. No bonds may be refunded under Sections 5-4-10 through 5-4-15 NMSA 1978 unless the bonds either mature or are callable for prior redemption under their terms within fifteen years from the date of issuance of the refunding bonds, or unless the holders thereof voluntarily surrender them for exchange or payment. Provision shall be made for paying the bonds refunded within said period of time. Interest on any bond may be increased. The principal amount of the refunding bonds may exceed the principal amount of the refunded bonds, but only to the extent that any costs incidental to the refunding or any interest on the bonds refunded in arrears or about to become due within three years from the date of the refunding bonds, or both said incidental costs and interest, are capitalized with the proceeds of refunding bonds. The principal amount of the refunding bonds may also exceed the principal amount of the refunded bonds if the aggregate principal and interest costs of the refunding bonds do not exceed such unaccrued costs of the bonds refunded. The principal amount of the refunding bonds may also be less than or the same as the principal amount of the bonds being refunded so long as provision is duly and sufficiently made for the payment of the refunded bonds.

E. The proceeds of refunding bonds shall either be immediately applied to the retirement of the bonds being refunded or be placed in escrow in a qualified depository, which is a member of the federal deposit insurance corporation to be applied to the payment of the bonds being refunded upon their presentation therefor. To the extent any incidental expenses have been capitalized, such refunding bond proceeds may be used to defray such expenses, and any accrued interest and any premium appertaining to a sale of refunding bonds may be applied to the payment of the interest thereon and the principal thereof, or both interest and principal, or may be deposited in a reserve therefor, as the municipality may determine. Nothing in this section requires the establishment of an escrow if the refunded bonds become due and payable within one year from the date of the refunding bonds and if the amounts necessary to retire the refunded bonds within that time are deposited with the paying agent for said refunded bonds. Any such escrow shall not necessarily be limited to proceeds of refunding bonds but may include other moneys available for its purpose. Any proceeds in escrow, pending such use, may be invested or reinvested in bills, certificates of indebtedness, notes or bonds which are direct obligations of, or the principal and interest of which obligations are unconditionally guaranteed by, the United States of America. Such proceeds and investments in escrow, together with any interest to be derived from any such investment, shall be in an amount at all times sufficient as to principal, interest, any prior redemption premium due and any charges of the escrow agent payable therefrom, to pay the bonds being refunded as they become due at their respective maturities or due at any designated prior redemption date or dates in connection with which the municipality shall exercise a prior redemption option. Any purchaser of any refunding bond issued under Sections 3-31-1 through 3-31-12 NMSA 1978 is in no

manner responsible for the application of the proceeds thereof by the municipality or county or any of their officers, agents or employees.

F. Refunding bonds may bear such additional terms and provisions as may be determined by the municipality or county subject to the limitations in this section and Sections 5-4-10 through 5-4-15 NMSA 1978.

History: 1953 Comp., § 6-4-10.1, enacted by Laws 1975, ch. 226, § 2.

A. Recreational revenue bonds issued under the authority of Sections 5-4-10 through 5-4-15 NMSA 1978 are:

(1) not general obligations of the municipality or county issuing them; and

(2) collectible only from the proportionate income distributed to the county or municipality from the county and municipality recreational fund, which distributions are pledged.

B. Each recreational revenue bond shall state that the bond is collectible solely from the proportionate income distributed from such county and municipality recreational fund which distributions are pledged. The bondholder may not look to any other fund for the payment of principal and interest of such bond.

C. If any recreational revenue bonds are issued under the provisions of Section 5-4-10 NMSA 1978, the law establishing the additional cigarette tax from which money is pledged for the payment of revenue bonds shall not be repealed and the amount of money so received shall not be decreased until the principal amount of the revenue bonds and their interest has been paid.

A. Any person diverting or expending money received from the sale of recreational revenue bonds for any purpose other than those purposes authorized in Section 5-4-10 NMSA 1978, is guilty of a misdemeanor.

B. The provisions of Sections 5-4-10 through 5-4-15, 7-12-2, 7-12-6 and 7-12-14 NMSA 1978 do not apply to any municipality that issued bonds pursuant to the authority granted by Chapter 151 of the Laws of 1953 until the bonds have been fully paid.

### **§ 5-5-12. Payment of bonds.**

The principal of and interest on general obligation bonds herein authorized to be issued,

and any prior redemption premium or premiums, shall be payable from the proceeds of general (ad valorem) property taxes levied without limitation as to rate or amount, except to the extent other revenues are made available therefor. The principal of and interest on revenue bonds herein authorized to be issued and any prior redemption premium or premiums shall be payable solely from the gross or net revenues derived from the operation of any project for the acquisition or improvement of which the bonds are issued, including without limiting the generality of the foregoing, revenues of a prior existing project which is improved by the expenditure of the bond proceeds, and revenues of improvements theretofore or thereafter acquired for such project which are not acquired by the expenditure of such bond proceeds, and from revenues and proceeds of any tolls, rates, charges, fees, license taxes, other excise taxes or quasi-excise taxes which the municipality is empowered to fix, levy and collect (but excluding any general (ad valorem) property taxes), or any combination of such revenues and proceeds. Any such revenues or proceeds pledged directly or as additional security for the payment of bonds of any one issue or series which revenues are not exclusively pledged therefor may subsequently be pledged directly or as additional security for the payment of the bonds of one or more issues or series subsequently authorized. If more than one series of bonds shall be issued hereunder payable from the same revenues or proceeds, priority of lien thereof on such revenues shall depend on the provisions of the proceedings authorizing the issuance of such bonds, it being within the discretion of the governing body at the time it authorizes the first such series to provide that subsequent series of bonds payable from such revenues may not be issued, that subsequent series of bonds shall be subordinate as to lien or that subsequent series of bonds shall enjoy parity of lien if such conditions and restrictions as may be specified in such proceedings can be met. All bonds of the same issue or series shall be equally and ratably secured without priority by reason of number, date of maturity, date of bonds, of sale, of execution or of delivery, by a lien on said revenues and proceeds in accordance with the provisions of this act [5-5-1 to 5-5-23, 5-5-25 to 5-5-27 NMSA 1978] and the proceedings authorizing said bonds, except to the extent the proceedings shall otherwise specifically provide. All bonds not issued payable solely from such revenues and proceeds shall be the general obligations of the municipality, and the full faith and credit of the municipality shall be pledged for the payment thereof.

History: 1953 Comp., § 6-9-12, enacted by Laws 1959, ch. 300, § 12.

### **§ 5-5-13. Municipality's limited liability on bonds and recital therein.**

Neither the governing body nor any person executing any bond authorized by this act [5-5-1 to 5-5-23, 5-5-25 to 5-5-27 NMSA 1978] shall be liable personally thereon by reason of its issuance hereunder. Except for general obligation bonds, bonds issued pursuant to this act shall not be a debt, liability or general obligation of the municipality issuing them, and it shall not be liable thereon, nor shall it thereby pledge its full faith and credit for their payment, nor shall the bonds be payable out of any funds other than the revenues and proceeds pledged to the payment thereof; and each such bond shall in substance so state. Such bonds shall not constitute a debt or indebtedness within the

meaning of any constitutional, statutory or charter debt limitation or restriction. The payment of bonds shall not be secured by an encumbrance, mortgage or other pledge of property of the municipality, except for revenues and tax proceeds pledged for their payment. No property of the municipality, subject to said exceptions, shall be liable to be forfeited or taken in payment of the bonds.

It may be provided in any proceedings authorizing any bonds hereunder that such bond shall recite that it is issued under authority of this act [5-5-1 to 5-5-23, 5-5-25 to 5-5-27 NMSA 1978]. Such recital shall conclusively impart full compliance with all of the provisions of this act, and all bonds issued containing such recital shall be incontestable for any cause whatsoever after their delivery for value.

History: 1953 Comp., § 6-9-14, enacted by Laws 1959, ch. 300, § 14.

Any general obligations bonds or revenue bonds herein authorized to be issued shall bear such date or dates, shall be in such denomination or denominations, and shall mature serially, commencing not later than three years from the date therefrom, at times not exceeding the estimated life of the improvements acquired with the bond proceeds nor the maximum limitation stated in Section 7 [5-5-7 NMSA 1978] hereof, shall bear interest payable annually or semiannually, except that interest on any bond may be first payable for any period not in excess of one year, at such rate or rates not greater than six per centum per annum, shall be payable in such medium of payment at such place or places within or without the state and at the option of the governing body may be in one or more series, may be made subject to prior redemption in such order or by lot in advance of maturity at such time or times without or with the payment of such premium or premiums not exceeding six per centum of the principal amount of each bond redeemed, may provide for the payment of interest thereon from the proceeds thereof for a period not to exceed three years from the date thereof, may be issued with privileges for registration for payment as to principal and as to both principal and interest, or either, and generally shall be issued in such manner, in such form, either coupon or registered, carrying such conversion or registration privileges, with such recitals, terms, covenants and conditions and with such other details as may be provided by the governing body in the proceedings authorizing the bonds, except as herein otherwise provided. Pending preparations of the definitive bonds, interim receipts or certificates in such form and with such provisions as the governing body may determine may be issued. Except for payment provisions herein specifically provided, said bonds and any interest coupons thereto attached shall be fully negotiable and constitute negotiable instruments within the meaning of and for all the purposes of the

Negotiable Instruments Law as that law is now or may hereafter be in force in the state of New Mexico. If lost or completely destroyed, any bond may be reissued in the form and tenor of the lost or destroyed bond upon the owner furnishing to the satisfaction of the governing body:

### **§ 5-5-16. Alternate bond form.**

Notwithstanding any other provision of law, the governing body may in any proceedings authorizing bonds hereunder provide for the initial issuance of one or more bonds (in this section called "bond") aggregating the amount of the entire issue and may make such provision for installment payments of the principal amount of any such bond as it may consider desirable and may provide for the making of any such bond payable to bearer or otherwise, registrable as to principal or as to both principal and interest, and where interest accruing thereon is not represented by interest coupons, for the endorsing of payments of interest on such bond. The governing body may further make provisions in any such resolution for the manner and circumstances in and under which any such bond may in the future, at the request of the holder thereof, be converted into bonds of smaller denominations, which bonds of smaller denominations may in turn be either coupon bonds or bonds registrable as to principal or principal and interest.

Except for such bonds which are registrable for payment of interest, interest coupons payable to bearer shall be attached to the bonds and shall bear the original or facsimile signature of said two officials. The bonds and coupons bearing the signatures

of the officers in office at the time of the signing thereof shall be the valid and binding obligations of the municipality, notwithstanding that before the delivery thereof and payment therefor any or all of the persons whose signatures appear thereon shall have ceased to fill their respective offices.

Nothing herein contained shall be construed as permitting the sale of bonds for other than lawful money of the United States of America.

History: 1953 Comp., § 6-9-18, enacted by Laws 1959, ch. 300, § 18.

The validity of said bonds shall not be dependent on or affected by the validity or regularity of any proceedings relating to the acquisition or improvement of the project for which the bonds are issued; and the purchaser or purchasers of the bonds shall in no manner be responsible for the application of the proceeds of the bonds by the municipality or any of its officers, agents and employees.

D. by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the bondholders; and

E. bring suit upon the bonds.

No right or remedy conferred by this act upon any holder of bonds or any trustee therefor is intended to be exclusive of other right or remedy but each such right or remedy is cumulative and in addition to every other right or remedy and may be exercised without exhausting and without regard to any other remedy conferred by this act or by any other law. The failure of any bondholders so to proceed as herein provided shall not relieve the municipality, its governing body or any of its officers, agents and employees of any liability for failure to perform or carry out any duty, obligation or other commitment.

Generally. - A justice of the peace (now magistrate) may issue a license to hold a ball or dance for profit under this section which, although unrepealed, was not carried forward in Comp. Laws 1897. 1914 Op. Att'y Gen. 221; 1915-16 Op. Att'y Gen. 199.

Appointment of officer. - The justice of the peace (now magistrate) appoints the officer to be present at dances on recommendation of the party who secures the license for it, although the mayor and trustees of municipality have the right to render police protection. 1931-32 Op. Att'y Gen. 75.

Payment of fees. - A license fee of \$10.00 is payable for each day a dance is given outside of a town, city or village and attendance of police officer is required. 1931-32 Op. Att'y Gen. 147.

No fee is payable to the justice of the peace (now magistrate) under the present act for issuance of license to give a dance, but the applicant must pay for the special deputy to police the dance since no provision is made in the law for paying such officer. 1947-48 Op. Att'y Gen. No. 5006.

Charges permitted. - Justice of the peace (now magistrate) may not make any charges for the issuance of a license to a person who desires to give a ball, but may charge 25 cents for drawing necessary affidavit, or 15 cents for swearing a person to such affidavit. 1915-16 Op. Att'y Gen. 287.

Am. Jur. 2d, A.L.R. and C.J.S. references. - 4 Am. Jur. 2d Amusements and Exhibitions §§ 24, 29.

Liability of dance hall proprietor or operator for injury to patron, 38 A.L.R.3d 419.

Topless or bottomless dancing as an offense, 49 A.L.R.3d 1084.

### **§ 5-6-2. [Violation of preceding section; penalty.]**

That any person who shall violate the provisions of the foregoing section [5-6-1 NMSA 1978] shall be considered as a violator of the law, and tried in a summary manner by any justice of the peace [magistrate] or judge of probate, and on being found guilty he shall be fined in any sum not exceeding ten dollars.

History: Laws 1861, p. 30, § 2; C.L. 1865, ch. 12, § 7; Code 1915, § 3315; C.S. 1929, § 81-303; 1941 Comp., § 62-502; 1953 Comp., § 60-5-2.

Compiler's notes. - A clause reading "said fine to be applied to the use of the county in which the offense shall be committed" was omitted by the compilers in the 1915 Code. New Mexico Const., art. XII, § 4, reads in part: "All forfeitures, unless otherwise provided by law, and all fines collected under general laws . . . shall constitute the current school fund of the state."

Jurisdiction, etc., of justices of the peace transferred. - The office of justice of the peace has been abolished, and the jurisdiction, powers and duties have been transferred to the magistrate court. See 35-1-38 NMSA 1978.

### **§ 5-6-3. [Oath to observe order; powers; confinement of arrested persons.]**

Any and every person who receives a license to give a ball, dance or fandango, shall at the time of taking out such license, be sworn to observe good order and enforce this law [5-6-3, 5-6-4 NMSA 1978] at and during such ball, dance or fandango [fandango] on and about his premises, [and] during such time such person shall have and exercise all the powers of a sheriff in maintaining good order on and about his premises, and if the officer who issued such license does not believe the applicant to be a proper person to preserve good order, then such officer shall refuse to grant such license until such applicant shall present a proper person who shall be sworn as above mentioned, and have the power and duties as above mentioned, and persons arrested by the sworn person mentioned in this section may be confined for the time being in any house or place as well as the jail, or in any secure manner that is not inhuman.

History: Laws 1869, ch. 32, § 14; C.L. 1884, § 878; C.L. 1897, § 1303; Code 1915, § 3316; C.S. 1929, § 81-304; 1941 Comp., § 62-503; 1953 Comp., § 60-5-3.

Compiler's notes. - The words "enforce this law" referring to 5-6-3, 5-6-4 NMSA 1978, also referred to Laws 1869, ch. 32, §§ 1 to 13, which related to the carrying and use of deadly weapons. These provisions were superseded by 40-17-1, 1953 Comp., et seq., which was then repealed by Laws 1963, ch. 303, constituting a major portion of the present weapons law, compiled as 30-7-1 to 30-7-8 NMSA 1978.

Right to render police protection. - Mayor and trustees of municipality have the right to render police protection, although justice of the peace (now magistrate) appoints officer to be present at dances. 1931-32 Op. Att'y Gen. 75.

#### **§ 5-6-4. [Giving ball without being sworn; penalty; exception where peace officer attends.]**

If any person shall give a ball, dance or fandango [fandango], where a license is required, without first being himself sworn, or having some other person sworn to preserve good order and enforce the provisions of the preceding section [5-6-3 NMSA 1978], he shall be fined in the sum of twenty-five dollars, to be collected before any justice of the peace [magistrate] in the county: provided, that if the applicant secure the attendance at his ball, dance or fandango, of a sheriff or his deputy or of a constable of the county, to preserve good order and enforce said sections, then he shall not be fined for not being sworn, nor shall the officer issuing the license in such case require him to be sworn, nor to present a person to be sworn in his or her place.

History: Laws 1869, ch. 32, § 15; C.L. 1884, § 879; C.L. 1897, § 1304; Code 1915, § 3317; C.S. 1929, § 81-305; 1941 Comp., § 62-504; 1953 Comp., § 60-5-4.

Compiler's notes. - The compilers of the 1915 Code substituted "preceding section" and "said sections" for "this act" and "this law," respectively. "This act" or "this law" would refer, in addition to 5-6-3 NMSA 1978, to Laws 1869, ch. 32, §§ 1 to 13. See compiler's note to 5-6-3 NMSA 1978.

The compilers of the 1915 Code also deleted a provision that one-half of the fine was to go to the county and one-half to the person or attorney securing the conviction, apparently because of N.M. Const., art. XII, § 4, which provides that fines and forfeitures collected should constitute the current school fund.

#### **§ 5-6-5. Fandango license; exemption.**

Sections 5-6-1 through 5-6-4 NMSA 1978, do not apply to any person, firm or corporation licensed as provided by law by the state, a county or municipality, to

conduct the business of operating a dance hall, nor to any privately sponsored dance or party that is not open to the general public.

History: 1953 Comp., § 60-5-5, enacted by Laws 1963, ch. 142, § 1.

B. Fire district bonds may be issued for acquiring, extending, enlarging, bettering, repairing, improving, constructing, purchasing, furnishing, equipping and rehabilitating any fire district project, including, where applicable, purchasing, otherwise acquiring or improving the ground therefor, or for any combination of the foregoing purposes. The county or municipality may pledge irrevocably any or all of the project revenues provided for the operation of the fire district project for which the particular bonds are issued to the payment of the interest on and principal of such bonds. The net revenues of any fire district project shall not be pledged to the bonds issued for any fire district project which clearly is unrelated in its purpose; but nothing in this section shall prevent the pledge to any of such bonds of any such revenues received from any existing, future or disconnected facilities and equipment which are related to and which may constitute a part of the particular fire district project. Any general determination by the governing body of the county or municipality that any facilities or equipment are reasonably related to and shall constitute a part of a specified fire district project shall be conclusive if set forth in the proceedings authorizing such fire district bonds.
