60-1A-17. Interstate common pool wagering; authorized. (Repealed effective July 1, 2028.)

A. Subject to the federal Interstate Horseracing Act of 1978, the commission may permit a racetrack licensee to participate in interstate common pools. All provisions of the Horse Racing Act that govern pari-mutuel wagering apply to pari-mutuel wagering in interstate common pools except as otherwise provided in this section.

B. Daily pari-mutuel tax and daily capital outlay tax shall not be imposed upon amounts wagered in an interstate common pool other than upon amounts wagered within New Mexico.

C. Subject to prior approval of the commission, the following provisions apply when a racetrack licensee participates in interstate common pools on a horse race that originates outside of New Mexico:

(1) a racetrack licensee may combine its pari-mutuel pools at the host track and other locations. The types of wagering, takeout, distribution of winnings and rules of racing in effect for pari-mutuel pools at the host track shall govern wagers placed in New Mexico and merged into the interstate common pool. Breakage for interstate common pools shall be calculated in accordance with the rules governing the host track and shall be distributed in a manner agreed upon by the racetrack licensee in New Mexico and the host track;

(2) with the concurrence of the host track, an interstate common pool that excludes the host track may be formed with the racetrack licensee in New Mexico and other locations outside of the host state. When an interstate common pool is formed pursuant to this paragraph, the commission may approve types of wagering, takeout, distribution of winnings, rules of racing and calculation of breakage that are different from those that are in effect in New Mexico; provided that the rules are applied consistently to all persons in the interstate common pool;

(3) the racetrack licensee may deduct from retainage resulting from an interstate common pool a reasonable fee to be paid to the person conducting the horse race at the host track for the privilege of conducting pari-mutuel wagering on the race

and participating in the interstate common pool and for payment of costs incurred to transmit the simulcast horse race; and

(4) provisions of New Mexico law or contracts governing the distribution of daily pari-mutuel tax and daily capital outlay tax and breeders' or other awards and purses from the takeout from wagers placed in New Mexico shall remain in effect for wagers placed in an interstate common pool; provided that if the commission approves an adjustment in the takeout rate, the distribution of the takeout within New Mexico shall be adjusted proportionately to reflect the adjustment in the takeout rate; and provided further that with the concurrence of the racetrack licensee and the organization representing a majority of the breeders, horsemen or other persons entitled to shares of the distribution and subject to approval of the commission, the respective shares to breeders' or other awards or purses may be modified.

D. Subject to prior approval of the commission, the following provisions apply when a racetrack licensee in New Mexico participates in interstate common pools as a host track:

(1) a racetrack licensee may permit one or more of its horse races to be used for pari-mutuel wagering at, and may export a horse race to, one or more licensed sites outside of New Mexico. The racetrack licensee may also permit pari-mutuel pools in other locations to be combined with the racetrack licensee's comparable pari-mutuel wagering pools or with wagering pools established in other jurisdictions. The commission may modify its rules and adopt separate rules for the interstate common pools and their calculation of breakage; and

(2) except as otherwise provided in this section, New Mexico law or contracts governing the distribution of shares of the takeout for daily pari-mutuel tax or daily capital outlay tax and breeders' or other awards and purses shall remain in effect for amounts wagered within New Mexico in interstate common pools; provided that with the concurrence of the racetrack licensee of the host track and the organization representing a majority of the breeders, horsemen or other persons entitled to shares of the distribution, and subject to approval of the commission, the respective shares to breeders' or other awards or purses may be modified.

E. When the laws and rules of the host state and guest states permit, an interstate common pool may be established on a regional or other basis between two or more guest states and not include a merger into the host state's pari-mutuel wagering pool, in which case, one of the guest state's tracks shall serve as if it were the host track for the purposes of calculating the pari-mutuel wagering pool. An interstate common pool may include members located outside of the United States. Except as otherwise set forth in commission rules, participation by a person in an interstate common pool with wagering facilities in one or more states or jurisdictions shall not cause the participating person to be deemed to be doing business in a jurisdiction other than the jurisdiction in which that person is physically located.

B. "aerial shell kit-reloadable tube" means a package or kit containing a cardboard, high-density polyethylene or equivalent launching tube and not more than twelve small aerial shells. Each aerial shell is limited to a maximum of sixty grams of total chemical composition, including lift charges, and the maximum diameter of each shell shall not exceed one and three-fourths inches;

C. "bosque" means a cottonwood corridor adjacent to a river;

D. "chaser" means a paper or cardboard tube venting out the fuse end of the tube that contains no more than twenty grams of chemical composition and travels along the ground, often producing a whistling effect or other noise; an explosive composition not to exceed fifty milligrams may be included to produce a report;

E. "chemical composition" includes all pyrotechnic and explosive composition contained in a fireworks device, but does not include inert materials such as clay used for plugs or organic matter such as rice hulls used for density control;

F. "cone fountain" means a cardboard or heavy paper cone containing no more than fifty grams of pyrotechnic composition that has the same effect as a cylindrical fountain. When more than one cone is mounted on a common base, total pyrotechnic composition shall not exceed two hundred grams;

G. "crackling device" means a sphere or paper tube that contains no more than twenty grams of pyrotechnic composition that produces a flash of light and a mild, audible crackling effect upon ignition, which effect is not considered to be an explosion. Crackling devices are not subject to the fifty-milligram limit of firecrackers;

H. "cylindrical fountain" means a cylindrical tube containing not more than seventy-five grams of pyrotechnic composition that produces a shower of colored sparks and sometimes a whistling effect or smoke. The device may be provided with a spike for insertion into the ground or a wood or plastic base for placing on the ground or a wood or cardboard handle to be hand held. When more than one tube is mounted on a common base, total pyrotechnic composition shall not exceed two hundred grams;

I. "display distributor" means a person, firm or corporation selling display fireworks;

D. A gaming operator licensee shall apply for and pay the machine license fee for any increase in the number of authorized gaming machines in operation at the licensed premises and shall notify the board of any decrease in the number of authorized gaming machines in operation at the licensed premises.

E. Gaming machines may be available for play only in an area restricted to persons twenty-one years of age or older.

F. A gaming operator licensee shall erect a permanent physical barrier to allow for multiple uses of the premises by persons of all ages. For purposes of this subsection, "permanent physical barrier" means a floor-to-ceiling wall separating the general areas from the restricted areas. The entrance to the area where gaming machines are located shall display a sign that the premises are restricted to persons twenty-one years of age or older. Persons under the age of twenty-one shall not enter the area where gaming machines are located.

G. A gaming operator licensee shall not have automated teller machines in the area restricted pursuant to Subsection F of this section.

H. A gaming operator licensee shall not provide, allow, contract or arrange to provide alcohol or food for no charge or at reduced prices as an incentive or enticement for patrons to game.

I. Only a racetrack licensed by the state racing commission or a nonprofit organization may apply for or be issued a gaming operator's license. No other persons

are qualified to apply for or be issued a gaming operator's license pursuant to the Gaming Control Act.

60-2E-27. Gaming operator licensees; special conditions for racetracks; number of gaming machines; days and hours of operations.

A. A racetrack licensed by the state racing commission pursuant to the Horse Racing Act to conduct live horse races or simulcast races may be issued a gaming operator's license to operate gaming machines on its premises where live racing is conducted.

B. A racetrack's gaming operator's license shall automatically become void if:

(1) the racetrack no longer holds an active license to conduct pari-mutuel wagering;

(2) the racetrack paid gaming tax to the state on its net take in an amount greater than eight million dollars (\$8,000,000) in the prior fiscal year pursuant to Section 60-2E-47 NMSA 1978 and fails to maintain a minimum of four live race days a week with at least nine live races on each race day during its licensed race meet, except as provided in Subsection F of this section; or

(3) the racetrack paid gaming tax to the state on its net take in an amount equal to eight million dollars (\$8,000,000) or less in the prior fiscal year pursuant to Section 60-2E-47 NMSA 1978 and fails to maintain a minimum of three live race days a week with at least ten live races on each day during its licensed race meets, except as provided in Subsection F of this section.

C. Unless a larger number is allowed pursuant to Subsection D of this section, a gaming operator licensee that is a racetrack may have up to six hundred licensed gaming machines.

D. By execution of an allocation agreement, signed by both the allocating racetrack and the racetrack to which the allocation is made, a gaming operator licensee that is a racetrack may allocate any number of its authorized gaming machines to another gaming operator licensee that is a racetrack. To be valid, the allocation agreement must bear the written approval of the board and the state racing commission, and this approval shall make specific reference to the meeting at which the action of approval was taken and the number of votes cast both for and against the approval. By allocating a number of its authorized machines to another racetrack, the allocating racetrack automatically surrenders all rights to operate the number of machines allocated. No racetrack shall operate or be authorized to operate more than seven hundred fifty gaming machines.

E. Gaming machines on a racetrack gaming operator licensee's premises may be played only on days when the racetrack is either conducting live horse races or simulcasting horse race meets. On days when gaming machines are permitted to be operated, a racetrack gaming operator licensee may offer gaming machines for operation for up to eighteen hours per day; provided that the total number of hours in which gaming machines are operated does not exceed one hundred twelve hours in a one-week period beginning on Tuesday at 8:00 a.m. and ending at 8:00 a.m. on the following Tuesday. A racetrack gaming operator licensee may offer gaming machines for play at any time during a day; provided that the total hours of operation in each day from just after midnight of the previous day until midnight of the current day does not exceed eighteen hours. A racetrack gaming operator licensee shall determine, within the limitations imposed by this subsection, the hours it will offer gaming machines for operation each day and shall notify the board in writing of those hours.

F. Maintaining fewer live race days or fewer live races on each race day during a licensed race meet does not constitute a failure to maintain the minimum number of live race days or races as required by Paragraphs (2) and (3) of Subsection B of this section if the licensee submits to the board written approval by the state racing commission for the licensee to vary the minimum number of live race days or races, and the variance is due to:

(1) the inability of a racetrack gaming operator licensee to fill races as published in the licensee's condition book as long as the same type of canceled race is run within the following two race weeks as the race season permits;

(2) severe weather or other act, event or occurrence resulting from natural forces;

(3) a strike or work stoppage by jockeys or other persons necessary to conduct a race or meet;

(4) a power outage, electrical failure or failure or unavailability of any equipment or supplies necessary to conduct a race or meet;

(4) any association or agreement between the manufacturer and a distributor licensee or gaming operator licensee in New Mexico shall be terminated.

C. An agreement between a manufacturer licensee and a distributor licensee or a gaming operator licensee in New Mexico shall be deemed to include a provision for its termination without liability for the termination on the part of either party upon a finding by the board that either party is unsuitable. Failure to include that condition in the agreement is not a defense in an action brought pursuant to this section to terminate the agreement.

D. A gaming device shall not be used and offered for play by a gaming operator licensee unless it is identical in all material aspects to a model that has been specifically tested and approved by:

- (1) the board;
- (2) a laboratory selected by the board; or
- (3) gaming officials in Nevada or New Jersey for current use.

E. The board may inspect every gaming device that is manufactured:

B. If the board revokes a distributor's license:

- (1) no new gaming device distributed by the person may be approved;
- (2) any previously approved gaming device distributed by the distributor is subject to revocation of approval if the reasons for the revocation of the license also apply to that gaming device;
- (3) no new gaming device or associated equipment distributed by the distributor may be distributed, sold, transferred or offered for use or play in New Mexico; and
- (4) any association or agreement between the distributor and a gaming operator licensee shall be terminated. An agreement between a distributor licensee and a gaming operator licensee shall be deemed to include a provision for its termination without liability on the part of either party upon a finding by the board that the other party is unsuitable. Failure to include that condition in the agreement is not a defense in any action brought pursuant to this section to terminate the agreement.

C. The board may inspect every gaming device that is distributed for use in New Mexico.

D. In addition to all other fees and charges imposed by the Gaming Control Act, the board may determine, charge and collect from each distributor an inspection fee, which shall not exceed the actual cost of inspection and investigation.

A. The board may determine the suitability of any person who furnishes services or property to a gaming operator licensee under any arrangement pursuant to which the person receives compensation based on earnings, profits or receipts from gaming. The board may require the person to comply with the requirements of the Gaming Control Act and with the regulations of the board. If the board determines that the person is unsuitable, it may require the arrangement to be terminated.

B. The board may require a person to apply for a finding of suitability to be associated with a gaming operator licensee if the person:

- (1) does business on the premises of a gaming establishment; or

(2) provides any goods or services to a gaming operator licensee for compensation that the board finds to be grossly disproportionate to the value of the goods or services.

C. If the board determines that a person is unsuitable to be associated with a gaming operator licensee, the association shall be terminated. Any agreement that entitles a business other than gaming to be conducted on the premises of a gaming establishment, or entitles a person other than a licensee to conduct business with the gaming operator licensee, is subject to termination upon a finding of unsuitability of the person seeking association with a gaming operator licensee. Every agreement shall be deemed to include a provision for its termination without liability on the part of the gaming operator licensee upon a finding by the board of the unsuitability of the person seeking or having an association with the gaming operator licensee. Failure to include that condition in the agreement is not a defense in any action brought pursuant to this section to terminate the agreement. If the application is not presented to the board within thirty days following demand or the unsuitable association is not terminated, the board may pursue any remedy or combination of remedies provided in the Gaming Control Act.

suspended or revoked, or that a fine should be levied, the board shall initiate a hearing by filing a complaint and transmitting a copy of it to the licensee, together with a summary of evidence in its possession bearing on the matter and the transcript of testimony at any investigative hearing conducted by or on behalf of the board. The complaint shall be a written statement of charges that sets forth in ordinary and concise language the acts or omissions with which the respondent is charged. It shall specify the statutes or regulations that the respondent is alleged to have violated but shall not consist merely of charges raised in the language of the statutes or regulations. The summary of the evidence shall be confidential and made available only to the respondent until such time as it is offered into evidence at any public hearing on the matter.

F. The hearing examiner shall prepare a written decision containing his recommendation to the board and shall serve it on all parties.

A. an emergency order may be issued only when the board believes that:

The emergency order remains effective until further order of the board or final disposition of the case; and

D. within five days after issuance of an emergency order, the board shall cause a complaint to be filed and served upon the person or entity involved; thereafter, the person or entity against whom the emergency order has been issued and served is entitled to a hearing before the board and to judicial review of the decision and order of the board in accordance with the provisions of the board's regulations.

60-8A-7. Franchises; definitions.

As used in Sections 60-8A-7 through 60-8A-11 NMSA 1978:

A. "franchise" means a contract or agreement, either expressed or implied, whether written or oral, between a supplier and wholesaler, wherein:

(1) a commercial relationship of definite duration or continuing indefinite duration is involved; and

(2) the wholesaler is granted the right to buy and to offer, sell and distribute within this state or any designated area thereof such of the supplier's brand of packaged alcoholic beverages as may be agreed upon;

B. "good cause":

(1) includes failure by the wholesaler to substantially comply with the essential and reasonable provisions of a contract, agreement or understanding with a supplier;

(2) includes use of bad faith on the part of the wholesaler in carrying out the terms of the franchise; and

(3) does not include failure or refusal on the part of the wholesaler to engage in any trade practice, conduct or activity that may result in a violation of any federal law or regulation or any law or regulation of this state;

C. "supplier" means a person, partnership, corporation or other form of business enterprise engaged in business as a manufacturer, importer, broker, agent or its successors or assigns that distributes any or all of its brands of alcoholic beverages through licensed wholesalers in this state. 60-8A-8. Franchises; violations.

A. The purpose of the provisions of Sections 60-8A-7 through 60-8A-11 NMSA 1978 is to provide an equal bargaining position between the parties and to protect the health, safety and welfare of the citizens by ensuring that there is an orderly and fair distribution of alcoholic beverages in the state.

B. It is a violation of Sections 60-8A-7 through 60-8A-11 NMSA 1978 for the supplier, directly or through any officer, agent or employee, to fail to act in good faith in performing or complying with any terms, provisions or conditions of the franchise, or in terminating, canceling or not renewing a franchise with a wholesaler, unless such termination, cancellation or failure to renew is done in good faith and for good cause. Good cause shall not include supplier mergers or acquisitions or consolidation of brands with one wholesaler.

C. If more than one franchise for the same brand or brands of alcoholic beverages is originally granted to different wholesalers in this state, it is a violation of Sections 60-8A-7 through 60-8A-11 NMSA 1978 for any supplier to discriminate in any of the terms, provisions and conditions of the franchise between the wholesalers. It is not the purpose of this section to allow suppliers to unilaterally and without good cause or in violation of

the contract change the terms of an existing franchise or exclusive distribution agreement by authorizing the transfer of brands to another wholesaler in violation of this act [60-8A-7 to 60-8A-11 NMSA 1978].

C. The remedies provided in this section are independent of and supplemental to any other remedy available to the wholesaler in law or equity.

D. It is the intent of the legislature that the Liquor Control Act [60-3A-1 NMSA 1978] control contractual relations between suppliers and wholesalers in the state. Any contract provision which has the effect of circumventing the provisions of Sections 60-8A-7 through 60-8A-11 NMSA 1978, whether a "choice of law" provision, or other provision, shall be deemed null and void and not applicable to franchises between suppliers and wholesalers in the state.

E. In any action brought by a wholesaler against a supplier under the provisions of Sections 60-8A-7 through 60-8A-11 NMSA 1978, if it is determined that the supplier terminated a franchise without good cause or not in good faith, such supplier shall be responsible to any wholesaler so aggrieved in damages in an amount not less than three times the annual gross profits derived by such wholesaler from the sale of any and all brands under such franchise.

History: Laws 1981, ch. 39, § 56; 1993, ch. 57, § 2.

In any action brought by a wholesaler against a supplier for termination, cancellation or failure to renew a franchise in violation of Sections 60-8A-7 through 60-8A-11 NMSA 1978, it is a complete defense for the supplier to prove that the termination, cancellation or failure to renew was done in good faith and for good cause. It shall not be a defense to any action brought by a wholesaler against a supplier under the provisions of Sections 60-8A-7 through 60-8A-11 NMSA 1978 for the supplier to claim that the laws

of another state control over those provisions or in any way make the cited provisions not applicable.
