MEMORANDUM

Counsel for both parties attended on me in my chambers today to ask me to stay or vary the order outlined in my memorandum dated June 27th 1995.

2

Subject to what appears from the transcript of proceedings in regular Chambers on June 26th 1995; and subject to any further order, whether entered by consent or after a hearing; paragraph 5 of that order is hereby stayed until further order. Entry of a formal order shall not include any reference to the subject matter of that paragraph except to say that the mother's application in reference thereto is adjourned until regular Chambers on July 10th 1995.

3

With reference to paragraphs 2 and 3 of the order, the father is granted leave to pursue his notice of motion for extended summer access in Alberta pending the further order of the Court in that regard.
