DECISION AND ORDER

By a notice dated May 31, 1972, the parties hereto were advised by the Board of Certification of its proposal to consolidate certain specified Certifications held by Municipal Association of Electronic Data Processing Personnel. The said notice set forth the titles within the Certifications proposed to be consolidated by the Board. The said notice also afforded all parties, including the parties hereto, an opportunity to show cause why such proposed consolidation of the specified units should not be acted upon, and said notice was published in the City Record on June 3, 1972. There has been no opposition by any party to the Board's proposal, and the time within which to oppose the Board's proposal, as prescribed in said notice and published in the City Record, has expired. Therefore, the Board's proposal is adopted as the decision of the Board, and, accordingly, the Board directs consolidation of the specified units as set forth in the Order entered herein.
