Addendum

[1] The Applicant seeks clarification in relation to my oral decision given on October 9th, 2012 and released in written form on October 16th, 2012 (see 2012 NSSC 356).

[2] In light of the fact that the Applicant's solicitor has informed me that the Applicant is exploring the option of appealing my decision, I do not consider it to be appropriate (at least in the circumstances of this case) to issue substantive supplementary reasons for my decision. A sentence will be added, however, after the second sentence of paragraph 24 to read "In light of this conclusion, it is unnecessary for me to decide what the result would have been on this issue in the absence of a Mortgage Amending Agreement".

Deborah K. Smith
Associate Chief Justice
