The state treasurer, upon presentation to the state treasurer of vouchers and payrolls

for such compensation, expenses, supplies and materials, certified by the officers commanding such forces and approved by the adjutant general, shall pay the vouchers and payrolls out of any money available in the state treasury not otherwise appropriated; provided that the vouchers and payrolls for such service, supplies and materials do not exceed one million dollars (\$1,000,000) in any one fiscal year.

B. If there is no money available in the state treasury that is not otherwise appropriated or if the vouchers and payrolls for such service, material and supplies approach the amount of one million dollars (\$1,000,000) in any one fiscal year, the state treasurer shall certify such facts to the governor who shall inquire into and make an estimate of the total probable cost necessary to be incurred for all purposes in connection with or to accomplish the purpose for which such troops were called into active service. If the governor deems it necessary and prudent in order to provide for the public defense that such expenses be incurred and that it is necessary to create an indebtedness for the purpose of paying the expenses, the governor shall by proclamation declare an emergency to exist requiring the creation of an indebtedness under Article 9, Section 7 of the constitution of New Mexico in order to suppress insurrection or to provide for the public defense. The governor shall order the issuance of certificates of indebtedness in such amount as the governor deems required or necessary to provide funds for the payment of expenses and costs incident to or connected with the emergency.

C. The certificates of indebtedness shall be approved as to form by the attorney general. They shall be dated the day of their issuance and the state board of finance shall by proper resolutions prescribe the denominations of the certificates, the maturity dates thereof, the rate of interest they shall bear payable semiannually, the time and place of payment of both principal and interest and the amount of the certificates that shall be issued from time to time. The certificates shall be signed by the secretary of the state board of finance and the state treasurer and the coupons attached thereto shall have the engraved lithographed facsimile of the signature of the state treasurer thereon; provided, however, that certificates purchased by the state treasurer may be issued without coupons. The certificates shall be sold by the state board of finance from time to time in such amounts as it deems advisable, at not less than par and accrued interest to date of delivery, after advertisement for a period of two weeks immediately prior to the sale in one daily newspaper in the state and in some financial journal in the city and state of New York; provided, however, that the state treasurer may purchase the certificates as an investment of any funds in the state treasurer's hands available for investment and in the event of any such purchase by the state treasurer, no advertisement shall be required. The proceeds of certificates so sold shall be by the state treasurer covered into a fund known as the "adjutant general emergency public defense fund" and shall be expended and disbursed only in the manner and for the purposes specified and provided for in Chapter 20, Article 1 NMSA 1978.

D. A fund to be known as the "adjutant general emergency public defense certificates fund" to provide for the payment of interest and principal on the foregoing certificates is established and, beginning with the tax levy for the year following the

issuance of the certificates, a tax shall be levied annually in the same manner as other ad valorem taxes are levied on all taxable property in the state, not to exceed one-half mill on the dollar of valuation, sufficient to produce the amount required to pay interest on the certificates and the principal thereof at maturity, for each year prior to the maturity of the certificates, which taxes when collected shall be credited to the adjutant general emergency public defense certificates fund. The state auditor shall each year prior to August 1 certify to the property tax division of the taxation and revenue department the amount necessary to meet all payments of principal and interest due on the certificates during the year ending June 30 following the date of the certificates.

E. On or before the twentieth legislative day of the next legislative session following the expenditures of the sums provided for in this section, the governor shall file a written report with the presiding officer of each house of the legislature setting forth the purpose and the amounts of money expended as provided in this section.

F. The provisions of this section may be used for the operation of the national guard or the state defense force when on militia duty.

History: 1978 Comp., § 20-1-6, enacted by Laws 1987, ch. 318, § 6; 1999, ch. 52, § 1; 2009, ch. 17, § 1.

ANNOTATIONS

Cross references. — For \$200,000 limitation on state borrowing to meet deficits, see N.M. Const., art. IX, § 7.

The 2009 amendment, effective June 19, 2009, in Subsections A and B, increased the funding cap for supplies, materials and supplies from \$250,000 to \$1,000,000.

The 1999 amendment, effective March 17, 1999, substituted "two hundred fifty thousand dollars (\$250,000)" for "one hundred thousand dollars (\$100,000)" in the last sentence of Subsection A and in the first sentence of Subsection B, updated a statutory reference at the end of the last sentence of Subsection C, and deleted "foregoing" preceding "provisions" in Subsection F.

Where issuance of certificates mandated. — State was liable for expense of converting cavalry unit into an anti-aircraft artillery, under order of governor to conform the militia and equipment to the organization and equipment of the regular army of the United States, and issuance of certificates of indebtedness therefor was mandated. *State ex rel. Charlton v. French*, 1940-NMSC-010, 44 N.M. 169, 99 P.2d 715.

Legislative intent. — The intent of the legislature in this section is that the governor has been given the discretion to decide what is an emergency, and if he deems it necessary and prudent in order to provide for the public defense that such expenses be incurred in order to protect the lives or the property of the citizens, he may without issuing a certificate of indebtedness, if funds are available in the general fund, expend

additional sums to pay for the maintaining of the militia. 1956 Op. Att'y Gen. No. 56-6479.

Where section does not conflict. — This section does not interfere with the governor's power to call out the militia and does not conflict with N.M. Const., art. V, § 4. 1951 Op. Att'y Gen. No. 51-5438.

Scope of expenses for transportation. — If the adjutant general does not have sufficient transportation for the national guard, he may rent trucks for such purpose, since expenses for transportation would include and permit the renting of trucks. It would also include the repair and maintenance of state trucks, provided such repairs were incident to maintenance and not permanent in nature. 1938 Op. Att'y Gen. No. 38-1968.

Where indebtedness less than \$1,000,000. — Where the indebtedness created is less than \$5000 (now \$1,000,000), it is to be paid out of moneys available in the state treasury not otherwise appropriated, and no certificate is to be issued in such instance unless there are no moneys available in the state treasury not otherwise appropriated. 1954 Op. Att'y Gen. No. 54-5986.

Exceptions to limitation on borrowing. — Limitation on the state's borrowing to meet casual deficits or failure in revenue, or for necessary expenses, does not apply to debts contracted to suppress insurrection or to provide for the public defense. 1951 Op. Att'y Gen. No. 51-5438.

B. Upon return from deployment or temporary duty assignment, the resident shall be allowed to reconnect the suspended municipal or county services, public utilities or telecommunications services without having to pay a reconnection fee. 20-2-3. Governor; power to call out militia.

A. The governor may, in case of insurrection, invasion, riot or breach of the peace or of imminent danger thereof or in case of other emergency, order into active service of the state the militia or any components or parts thereof that have not been called into federal service. As used in this section, "emergency" includes any man-made or natural disaster causing or threatening widespread physical or economic harm that is beyond local control and requiring the resources of the state.

B. The governor may also order any member of the national guard to active state service for a period not to exceed a cumulative total of four months within a calendar year for any individual member for the following reasons:

(1) to protect critical infrastructure in the state from a cybersecurity threat or security vulnerability;

(2) to protect an information system owned or operated by the state from a cybersecurity threat or security vulnerability;

(3) to protect information that is stored on, processed by or transiting on an information system owned or operated by the state from a cybersecurity threat or security vulnerability; or

(4) to identify the source of a cybersecurity threat.

C. A member of the national guard called to active service pursuant to the provisions of Subsection B of this section shall not have any police powers or arrest authority. "Subsection B of Section 20-2-3 NMSA 1978" shall be cited on all orders, vouchers and payroll documents submitted for reimbursement pursuant to Section 20-1-6 NMSA 1978 in support of all actions authorized by Subsection B of this section. In no case shall an activation ordered pursuant to Subsection B of this section be used to incur a debt under Article 9, Section 7 of the constitution of New Mexico.

D. In case of any breach of the peace, tumult, riot or resistance to process of this state or imminent danger thereof, the sheriff of a county may call for aid from the governor as commander-in-chief of the national guard. If it appears to the governor that the power of the county is insufficient to enable the sheriff to preserve the peace and protect the lives and property of the peaceful residents of the county or to overcome the resistance to process of this state, the governor shall, on application of the sheriff, order out such military force as is necessary.

E. When any portion of the militia is called out for the purpose of suppressing an unlawful or riotous assembly, the commander of the troops shall cooperate with the civil officers to the fullest extent consistent with the accomplishment of the object for which the troops were called. The civil officials may express to the commander of the troops the general or specific objective that the civil officials desire to accomplish, but the tactical direction of the troops, the kind and extent of force to be used and the particular means to be employed to accomplish the object specified by the civil officers shall be left solely to the commander of the troops present on duty.

F. When any portion of the militia is ordered into active service pursuant to this section in case of an emergency, the militia may provide those resources and services necessary to avoid or minimize economic or physical harm until a situation becomes stabilized and again under local self-support and control, including the provision, on a temporary, emergency basis, for lodging, sheltering, health care, food and any transportation or shipping necessary to protect lives or public property; or for any other action necessary to protect the public health, safety and welfare.

G. In the event of the exercise by the governor of the powers under this section, the governor shall first utilize the personnel and assets of the national guard and only in their absence or insufficiency utilize the personnel and assets of the state defense force.

History: 1978 Comp., § 20-2-3, enacted by Laws 1987, ch. 318, § 10; 1999, ch. 140, § 3; 2017, ch. 93, § 1.

ANNOTATIONS

Repeals and reenactments. — Laws 1987, Chapter 318 repealed former 20-2-3 NMSA 1978, as enacted by Laws 1943, ch. 29, § 1, relating to the definition of militia, and enacted a new section, effective April 10, 1987.

Cross references. — For constitutional power of governor to call out militia, see N.M. Const., art. V, § 4.

The 2017 amendment, effective April 6, 2017, authorized the activation of the national guard in the case of cybersecurity threats, placed limits on the authority exercised pursuant to such activation, and prohibited the incurrence of debt for such activations; added new Subsections B and C, and redesignated the succeeding subsections accordingly; and in Subsection F, after "health care, food", added "and".

The 1999 amendment, effective June 18, 1999, added the last sentence in Subsection A, added Subsection D, redesignated former Subsection D as Subsection E and made minor stylistic changes.

Generally. — When acting within the power vested in him by N.M. Const., art. V, § 4 and this section, the governor may order into active service the militia of the state and may direct locality of operations. He is made the sole judge of the facts that may seem to demand the assistance of the military forces of the state. The presumption of course is that he will not exercise this power unless it becomes necessary. To his good judgment and sound discretion, the law has left the final decision as to whether the military arm of the state shall be ordered into active service. There is no power in the courts to control or restrain his acts. *State ex rel. Charlton v. French*, 1940-NMSC-010, 44 N.M. 169, 99 P.2d 715.

Effects of using militia. — Where the governor of the state, seeking to quell insurrection, calls out the militia by executive process and puts them in charge, such military forces do not act as sheriffs or deputy sheriffs, but their power supersedes the civil authorities; the courts may not, under writs of habeas corpus, interfere with their arrests made during insurrection. *State ex rel. Roberts v. Swope*, 1933-NMSC-097, 38 N.M. 53, 28 P.2d 4.

Quartering of men and equipment. — Governor may expend money to quarter men and equipment of national guard, although men and equipment are not engaged in active duty. *State ex rel. Charlton v. French*, 1940-NMSC-010, 44 N.M. 169, 99 P.2d 715.

Converting and quartering of cavalry. — Governor may convert cavalry into a mechanized unit in an emergency to provide better for the public defense, and may

order armories altered to quarter same. *State ex rel. Charlton v. French*, 1940-NMSC-010, 44 N.M. 169, 99 P.2d 715.

Enlistment generally. — A voluntary enlistment is a contractual relationship between the person enlisting and the state. It is a contract which, in effect, changes the status of the party enlisting. 1955 Op. Att'y Gen. No. 55-6315.

20-2-4. Governor; proclamation of a state of insurrection.

Whenever any portion of the militia is in active service of the state in aid of civil authority, the governor, if in his judgment the maintenance of law and order will thereby be promoted, may by proclamation declare a specified area in which the troops are serving to be in a state of insurrection and may declare martial law therein.

20-2-5. Fresh pursuit.

A. In case the United States is at war or in case of any other emergency declared by the president or the congress of the United States or by the governor or the legislature of this state, any organization, unit or detachment of the military forces of this state by direction of the governor and upon order of the officer in immediate command thereof may continue in fresh pursuit of insurrectionists, saboteurs, perpetrators of felony, enemies or enemy forces beyond the borders of this state into another state of the United States until they are apprehended or captured by such organization, unit or detachment or until the military or police forces of such other state or the forces of the United States have had a reasonable opportunity to take up the pursuit or to apprehend or capture the persons pursued, provided such other state shall have given authority by law for such pursuit by such forces of this state. Except as otherwise provided by law, any person who shall be apprehended or captured in another state of the United States by any of the forces of this state shall without unnecessary delay be surrendered to the military or police forces of the state in which he is taken or to the United States, but such surrender shall not constitute a waiver by this state of its right to extradite or prosecute such person for any crime committed in this state.

B. Military forces of other states of the United States may enter this state. Any military forces of another state of the United States who are in fresh pursuit of insurrectionists, saboteurs, perpetrators of felony, enemies or enemy forces may continue such pursuit into this state until the military or police forces of this state or the forces of the United States have had a reasonable opportunity to take up the pursuit or to apprehend or capture the persons pursued and the pursuing forces may arrest or capture such persons within this state while in fresh pursuit. Any such person who shall be captured or arrested by the military forces of such other state while in this state shall without unnecessary delay be surrendered to the military or police forces of this state to be dealt with according to law.

C. This section shall not be construed so as to make unlawful any arrest in this state which would otherwise be lawful or to repeal or prevent the application of any of the provisions of the Uniform Act on Fresh Pursuit [31-2-1 to 31-2-7 NMSA 1978].

20-2-6. Governor; call for federal or state service; powers.

A. When the national guard or a part thereof is called or ordered into active federal service under the constitution and laws of the United States and the numbers or composition of the national guard forces are insufficient to meet such call or order, the governor may order out and cause through the adjutant general to be enrolled into the organized militia such persons as may be required and expected to reasonably meet the federal call or order.

B. The governor may order out the organized militia when:

(1) the national guard or any significant portion thereof is called or ordered into active federal service and the remaining national guard forces are insufficient for the needs of the state; or

(2) the governor deems it necessary to meet a major disaster, experienced or anticipated. The governor is authorized to call into active state service the state defense force or any portion thereof as may be necessary for the protection and well being of the state. If the numbers or composition of the state defense force is inadequate to meet the need, the governor may call out and cause through the adjutant general to be enrolled from the unorganized militia such persons as are required to bring the organized militia up to strength.

The governor may grant any member of the national guard or reserves who is a state employee additional military leave with pay in excess of that allowed above, not to exceed fifteen working days per federal fiscal year, for periods of active duty for training when he deems that such training will benefit the state by enabling that employee to better perform the duties required in his state occupation.

ANNOTATIONS

Temporary provisions. — Laws 1992, ch. 7, §§ 1 and 2, effective May 20, 1992, recognized the service of school district employees called to active duty by the New Mexico national guard or the United States armed forces reserves to serve in the Persian Gulf War and provided for employment compensation for those who served.

Legislative objective. — The legislative objective in enacting this section was to insure that public employees who were members of organized military reserve units should not be deprived of the annual leave to which they were otherwise entitled, by reason of their absence under orders on military training. 1958 Op. Att'y Gen. No. 58-173.

Employee members of organized units eligible. — All state, county and municipal employees who are members of organized units are eligible for the additional military leave provided in this section. 1953 Op. Att'y Gen. No. 53-5762.

Att'y Gen. No. 53-5762.

The federally funded duty is in addition to and different from any federally funded unit training, assembly or drill pursuant to Section 20-4-7 NMSA 1978.

B. The rights, benefits and protections of the federal Uniformed Services Employment and Reemployment Rights Act of 1994 shall apply to a member of the national guard of this state or any other state or territory of the United States ordered to federal or state active duty.

The 2017 amendment, effective July 1, 2017, extended the benefits of both the Servicemembers Civil Relief Act and the Uniformed Services Employment and Reemployment Rights Act to members of the national guard in this state or any other state or territory of the United States, and removed the requirement of thirty or more consecutive days of service to qualify for the Uniformed Services Employment and Reemployment Rights Act, and changed "Servicemember's" to "Servicemembers"; in Subsections A and B, added "of this state or any other state or territory of the United States"; and in Subsection B, after "state active duty", deleted "for a period of thirty or more consecutive days".

The New Mexico legislature has waived sovereign immunity with respect to federal USERRA claims against the state. — The legislature may waive New Mexico's immunity to federal causes of action that congress creates through the exercise of its Article I powers. By enacting 20-4-7.1 NMSA 1978, the legislature clearly and unambiguously indicated its intent to make state entities amenable to suits asserting claims under the federal Uniformed Services Employment and Reemployment Rights Act in state courts. *Ramirez v. Where plaintiff was terminated from a state agency after resuming employment with the state agency following a deployment to Iraq with the New Mexico national guard, plaintiff was not barred by state sovereign immunity from bringing a suit against the state under the federal Uniformed Services Employment and Reemployment Rights Act, because in enacting 20-4-7.1(B) NMSA 1978, the legislature guaranteed both the substantive antidiscrimination right and the right of action against a state employer to members of the national guard ordered to federal or state active duty for a period of thirty or more consecutive days, and in so doing, waived New Mexico's immunity to suit. *Ramirez v. CYFD*, 2016-NMSC-016, *rev'g* 2014-NMCA-057, 326 P.3d 474.

Sovereign immunity barred USERRA claim against the state. — Article I, Section 8, Clause 11 of the United States Constitution, known as the War Powers Clause, does not authorize Congress to subject the state to private suits for damages in state courts pursuant to the Uniformed Services Employment and Reemployment Rights Act, 38 U.S.C. §§ 4301 to 4335, absent the state's consent and the legislature has not waived the state's constitutional immunity to private USERRA suits for damages. *Ramirez v. State ex rel. CYFD*, 2014-NMCA-057, *rev'd by* 2016-NMSC-016.

Where plaintiff, who was a member of the New Mexico national guard, was employed by the department; plaintiff was deployed to Iraq; upon plaintiff's return from active duty, plaintiff was reemployed by the department in plaintiff's previous position; plaintiff's working relations with plaintiff's supervisors deteriorated and plaintiff's employment was terminated; and filed a suit under Uniformed Services Employment and Reemployment Rights Act, 38 U.S.C. §§ 4301 to 4335, alleging that the department discriminated against plaintiff and terminated plaintiff because of plaintiff's military service, plaintiff's claim was barred by state sovereign immunity. *Ramirez v. State ex rel. CYFD*, 2014-NMCA-057, *rev'd by* 2016-NMSC-016.

20-4-7.2. Legislative findings and purpose.

A. The legislature finds that:

(1) the national guard has a proud tradition of military service with thousands of New Mexicans having answered the call of the nation and served in the national guard;

(2) there have been instances in which the dependents of members of the national guard have been left without adequate financial resources when a national guard member has been killed while on active duty;

(3) members of the national guard are now being asked to serve extended periods of active duty in combat areas;

(4) members of the national guard are eligible for life insurance policies up to the maximum amount allowable through the federal servicemembers' group life insurance program; and

(5) members of the national guard provide New Mexico and its citizens valuable benefits through their service inside this state and through their recently extended periods of active duty in combat areas outside of New Mexico, and in exchange for these extended periods of active duty they should receive assistance with their premiums for the federal servicemembers' group life insurance program.

B. The purpose of creating and funding the service members' life insurance reimbursement fund is to provide a benefit to members of the national guard in exchange for and in recognition of their assumption of extended periods of active duty in combat areas, in addition to their increased contributions to the safety and welfare of the citizens of the state of New Mexico.

20-5-1. New Mexico state defense force established; not in federal service; definitions.

B. Nothing in Chapter 20 NMSA 1978 shall be construed as authorizing the New Mexico state defense force or any part thereof to be called, ordered or in any manner drafted by federal authorities into the military service of the United States, but no person by reason of the person's enlistment or appointment in the state defense force shall be exempted from military service under any law of the United States.

C. The following definitions apply to the duty statuses under which members of the state defense force serve:

(1) "militia duty" means the performance of actual military service for the state in time of need when called by the governor or adjutant general following mobilization of the national guard. It may be performed by the standing cadre of the state defense force at any time so ordered upon mobilization of the national guard. It may be performed by the unorganized militia following its call by the governor pursuant to Subsection B of Section 20-2-6 NMSA 1978, in which case it shall include the post-call training of the New Mexico state defense force pursuant thereto; and

(2) "cadre duty" means the normal service and training performed by the standing cadre of the state defense force in anticipation and support of militia duty, including organization, administration and other pre-call matters.

- E. acquire property deemed necessary for military purposes by purchase, exchange, lease, grant, gift or condemnation;

History: 1978 Comp., § 20-8-3, enacted by Laws 1987, ch. 318, § 54; 1989, ch. 337, § 4.

ANNOTATIONS

Repeals and reenactments. — Laws 1987, Chapter 318 repealed former 20-8-3 NMSA 1978, as enacted by Laws 1931, ch. 123, § 3, relating to 100% drill attendance medal, and enacted a new 20-8-3 NMSA 1978, effective April 10, 1987.

The 1989 amendment, effective June 16, 1989, in Subsection A, corrected the misspelling of "responsibilities" and, in Subsection C, substituted "the department of finance and administration" for "the legislative finance committee".

Legislative intent. — The legislature intends that the maintenance of buildings should be controlled by the state armory board, which, in turn, applies to the legislature for the necessary funds by appropriation. 1957 Op. Att'y Gen. No. 57-155.

Generally. — The state armory board may own (in the name of the state), rent or lease facilities necessary for the conduct of training and the storage of national guard property. Further, the board may acquire property in the name of the state "by purchase, grant, gift or condemnation, and is authorized to sell or exchange such property when said board determines it to be no longer necessary or suitable for military purchases." 1957 Op. Att'y Gen. No. 57-156.

Authority to lease. — The state armory board has statutory authority to lease property for its statutory purposes. The governing statute clearly contemplates control by the board of property "rented or leased by the state"; and the authority "to acquire property deemed necessary for military purposes . . . by purchase, grant, gift or condemnation" is not to be read as excluding the exercise of the lesser power to lease. 1958 Op. Att'y Gen. No. 58-231.

Extent of authority. — In any case where authority is granted for the leasing or renting of property, it may be logically implied that such authority extends to the ordinary requirements for maintaining the premises in a condition not different from that appreciated at the time of taking possession. 1957 Op. Att'y Gen. No. 57-156.

Federal and state construction and use of armory permissible. — The state armory board may lawfully contract with the United States for the construction of an armory at the expense of the state and federal government jointly, the armory to be used jointly by the New Mexico national guard and other components of the armed forces reserves. 1958 Op. Att'y Gen. No. 58-235.

Property not subject to paving assessment. — Real property owned by the state armory board is not subject to a paving assessment by a municipality for a street paving project adjoining such property. 1959 Op. Att'y Gen. No. 59-161.

Authorization as state contracting officer. — The state armory board is authorized to act, or appoint someone to act, as a state contracting officer. 1956 Op. Att'y Gen. No. 56-6547.

Control where joint utilization. — An armory was built for joint utilization by the New Mexico national guard and reserve components of the armed forces pursuant to 10 U.S.C. § 2231 et seq., and the control over such armory would be vested in the state armory board. 1959 Op. Att'y Gen. No. 59-166.

The senior commander of the national guard units occupying the armory, as chairman; one enlisted

member serving in the armory as secretary-treasurer; and one resident of the locality who is not a member of the national guard, shall constitute the board for that locality. Discretionary appointments to each board shall be made by the adjutant general and shall be for a term of two years. Members shall serve without compensation but shall be paid per diem and mileage as provided in the Per Diem and Mileage Act [10-8-1 to 10-8-8 NMSA 1978]. Each local armory board shall:

20-8-5. State armory board fund.

A. All net revenues derived from any armory rentals shall be deposited quarterly or more frequently by all local armory boards with the state armory board which shall keep such money on deposit with the state treasurer in a separate fund to be known as the "state armory board fund". History: 1978 Comp., § 20-8-5, enacted by Laws 1987, ch. 318, § 56; 1989, ch. 337, § 5.

ANNOTATIONS

The 1989 amendment, effective June 16, 1989, added the Subsection A designation, inserted "state armory" in the last sentence of Subsection A, and added Subsection B.

20-8-6. State armory board building and improvement bonds.

A. For the purpose of erecting, altering, improving, furnishing and equipping any necessary buildings or structures or acquiring any necessary lands, as provided by Chapter 20, Article 8 NMSA 1978, the state armory board is authorized to borrow money as provided in this section.

B. Whenever the state armory board, by the affirmative vote of the majority of its members duly entered in the minutes of the board, determines by resolution that it is necessary to acquire, construct, replace, repair, alter, improve, furnish or equip any armory and the resolution has been submitted to and approved by the state board of finance, the state armory board is empowered and authorized to issue and sell state armory board building and improvement bonds subject to the terms of Chapter 20, Article 8 NMSA 1978.

C. The bonds shall be in such form and denominations as the state armory board shall determine, due and payable not later than twenty years from date of issue. The bonds shall be payable in consecutive order commencing not later than two years from date of issue.

D. The bonds may be sold at public or private sale at the discretion of the state armory board; provided, however, that no sale shall be made for less than the par value of the bonds plus accrued interest from the last preceding interest date to the date of delivery of the bonds. Before delivery of the bonds to the purchaser, all matured interest coupons shall be detached and canceled. The state treasurer may, with the approval of the state board of finance and other officials whose approval may be required by law for the investment of public funds, purchase the bonds at par and accrued interest to date of delivery of the investment. The bonds may be accepted at their par value by all public officials in this state as security for the repayment of all deposits of public money of this state, or of any county, municipality or public institution thereof, and as security for the

faithful performance of any obligations or duty, to guarantee the performance of which the officials are authorized by law to accept a deposit of the bonds of this state or of the United States.

E. Proceeds from the sale of the bonds shall be paid to the state treasurer and shall be placed by the state treasurer in a separate fund to be known as the "state armory board building and improvement fund". This fund shall be used and paid out only for the specific purposes in Chapter 20, Article 8 NMSA 1978 upon order of the state armory board or upon vouchers signed by the secretary-treasurer of the board and paid out upon warrants issued by the secretary of finance and administration, except such portion thereof as may have been received on account of accrued interest on the bonds to date of delivery, which amount shall be placed in the "state armory board interest and retirement fund" for the liquidation of the bonds as provided in Chapter 20, Article 8 NMSA 1978. The cost of preparing, advertising and selling bonds, including any necessary expense for legal opinions thereon, shall be paid out of the proceeds of the sale of the bonds.

F. Upon issuance of these bonds by the state armory board, the state treasurer shall establish, for the payment of the principal and interest thereof, a fund to be known as the "state armory board interest and retirement fund", into which fund the state armory board shall cause to be placed a sum not less than the amount necessary to pay the interest and maturing principal of the bonds for the ensuing twelve months and annually thereafter shall continue to place in the fund a sufficient amount to pay principal and interest maturing in the succeeding twelve months.

G. For the faithful and prompt payment of all interest and principal of these bonds as and when they shall mature according to the tenor thereof, the issue thereof shall constitute an irrevocable pledge by the state armory board of so much of each year's income from the buildings, lands and properties under the control of the board, in the hands of the state treasurer or from the state armory board fund, as shall be needed to provide the state armory board interest and retirement fund for the ensuing year and at all times fully and faithfully to keep the fund in not less than the amount necessary to pay the interest and principal maturing as provided in this section. In addition, the issue of the bonds shall constitute an irrevocable pledge by the state armory board of so much of each year's income from those buildings, lands and other facilities as may be necessary to fully protect the state armory board interest and retirement fund for the ensuing year and keep the fund at all times in proper amount as provided in this section.

H. It is the duty of the state treasurer, where bonds have been issued pursuant to Chapter 20, Article 8 NMSA 1978, to forward to the bank at which the bonds are payable, prior to the date on which any coupons or any principal amount of any bonds shall mature, out of the state armory board interest and retirement fund a sufficient sum of money to meet the coupons and maturing bonds as they become due, plus any service which the bank shall be entitled to receive for its services unless the state armory board shall have forwarded those funds from the state armory board fund.

I. In the event the state armory board should find it advisable to issue bonds under Chapter 20, Article 8 NMSA 1978 in more than one series or at different times for any of the purposes set forth in that article, in each series of bonds, the bonds shall be designated by the letters "A", "B" or in some other designation to the end that each series shall be kept separate, and all of the requirements of that article shall apply to and be faithfully followed, done and carried out as to each series. The state armory board has no power to issue bonds under Chapter 20, Article 8 NMSA 1978 when the aggregate interest and principal requirements for any year, together with the aggregate interest and principal requirements for all outstanding bonds of the state armory board for each year, exceeds the amount of the income from the buildings, lands and facilities under the board's control received by the board and deposited with the state treasurer for the fiscal year next preceding the fiscal year in which any bonds of the state armory board are authorized to be issued by resolution of the board adopted pursuant to Chapter 20, Article 8 NMSA 1978.

J. Bonds issued under the provisions of Chapter 20, Article 8 NMSA 1978 and the income thereupon, being for the sole purposes specified in that article, shall forever be and remain free and exempt from taxation by the state or any subdivision thereof.

K. None of the funds derived from the sale of bonds issued under the provisions of Chapter 20, Article 8 NMSA 1978, except so much thereof as shall be necessary to defray the costs of the issuance of the bonds and the accrued interest from the date thereof to the time of delivery, shall ever be used or expended for any purpose other than those for which the authority to issue the bonds is given by that article.

L. No bonds shall be finally issued and sold under the provisions of Chapter 20, Article 8 NMSA 1978 until approval of the issue has been given by the state board of finance in a regular or called meeting.

M. All bonds of the same issue under Chapter 20, Article 8 NMSA 1978 shall have a prior and paramount lien upon the income from the buildings, lands and facilities under the control of the state armory board, over and ahead of all bonds or any securities secured by a pledge of that income which may be subsequently authorized and over and ahead of any claims or other obligations of any nature against that income subsequently arising or subsequently incurred. All bonds of the same series issued under Chapter 20, Article 8 NMSA 1978 shall be equally and rateably secured without priority by reason of number, date of bonds, sale, execution or delivery by lien on that income and the state armory board interest and retirement fund in accordance with the terms of Chapter 20, Article 8 NMSA 1978.

The Uniform Code of Military Justice, Title 10, Chapter 47, United States Code; the Manual for Courts-Martial, United States, 1984, (Executive Order No. 12437 (13 April 1984), as amended); the regulations and directives of the United States military forces made applicable to the national guard; and the decisions of the United States court of military appeals and of the armed services courts of military review are adopted as the Code of Military Justice, the Manual for Courts-Martial, the regulations and the precedential case law of this state on military justice matters, respectively, except as hereinafter limited or stated within Chapter 20, Article 12 NMSA 1978. Where regulations and procedures for the United States army differ from those of the United States air force, the army national guard and the state defense force shall observe the regulations and procedures of the United States army and the air national guard shall observe the regulations and procedures of the United States air force.
